

## Log Roll

If using a directional border print

- Cut (2) strips 6 ½" by the length of the fabric for all three sizes

After cutting the (2) 6 ½" by the length of the fabric, cut the following for the correct size:

Cutting for 12 Blocks

- Cut (4) 6 ½" strips – Sew 2 strips together for the top and bottom borders and cut to the correct length. Repeat for the other 2 strips.

Cutting for 20 Blocks

- Cut (5) 6 ½" strips – Sew all 5 strips together for the top and bottom borders and cut to the correct length.

Cutting for 42 Blocks

- Cut (6) 6 ½" strips – Sew 3 strips together for the top and bottom borders and cut to the correct length. Repeat for the other 3 strips.
