BORDERS

A beautiful border can add so much to your quilt. Sometimes a simple frame is appropriate, but more often a stunning border can enhance, balance and add interest to the piece. There are literally hundreds of border options both pieced and appliquéd. In this 5 week session we will learn how to make several new borders making a 36" wide strip of each. These can then be pieced together to make a lap quilt as shown in the class sample, or they can be modified to fit your own projects.

SUPPLIES

Freezer Paper

Pencils

Ruler-Rotary cutter and mat

Paper Scissors

Sewing machine and usual basic sewing supplies

FABRIC:

Enough dark colored fabrics to equal 1 yard

Enough light colored fabrics to equal 1 yard

IDEA: Bring enough scrap fabric for your borders and to share/trade with others in the class for a real scrappy look.
