SERVICE IS THE KEY

Service is the key to having a vibrant cohesive community!

We feel greatly honored and deeply committed to serve you as Mayor and City Council. I welcome all of you to reach out to me and the city council to help us know how we can better serve you.

When we serve someone we take the focus off of ourselves and look outward to others and how we can help them and meet their needs.

We have dedicated Lindon City employees who understand the importance to serve the Lindon community. When we focus on others we create a more unified community.

We just recently celebrated Lindon Days. It was a wonderful time to come together and enjoy activities together. We were able to mingle and talk and enhance our relationships through a social event that was fun and unifying.

When we walked the parade route I was able to see the faces and smiles of all the wonderful people who make up our community. It is what I enjoy most about serving as Mayor...being with the people.

I invite you to serve your neighbor. Be involved with community events. Volunteer to help others in any possible way you can. It is through our service to others that we lift others and bring a sense of community. Each of us play a vital part in the overall well-being of the great city of Lindon.

Thank you for the opportunity to serve.

Jeff Acerson, Mayor

The annual Lindon Days celebration for 2018 was a great success! A **HUGE** thank you to the Lindon Days Sponsors, Elected Officials, City Staff and great Lindon residents who stepped up to make the Lindon Days Celebration such a successful and fun tradition! Lindon Days would not be possible without you! Congratulations and thank you to the **2018 Lindon Days Grand Marshals, Lyle and Connie Lamoreaux**! Your years of service to the community are greatly appreciated!

LINDON CITY DRILL

It's that time of year again, when we get together as a community and practice our emergency response skills. The 2018 annual Lindon City Drill will take place on Monday, September 17, 2018 from 6-8:00 PM. Make sure to check in with your Block Captain at 6PM (listen for the sound of honking horns and sirens)! Amateur Radio Operators: training item and check-in with city net 146.56 MHz (simplex). A public feedback meeting is open to all at 8:15PM at the Lindon City Building on the night of the drill. Please participate in the drill and make this a fun event with neighbors and friends as you practice together and become prepared for potential events in the future. Let's look out for one another! Click on the link below for the Drill Down for Safety Website for more information. www.LindonCityDrill.com

VOLUNTEERS 55+ NEEDED

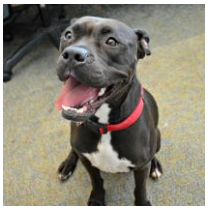
MOUNTAINLAND ASSOCIATION OF GOVERNMENTS

Use your skills and experience to enrich other lives. Mountainland RSVP (Retired Senior Volunteer Program) matches volunteers 55+ with their ideal volunteer opportunity. Opportunities to volunteer from home or for one hour a week or more. Areas with the greatest need include: tutoring in elementary schools, transportation for seniors, meal delivery, and making calls to homebound seniors. Enroll in our FREE program now and enjoy the benefits: flexible hours and days, supplemental insurance coverage, mileage reimbursement, Sharetix event tickets, and recognition events. Find out more about our program at https://mountainland.org/RSVP/, call (801) 229-3820, or email rsvp@mountainland.org.

Back to School Reminder!

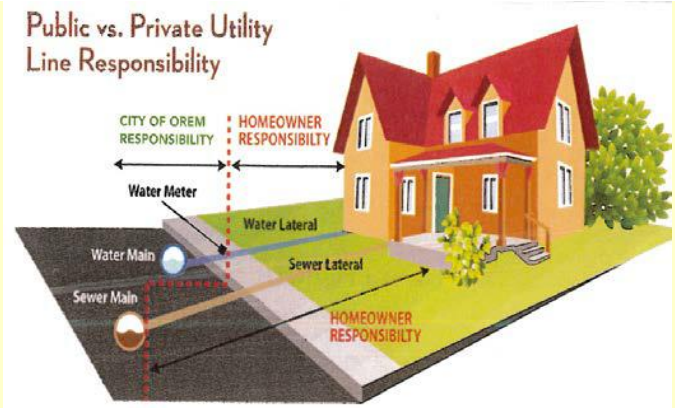
The Lindon City Police Department is excited for the new school year and would like to remind residents to keep in mind the crosswalks and school zones as they go about their day to day activities. Remember to slow down, keep in mind the fluctuating schedules, and as always, if parents have any questions they can be directed to the school district.
We would also like to welcome the newest member of our team, Officer Gil Sanchez. He recently joined our department with several years' experience.

