

Dear Resident,

The City of Hoisington fee structure for the Hoisington Municipal Swimming Pool changed prior to the 2010 season. For all residential utility customers, a \$1.00 monthly charge was added to the utility bills beginning in January of 2010. This monthly charge will allow you and your family members residing at your residence free admittance into the swimming pool. You will not need to purchase a season pass or pay the daily admittance charge to enjoy the City of Hoisington Municipal Swimming Pool. Simply complete the form below and return it to City Hall by May 1. We must have the pool admittance form returned to City Hall before you and your family can use the pool without additional admission charges.

This monthly fee will allow you to obtain four guest passes during the summer months. If you anticipate family members or friends visiting you over the pool season, you may request up to four passes for the season. Be advised that your four guest passes may not be transferred or changed.

This monthly fee does not cover all activities sponsored by the Hoisington Municipal Swimming Pool. The cost of swimming lessons, pool parties and water aerobics are not included with the monthly fee. Please contact the pool manager for the fee structure for pool parties.

We hope you enjoy the Hoisington Municipal Swimming Pool this summer. If you have any questions, please call City Hall at 620-653-4125 and we will be glad to assist you.
