### *Saturday Sampler Guidelines*

I must attend at my registered time. It is always the third Saturday of the month and the Friday prior to the third Saturday. \_\_\_\_\_

I must bring in my completed block to the following month's session and I'll get the next kit FREE! I must sew my completed block. It cannot be pinned, basted, glued or stapled! \_\_\_\_\_

If I can't come to the session, I may pre-pay that month's block for \$10 and SLH will save it for me. SLH will only save pre-paid blocks. \_\_\_\_\_

If I arrive late (even if it is a minute!) or don't have my previous month's block completed, my hand will not be stamped, but I may still attend the session and receive the specials. I may then pick up my block kit for \$10.  
\_\_\_\_\_

I can not bring friends or children who are not participating in the Saturday Sampler program. \_\_\_\_\_

To get my FREE kit, I must personally attend and stay for the entire session, have my block completed and show up on time. \_\_\_\_\_

This is a demonstration BOM program, not a class. The usual class discount of 15% does not apply. Special sale pricing is for participants only. \_\_\_\_\_

I understand the following requirements to participate in the 2013 Saturday Sampler Program and I promise to respect the guidelines and not beg for exceptions. I understand that in order for this to be FUN, SLH must be FIRM. I understand that my cute, pouty face will not enable me to bend the rules.
