YOU WILL ALSO NEED:

- 30 total 10" squares (2 packs if 20 count)
- 2 1/4 yd background fabric for squares
- 1/2 yd background fabric for border
- 3 1/2 yd backing
- 1/2 yd for bias binding
- Twin size batting

This quilt goes together very quickly. Once you are comfortable with the technique – and see how easy it is – you can chain piece the blocks and finish this quilt in no time!

CUTTING INSTRUCTIONS:

BACKGROUND FABRIC

- Cut (8) 10" x Width of Fabric (WOF) strips; sub- cut (30) 10" squares.
- Cut (7) 2 1/4" x WOF strips for inner border.
- Cut enough 2 1/4" x WOF strips to make 252" of binding.

CONSTRUCTION:

SEWING THE HALF-SQUARE TRIANGLES

- Using your selected stack of 30 Tonga squares, draw a line across the diagonal with your marking pencil.
- Place a marked Tonga square, right sides together, on top of a 10" background square. Stitch a scant 1/4" on each side of the center line.
- Cut on the drawn line to create two half-square triangles. Press the seams open and trim the blocks to 9".

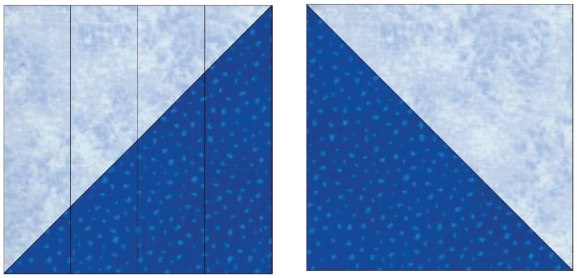
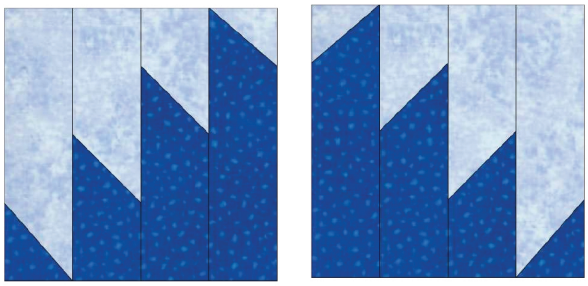
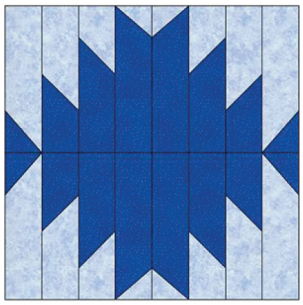
- Place two half-square triangle blocks side by side to form a "mountain peak". Starting on the left side, cut into (4) 2 $^{1}/_{4}$" strips, then repeat with the right half-square triangle. **Note**: Follow this same procedure for each pair to be sure that you are cutting each square correctly.



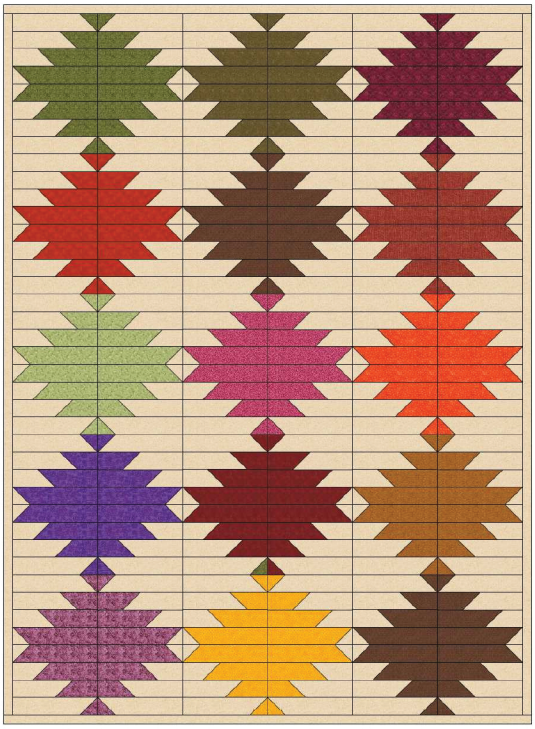
- Now, swap the #1 strip on the left with the #1 strip on the right. Then swap the #2 strip on the left with the #2 strip on the right, continuing with strips #3 and #4. You were successful if you see this pattern emerge.



- On the left block, sew strip #4 to strip #3 and strip #2 to strip #1. On the right block, sew strip #1 to strip #2 and strip #3 to strip #4. (Be careful to place a pin in the side that you will stitch, it's easy to get mixed up!) Press each set of two.
- Sew the sets of two together for the right half, and the two sets together for the left half. Press.
- Now join the two halves, with the "peaks" in the center, and press. Continue making these units, you will have 30 total.
- Match similar colored units with right sides together, a "peak" on the top and a "peak" on the bottom, and stitch together to form one large block.



- Arrange the 15 blocks into 3 rows of 5, stitching each row together. After you have sewn all three rows together, add your border pieces to the sides and top.



- Layer with batting and backing, and quilt as desired.
- Sew binding strips together end to end and press seams open. Fold strip in half lengthwise, wrong sides together, and press.
- Stitch to quilt top, matching raw edges. Turn binding to back of quilt and hand stitch to finish.
