New birds include a green Budgie and a Halloween Crow. They sent a couple of Easter bunnies, one chocolate. New kits from **UNIQUE NEW ZEALAND** - Birth and wedding announcement Kits and a God Bless My Dog kit.

CHRISTMAS FINISHING DEADLINES ARE LOOMING! One of our finishers, who does mostly 3D pieces, has a deadline of mid September. We will need these items by September 3, 2013.

OTHER CHRISTMAS DEADLINES TO FOLLOW.

Alas, we say goodbye to **LAURA HAZLETT** who got a job out of town. Laura lent her youth, enthusiasm, as well as her art expertise to the customers. Natalie thanks her also for her computer expertise. At least we got the newsletter and Facebook site up. **BEST OF LUCK AND THANKS, LAURA!**
