#### Mini Apple Strudel

##### Ingredients

- 1-1/2 cups chopped peeled tart apples
- 2 tablespoons plus 2 teaspoons sugar
- 2 tablespoons chopped walnuts
- 1 tablespoon all-purpose flour
- 1/4 teaspoon ground cinnamon
- 6 sheets phyllo dough (14 inches x 9 inches)
- Butter-flavored cooking spray
- Confectioners' sugar, optional

##### Directions

1. In a small bowl, combine the apples, sugar, walnuts, flour and cinnamon. Set aside.
2. Place one sheet of phyllo dough on a work surface (keep remaining dough covered with plastic wrap and a damp towel to prevent it from drying out). Spray with butter-flavored spray.
3. Fold in half widthwise; spray again with butter-flavored spray. Spoon a scant 1/3 cup filling onto phyllo about 2 in. from a short side. Fold side and edges over filling and roll up. Place seam side down on a baking sheet coated with cooking spray. Repeat.
4. With a sharp knife, cut diagonal slits in tops of strudels. Spray strudels with butter-flavored spray. Bake at 350° for 20-22 minutes or until golden brown. Sprinkle with confectioners' sugar if desired. Yield: 6 servings.

## Quilting Tips

I keep some alcohol prep pads in my sewing box and some in a drawer by my sewing machine. They're great if you jab yourself with a needle. You can also use them to clean your needle when it gets sticky from fusibles or glue.

I use pencil grips to protect the points of my small pointed scissors. They also help prevent poking and cutting fingers.

Save leftover paper-backed fusible web in a large zipper storage bag. Cut a piece of card stock about the size of the bag and slip in the pieces of fusible web on top. The card stock keeps it flat and ready to use.

When cutting out several blocks at one time for a quilting class, keep track of them by placing each block on a paper plate, stacking as you go. This will make transport easy! Write your list of cuts on a dry erase board. Erase as you go in order to make staying on track easier.

Use parchment paper as an applique pressing sheet
