

Best Punch Ever! (Family friendly)

(2) 2-liter bottles of Seven-Up (I use diet, but regular will work too)

(1) Large (not giant size) frozen orange juice concentrate

(1) 46 ounce can of un-sweetened pineapple juice

(1) Jar of maraschino cherries, no stems, juice included

Mix everything except the Seven-Up in a large punch bowl.

Just before you are ready to serve, add ice and the Seven-Up.

This is a hit every time I serve it. It really works great all year, and is a family favorite at Christmastime too.
