City Office 30 West 100 South Salem, Utah 84653 801-423-2770 [www.salemcity.org](http://www.salemcity.org) August 2015

We're excited this year to have President Matthew S Holland of UVU as our speaker for the Salem Day's Family Fireside; and for the opportunity to hear from him.

To express our appreciation to President Holland, and in keeping with the tradition of Salem giving back to the community, we invite citizens of Salem to join with us in supporting UVU's Autism Initiative. This initiative will enable UVU to become the regional hub for autism education. A donation box will be available at the Salem Day's Family Fireside, or you can go online to: [supportuvu.org/autism](http://supportuvu.org/autism).

Spanish Fork/Salem Area Chamber of Commerce

### Farmer's Market

Saturdays  
July—November

8 a.m. to 1 p.m.  
Center St. Spanish Fork

### GREEN WATSE

The operating hours for the green waste area at  
751 W. Arrowhead Trail are:  
Mondays: 4:00—6:00 p.m.  
Wednesdays: 4:00—6:00 p.m.  
Saturdays: 10:00 a.m.—4:00 p.m.

This service is for Salem residents only, a city bill or a driver license with a Salem address on it is required to dump.

### WATER RESTRICTIONS

We still have a couple of months left before the pressurized irrigation water is turned off so we still need to conserve. **REMEMBER there is no watering from 10:00 a.m. to 6:00 p.m. and No watering at all on Tuesdays and Fridays.** Please help us conserve so we don't have to implement further restrictions.

Salem City's Stormwater Management Plan includes a program to eliminate illicit discharges, but we need your help. Learn to spot common warning signs and please, report illicit discharges.

#### Helpful Definitions

*Illicit Discharge* Any discharge (or seepage) to the separate storm water drainage system that is not composed entirely of stormwater or uncontaminated groundwater.

*Illicit Connection* Any physical connection to a separate storm water drainage system that primarily conveys illicit discharges into the system and/or is not authorized or permitted by the local authority ( where a local authority requires such).

*Point Source* An outfall from a drainage system to waters of the state, or a point where a storm water drainage system discharges into a system operated by another public body.

*Storm Water Runoff* Rain or snowmelt that falls on impervious surfaces can pick up contaminants as it travels to natural or artificial drainage systems or water bodies.

We're still challenging everyone in Salem to join our Salem Reads Program, read the book, *Wonder* and to remember that, "when given the choice between being right or being kind, **chose kind**. *Wonder* is the perfect book to share with your family members at the beginning of the school year to encourage respect and kindness. You can start conversations about first impressions, beginning something new, getting to know someone, and adapting to a new school, new home, or new sibling.

**Ask a librarian how to get started in our 1,000 Books Before Kindergarten program starting August 1<sup>st</sup>!**

**Sharing books and stories is important to your child's brain development.**

### Senior Spotlight

NaDean Sheen is a spry 92-year-old. She was born June 16, 1923 in Springville at her Grandmother's home. Her parents, Reed and Cathrine Hansen, lived in Palmyra. She grew up there on the family farm. She learned to work helping her dad on the farm. She helped with the haying, and thinning, topping and weeding beets. She was the oldest of four children. She has two sisters, Beverly Davis who lived in Salem, Evelyn Fugate lives in St. George, and a brother Jay Reed Hansen, Mapleton. When they all got married they would go on a vacation every year together with their families.

She attended schools in Spanish Fork. She was the queen of the Junior Prom. She met her husband, Ken, in high school. They were High School Sweethearts. Ken was from Salem, the son of Clarence and Kate Sheen. They were married on November 18, 1942 and lived in Salem. Ken passed away in April 2002. They raised three boys and one girl. David and Laraine Sheen, Orem; Jack and Barbara Sheen, Salem; Annette (Dale – deceased) Morrison, Salem; Robert and Julie Sheen, Lehi. They have 20 grandchildren and 38 great grandchildren.

Shortly after they were married Ken enlisted in the Air Force as a mechanic. This was during WWII. After returning from the war, they moved to Henderson, Nevada where he worked as a painter. In 1953 they moved to Spanish Fork. He worked at Geneva as a painter. Then he went to work at a body shop in Payson. In 1966 he opened Ken's Auto Body Shop on Center and Main in Spanish Fork. Her son, Jack, still runs the business. They built a home in Salem and moved into it in December 1977. NaDean, along with her daughter Annette, still lives there. Jack lives next door to them.

During her high school years she worked at Del Monte Cannery for the summer. While Ken was in the war, she was the Librarian at Spanish Fork High School. In the 1970s she worked at the County Court House during tax season. Most of all she enjoyed being home with her children. The Clarence Sheen family was honored during Salem Days as Family of the Year in 1983. Ken and NaDean were proud to be a part of this family.

NaDean likes to do embroidery work. She has embroidered on several sets of tea towels, dish towels, pillow cases, table cloths and quilt blocks. She also likes to read. When Ken was alive they were avid campers and loved to travel. She loves chocolate ice cream. Her daughter, Annette, said "They were wonderful parents and the grandkids love them. They spoiled us all."

When NaDean was asked what she likes most about Salem she responded the environment, the mountains, the peacefulness and the people. And—NaDean, we enjoy you in our community.
