INTRODUCING THE

LAURA ASHLEY

Limited Edition Sewing Machine

brother at your side

EXQUISITE DESIGN *meets* SOPHISTICATED TECHNOLOGY

When two brands known for superior craftsmanship and quality combine, as with the Laura Ashley *Limited Edition* Innov-is NX-2000 Sewing Machine from Brother®, a masterpiece is born.

The Laura Ashley *Limited Edition* has been developed with impressive features to delight both sewers and quilters, such as **460 included stitches** (430 built-in, 30 on CD), virtually limitless stitch options with the **My Custom Stitch™** feature, the **Automatic Height Adjuster™ AHA®** feature to allow for precise stitching on practically every fabric, and a **Pivot Function** that's perfect for stitching corners on almost every project imaginable. And with additional features such as **Free-Motion Sewing, Bobbin Work, Circular Sewing** and the **Extra-Large Quilting Extension Table,** you can add that extra-special Laura Ashley inspired touch.

A Touch of English in Every Stitch

The Laura Ashley *Limited Edition* Innov-is NX-2000 Sewing Machine was engineered with the do-it-yourself home décor crafter in mind. Laura Ashley is known worldwide for its beautiful home décor and accents, and you too can now create one-of-a-kind items for your home.

brother at your side

EXPERT SEWING

Why choose the Laura Ashley *Limited Edition* Innov-is NX-2000 Sewing Machine from Brother®? It's simple, really. No other machine offers this level of quality, reliability and flexibility, while also delivering an impressive range of features desired by the most discriminating sewers and quilters.

460 Stitches Included

430 Built-in
30 on CD

Your creativity can run free with the 460 included stitches in the Laura Ashley *Limited Edition*. An impressive assortment of sewing, quilting, utility and decorative stitches, including 12 buttonhole styles and three sewing lettering fonts, will help you add a special finish to all your creations. For ease, the machine's built-in stitches are saved by category and can be easily selected with the touch of a button on the LCD display.

My Custom Stitch™ Feature

Ever wanted to design a unique sewing stitch? The built-in exclusive My Custom Stitch™ feature gives you the freedom to create a special pattern on the LCD touch screen and save it to one of the 15 memory pockets or directly to your computer for later use. This incredible feature will allow you to expand your stitch library with a virtually unlimited number of personalized stitches for years to come!

Advanced LCD Screen

Use the 4.6" x 3.5" monochrome touch screen to manage all your sewing and quilting functions:

- View on-screen information in 12 languages
- Select, create and save stitches
- Access quick reference stitch guides and help screens

Stitch Editing Feature
Find a stitch that's close to what you want but not quite perfect? Simply use the stitch editing feature on the LCD screen to adjust the width, height, density and size of many of the machine's included stitches.

Combining Stitch Patterns
Combine or mirror image stitches to create your own unique patterns and then save them to the machine's memory or to your computer via the included USB cable.

Advanced Needle Threading System

The advanced system eliminates hand threading by pushing the thread through the eye of the needle with the press of a lever. Perfect threading, every time, even when you can't see the eye!

Computer Connectivity

Keep your machine up-to-date for years to come by simply connecting it to your computer with the included cable. Follow on-screen instructions to download free machine updates or to save your customized stitches directly to your computer.

Cutting Edge Features that Bring a Professional Look to Your Sewing and Quilting Projects and Save Time, Too!

7-Point Feed Dogs
Stitch with minimal fabric guiding and achieve precisely formed stitches with the wide-set 7-point feed dogs that allow for smooth and easy feeding of almost every material.

Back to Beginning Feature
Helpful for building combinations of stitches, this feature allows you to finish a segment and restart your pattern at the first stitch of a design when you resume sewing.

Multiple Thread Cutting Operations
Use the scissor button or pre-program the machine with the LCD screen to cut the threads and pull them to the back for a more professional look.

Quick-Set™ Bobbin
Just drop in a full bobbin, pull the thread through the slot and start sewing.

Super Bright LED Work Lights

The super bright, independent lighting in the needle and work area helps reduce eye strain and brighten the details of any project.

Multi-Directional Sewing

An exciting feature which allows you to unleash your creative spirit! Sew straight in eight different directions, including sideways left or right, which eliminates pivoting of material, and in four directions with zig zag.

ADVANCED QUILTING

The Laura Ashley *Limited Edition* Innov-is NX-2000 Sewing Machine offers a wide variety of special and unique features and accessories crafted especially for the avid quilter, including built-in quilting stitches, a pivoting function, an extra-large quilting extension table, and a variety of quilting and appliqué feet. Discover how easy it is to create a beautiful Laura Ashley-inspired quilt for your home.

Automatic Height Adjuster™ AHA® Feature

The machine's built-in Automatic Height Adjuster™ AHA® feature provides sensors that detect varying fabric thicknesses so you can stitch intersecting seams, quilts with varying fabric types, appliqués and embellishments with confidence. Whether sewing silk, denim or leather, the presser foot will float over your fabric without hesitation and deliver smooth, even stitches every time.

Pivot Function

Select the Pivot Function to have the machine simultaneously lift the presser foot while keeping the needle lowered. Allows you to keep your hands free to rotate your fabric, making perfect corners every time.

Adjustable Presser Foot Height and Pressure

Must-have features for quilting! Adjust the presser foot height to allow thicker sections to pass under the foot, and change the presser foot pressure to align with the feed dog motion for improved delivery of fabric height variations.

Extra-Large Quilting Extension Table

5 Included Quilting & Appliqué Feet

- "C" foot for more control
- "O" foot for more visibility
- "E" see-through foot for precise echo quilting
- Walking foot for smoother feeding of multiple layers
- ¼" quilting foot with guide for evenly spaced rows of stitches

EXQUISITE EMBELLISHMENTS

With features never offered before, the Laura Ashley *Limited Edition* Innov-is NX-2000 will bring out your inner creativity in ways you probably never imagined. Like the Laura Ashley brand, sewing and quilting is about creativity, self-actualization and a sense of accomplishment; the ability to say "I made this."

To help you express the designer inside, Brother® has included the following exclusive embellishment features to allow you to create one-of-a-kind garments, home décor accents, crafts and quilts.

Circular Sewing

Make concentric circles, arcs and more by simply using the included measured circular attachment bundle. The included braiding and cording feet allow you to embellish your creations with decorative threads and trims for that special finishing touch.

Bobbin Work

Add impressive stitching to your projects with our new bobbin case for Bobbin Work which allows you to use a variety of decorative threads in your creations. Use the new bobbin case to create reverse "upside down" sewing with specialty threads that don't fit through the eye of the needle, and experience the delight when you turn the fabric over to see the raised 3-D stitches you have added to your creation.

Free-Motion Stitching

The foot height adjusts for perfect free-motion sewing, creating beautiful free-motion projects. Use the three included quilting presser feet to help you develop your masterpiece.

Lettering

Use any of our three built-in lettering fonts to personalize all of your creations, adding an extra-special touch to everything from towels and napkins to clothing and accessories.
