Sixteen 4.5" Squares

Thirty 3.5" Squares

Ninety-nine 2" Squares

You know you are a Quilter if....

There's more fabric in the house than food

"Fat Quarters" are not the heaviest part of your body

Your ironing board is always set up, but you never iron clothes

You pet fabric

People are always picking threads off of you

You can measure a scant 1/4 by eye

"Featherweight" doesn't mean boxer

Your "UFOs" are not from outer space

You clean up your sewing room and they think you are leaving

You have a "stash" and it isn't illegal.

Painting Tips

Who knew you could use those old quilting tools when you are painting??? What a neat idea to make sure all of your dotted lines are perfect!!! Plus it makes a really cute border on painted cards and such!

Oppppsssss did you leave paint in a brush and forget about??? Just work in some Murphy's Oil Soap and let set a bit, and then wash out like normal! Presto, a restored brush!
