

For Months May 2014 – June 2014

NEWS FROM TOWN HALL

INFORMATION – WATER QUALITY REPORT- CCR: The annual Water Quality Report is available now. Please stop by the Town Hall and pick up your copy, if you have not received it.

REMINDER – Tree Trimming: Please do not trim any trees that are located on Town right-of-way. If you are aware of a problem with a Town tree, please fill out a tree request form at the Town Hall. The request will be given to the Tree Board for consideration.

REMINDER- Ditch Water: We are beginning to get ditch water flowing through the town. Please do not use (divert) the water, so that it can reach the end of town and water the trees. If you wish to use ditch water please call the Town Hall at 655-2232.

REMINDER – Town Dump: The new date that town residents can take leaves or small branches/twigs to the old dump is on Thursday at 1:00 p.m. When taking branches please make sure to not take any branches larger than 4 inches in diameter. Please contact the Town Hall at 655-2232 to be placed on the list.
