

For Months July 2015 – August 2015

NEWS FROM TOWN HALL

INFORMATION–WATER RESTRICTIONS: Water restrictions are still in effect. There is no outside water use allowed on Mondays. On the remaining days of the week outside water can be used only between the hours of 5:00 a.m. and 11:00 a.m. in the morning and 5:00 p.m. and 11:00 p.m. in the evening. No water is to be used outside during other hours. If you have someone else taking care of your yard please notify them of the watering restrictions. Call the Town Hall with any questions 655-2232.

Please conserve water usually watering 20 minutes in one area is sufficient for grass, shrubs, and trees. Water is a precious resource; use it wisely! Thank you.

REMINDER- Contact Information: If you have changed or added a phone number or email address, please notify the Town Hall at 655-2232 so we know how to reach I case of need.

REMINDER – YARD MAINTENANCE – OVERGROWTH: With the extra moisture, grass and weeds grow fast. Please keep your yard mowed and any weeds cut down. Property owners are also responsible for taking care of overgrowth to the shoulder of the road, ditch area, and ½ the width of the alley way that touches your property line.

This maintenance is required under Ordinance 2006-6 Section 10-1-2 (r): “Permitting to grow or remain declared nuisance; Every person being the owner, occupant, tenant or in control of any lot or parcel of land within the Town, who permits or allows the growth, decay or presence of thistles, weeds, or other waste vegetation in excess of eight (8) inches in height on any premises, or alleys, sidewalk and parking areas appurtenant to the property, is guilty of creating, continuing and suffering a nuisance to exist”.

Property owners who do not maintain their yards will receive letters and will be cited into Municipal Court if they do not get the grass and weeds on their property under control within this timeframe laid out in the letter.

The wetter weather this year means that weeds will be going to seed earlier than usual, so it is especially important to keep them cut back in order to keep from spreading seeds to your neighbors’ properties. The Town does appreciate your help with this matter. Thank you.

REMINDER- Cleaning Ditch Areas: It is the responsibility of property owners to keep the ditches along their property clear of weeds and debris.
