

PUBLIC UTILITY NOTIFICATION

Utah State Code 54-3-27(5) A subdivision plat that includes a public utility easement may not be approved by a county or municipality unless the subdivider has provided the county or municipality proof that the subdivider has, as a courtesy, previously notified each public utility that is anticipated to provide service to the subdivision.

Said Subdivider, _____ does hereby certify that all the public utilities were notified for the following proposed subdivision _____.

Developer

Date
