March 2015

A Note from Sheryll

All,

What's new at the shop???? Starting this week we will have a new wall! I will be painting the wall at the end of the hall with chalkboard paint, and here is what you get to do. When you come in you will write your name on the "I was at Creative Hands" wall with chalk, then on the last day of each month I will pick a random winner of a prize! I will circle your name on the wall and when you come in next time, check to see if you were our winner!

Check out the new Spring colors:

Check out the beautiful prints:

Do you pop you seams????

When you make a four patch that is! This is a neat little trick that will help your seams lay flatter & your quilter will appreciate it! This will reduce the bulk!

Painting Corner

Because acrylics dry so fast, squeeze only a little paint out of a tube at a time. If you're using a 'normal' plastic [palette](#) invest in a spray bottle so you can spray a fine mist over the paint regularly to keep it moist, and thus usable.
