Issue #1462

The new year is in full swing here at KTQ with retreats galore - from St. Augustine, Florida with Pam Buda last month to right here at the KT studio and a March retreat in Salina with Jenny Doan of Missouri Star Quilt Co (see ktquilts.com for details.) In addition, I'm travelling all over the state, it seems, visiting local guilds for programs and workshops, beginning with Hutchinson, KS later this month, then Lawrence KS and Ponca City, OK in April. I have so many quilts to share (some are a sneak peek from the new book coming out later this spring). I hope to see you soon,

Lynne

Tokens of Friendship

Create any size quilt you desire - wall quilt, lap or king size by adding pieced and appliqued borders around and around a center of four scrappy baskets. Add hearts instead of applique for a romantic touch or piece a row of stars to grace your table. Our layered patchwork method makes the piecing easy while clever use of assorted tan backgrounds frames the blocks.

Available March 2014. Booklet Retail: \$10.95
