FOR THE LOVE OF SEWING

Presenting the Endurance II

Take your creative journey to the next level with the Baby Lock Endurance II. Six speedy needles work together to provide an efficient embroidery experience. Plus, the Endurance II makes quick auto-adjustments with smart features powered by Baby Lock IQ Technology™. You'll have a hassle-free embroidery experience for all types of projects. It's great for anyone looking to embroider larger designs, take on more projects, or even start a business. The Baby Lock Endurance II will keep you going strong on your creative endeavors.

For the love of sewing.

IQ Baby Lock IQ Technology is what makes Baby Lock machines so smart and efficient. IQ Technology works with the "brain" of your machine to help achieve exactly what you desire.

Endurance II Key Embroidery Features and Specifications

Six Efficient Needles
With six needles, you'll love how quickly you can embroider large, multi-colored designs. And if you own a business, you can finish projects without excessive thread changes between jobs.

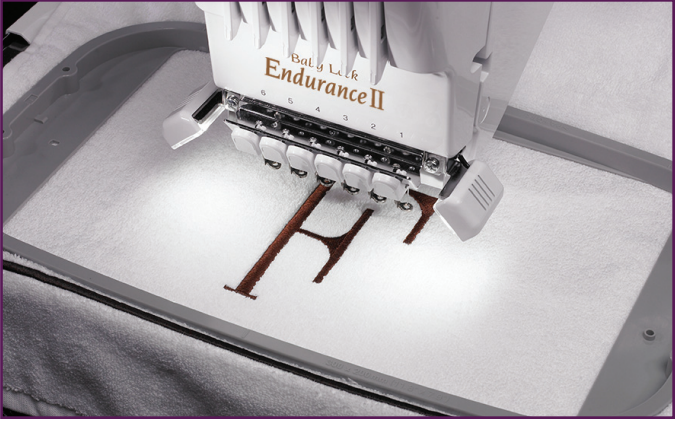

Needle Beam for Embroidery
The Needle Beam highlights your needle position so you know exactly where embroidery will start. Your embroidery will be perfectly placed every time.

TruView™ ASV© LCD Touch Screen in HD
This high-definition TruView ASV LCD Touch Screen brings your embroidery designs to life. It displays over 16 million colors so every image is vivid and bold. Plus, large touch screen buttons help with quickly editing designs and accessing machine settings.

Endurance II Key Features

On-Screen Editing Capabilities
With on-screen editing at your fingertips, you can make quick changes to designs and start embroidering right away. Drag and drop designs on the LCD screen and make instant changes. Combine, reposition, rotate, and mirror designs to customize every project.

33 Built-in Fonts
The Endurance II comes with a variety of built-in fonts to help make every project unique. The 33 built-in fonts include a Large Floral Alphabet, Greek Letters, and 3 Monogram Fonts. Now you can give every project a distinct look.

Convenient Bobbin System
This front-loading bobbin system with a vertical hook makes bobbin changes a cinch. You never have to remove your embroidery hoop.

Embroider at 1,000 SPM
Embrace larger, multi-colored designs and watch them stitch in no time! The Endurance II works at up to 1,000 stitches per minute.

4 Hoops Included
For most embroiderers, owning one hoop will simply not do. To help you get every job done, the Baby Lock Endurance II comes with four embroidery hoops:
– 7-7/8" x 11-3/4" (200mm x 300mm)
– 5-1/8" x 7-1/8" (130mm x 180mm)
– 4" x 4" (100mm x 100mm)
– 1-1/2" x 2-3/8" (40mm x 60mm)

3 USB Drives (2 Type A, 1 Type B)
Use USB connectivity to quickly import designs to your machine from a computer or flash drive.

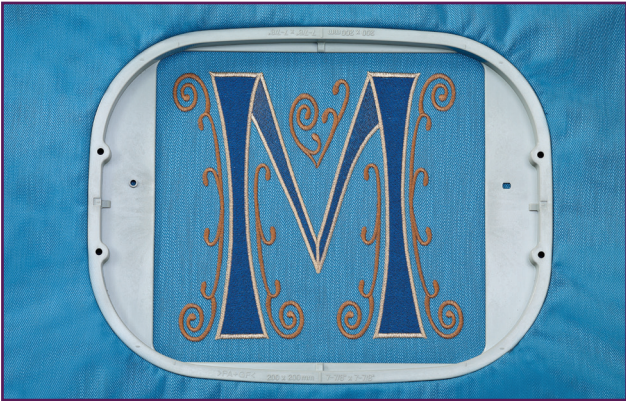

Optional Accessories

4", 5", and 6" Round Hoop Set
This set creates the utmost stability on any material – perfect for tricky, detailed areas or pre-construction garments. They're also the ideal shape for round patch designs. Kit contains three hoops and a frame border.

Continuous Border Hoop - 4" x 11-3/4"
Continuous designs are made easier because this frame is designed to handle length and ease of fabric during re-hooping. Use with the optional Extension Table for the most support.

Quilt Hoop - 8" x 8"
This frame was designed with quilt blocks in mind to create support and stability.

Cutwork Upgrade
Quickly and easily create gorgeous cutwork embroidery with your multi-needle machine. User-friendly instructions, tutorial videos, four special cutwork needles and 30 designs help you get started. When you're ready for more, this will upgrade your Palette software to version 9.3 to create your own cutwork designs!

Gold Standard
Focus solely on your business or your art, instead of worrying about machine maintenance. The optional Gold Standard Comprehensive Care Program is Baby Lock's promise that allows you to embroider ambitiously with comfort and ease. With the Gold Standard Comprehensive Care Program, you'll find unparalleled service and support for your machine for three years, no matter how many stitches you embroider.

Palette 9 Embroidery Software Command Center
Combined with the Endurance II, the optional Palette 9 becomes the command center for your embroidery projects and provides the ability to link up to four Baby Lock multi-needle machines. Productivity and large volume projects are now easily handled with this software. Each machine linked through Palette 9 can embroider the same or different designs. Managing production has never been easier!
