## Heat Press Batting Together

Use this 1½"-wide cloth tape to join leftover pieces of batting or to add pieces to batting that's not quite big enough. The tape is soft and thin and can be stitched easily by hand or machine. Join any type of batting—cotton, wool, polyester, or blends—following manufacturer's instructions. 10 yards per roll. Retail price: \$7.99. ## Quilter's Jewelry

Quiltmaker and author Judy Hopkins also designs jewelry! Her fine sterling silver pieces featuring quilt designs are available in bracelets, earrings, and pendants. Judy chooses quilt block designs, such as the Eskimo Mask and Cabin Lights designs shown, that remind her of her home state of Alaska. Many other designs available. Prices for pieces shown: \$157.00 bracelet, \$73.00 earrings, \$49.00 necklace. [www.metalartsgroup.com](http://www.metalartsgroup.com)

## Simplicity Deluxe SideWinder

Wind bobbins without unthreading your sewing machine with this compact, easy-to-use bobbin winder. The Deluxe SideWinder can be used with many different sizes of thread spools, and has interchangeable spindles for use with bobbins for all makes and models of sewing machines. Tension is controlled to accommodate a variety of thread weights. Retail price: \$99.99. [www.simplicity.com](http://www.simplicity.com)

## Aunt Philly's Toothbrush Tool

Need a way to reduce your stash? Make rugs! Using Aunt Philly's plastic tool, you can "weave" a rug using a simple stitch that resembles a blanket stitch. Tear fabric into 2"-wide strips, and follow the instructions to make rugs, hot pads, chair pads, and coasters. Retail prices: Toothbrush Tool \$3.00, Patterns including complete technique instructions \$9.00 each. [www.auntphillys.com](http://www.auntphillys.com)