Pet of the Month



The North Utah Valley Animal Shelter has many fantastic animals waiting for loving homes. One such is this darling black/white Boxer mix, female dog named Katnisa. Katnisa is 2-3 years of age and is considered a medium/large dog. Katnisa has been up for adoption since 7/27/2018. She is a wonderful girl who loves people and just wants to cuddle. She is very obedient despite being so young and just wants to make everybody happy. She has an adorable grin! Her adoption price is $157.00. For more information on Katnisa, or any of our other outstanding pets, contact us at (801) 785-3442 or Click here to visit our website. We are located at 193 N 2000 W in Lindon, UT.

Public Works Pointers



State law requires cities to notify homeowners about the public vs. private ownership of water and sewer lines. Any necessary repairs to the water line that runs between the home and the water meter are the responsibility of the homeowner and any necessary repairs to the sewer main are the responsibility of the homeowner, as shown above. These responsibilities may be different for homeowners in an HOA or on private roads. Any questions please call Public Works at 801-796-7954.

SCOUTS NEEDED!

We are looking for scouts that need to complete their Community Service Merit Badge to help with the Rocky Mountain Elementary (55 S 500 E, Lindon) school carnival. Scouts will need to be available September 24th right after school until around 9:00pm. They will help set up, clean up, and run the carnival. We will have a few other things for them to do for the PTA so they can earn the full 10 hours needed for their badge. Contact: Ameri Belliston 801-358-4839 or Keryn Ross 801–318-4273 for more information!

HISTORICAL COMMISSION PICKS THREE "YARDS OF THE MONTH"

The Lindon City Historical Commission, headed by Lyle Lamoreaux, has chosen three homes to be highlighted monthly because of their work and efforts to make their yards and gardens beautiful. Three homes will be chosen for the next several months as weather permits (August highlighted in this issue). These homes are from three neighborhoods, The Foothill Neighborhood, the Central Neighborhood and the West Neighborhood. By dividing the city into three neighborhoods we are able to highlight and honor more people each year. If you know of a neighbor or resident you feel has a home you would like to see nominated please email *llamoreau@lindoncity.org*

The following three households were chosen for the month of August:

The Foothill Neighborhood:
John and Gayla Marie Rosenberg
191 North 1200 East

The Central Neighborhood:
Boyd and Cheryl Jacobson
55 North 200 East

The West Neighborhood:
Shane and Laura Smith
755 W 200 S

Congratulations to all for your great efforts in helping to beautify our wonderful community!

Lindon Monthly Recycling Facts

September: Recycling Do's and Do Not's! What goes in that can?

Recycling can be confusing. Keep this list of what "can" and "cannot" be recycled in your commingled container handy. For additional information don't forget to visit the city website!

- **Do Recycle:**
  - Corrugated cardboard
  - Paperboard: food boxes, paper towel rolls, etc.
  - Paper: magazines, junk mail, office paper, phonebooks, newspaper, paper grocery bags, etc.
  - Aluminum and steel food containers
  - Plastics: milk and juice jugs, shampoo bottles, detergent bottles, etc.

- **Please do not use your Commingled Bin for these Items:**
  - Glass
  - Styrofoam
  - Food waste
  - Green waste

HELPFUL RECYCING TIPS

- Food containers do not need to be washed thoroughly or even rinsed out. As long as food containers are scrapped clean they can be placed in your recycling bin.
- Plastic grocery bags are recyclable but are best left out of your recycling container. These light plastic bags are difficult to run through the sorting machinery at the recycling facility. Most major grocery stores (such as Smith's and Wal-Mart) provide a drop off site for used grocery bags. Please recycle your grocery bags this way.
- The garbage and recycling trucks look the same—are my materials actually being recycled? Absolutely! On occasion, a driver may service a garbage route, empty his truck, and then service recycling containers. The same truck can service both types of cans (garbage and recycling) in the same day. The loads are never mixed, however, if you do see a driver dump a garbage can and a recycling container back to back, this is likely due to contamination in the recycle container. Please remember to follow the guidelines above.
- To make sure you have enough room for recyclables in your cart, remember to break down all larger items such as boxes and even milk jugs. Taking the extra time to break down your boxes will give you added space in your container.

If you are interested in ordering a recycling can please contact the Lindon City Utilities Clerk at 801-785-5043 or email at slaidler@lindoncity.org.
