## HOUSEHOLD HAZARDOUS WASTE REUSE SHED

The reuse shed is available as a service to area residents. Unwanted household hazardous waste is dropped off at the household hazardous waste collection area for reuse or disposal. Items unopened or usable are placed in the reuse shed and can be taken by interested customers at no charge. Many items may be available for reuse, to include:

- Paint
- Paint Thinner
- Stain
- Household Cleaners
- Pesticides
- Fertilizers
- Unused Oil
- Unused Antifreeze
- Automotive Products

**Items in the Reuse shed are available at no charge**

This facility is for hazardous waste coming from households only. If your business generates hazardous waste, a list of commercial disposal facilities is available from the household hazardous waste attendant or at the scale house.
