A Note from Sheryll

All,

I hope you are enjoying the cooler weather! I know I am! It has been nice being able to open the windows and air the house out! I am doing really well! Started cardiac rehab (phew, that will wear you out)! Been having a little trouble with my leg but otherwise coming along nicely! I will start coming into the shop a couple of days a week next week!!! I was hoping to get this newsletter out on time but alas I am several days late. Hope to do better next month!

Please please let us know if you will NOT be able to do Gemstone BOM. We will start cutting the kits next week and do not want to cut yours if you will NOT be able to make it!

There are lots of new classes listed this month so make sure to check them all out!

Would you be interested in making a tuffet?? Yes, just like what Miss Muffet sat on! They can be made scrappy like the one pictured or with specific colors (like school colors, or to match your bedroom). Just give us a call at the shop 816-331-1992 if you are interested so that we can plan a class! It would be before Christmas so that you could give it as a gift if you wanted to! It will measure approximately 18in in diameter and be 10-12 inches tall.

A huge thank you to Leona, Cheryl, Janet & Anita for running the shop while I have been at home recuperating! You Ladies deserve a standing ovation! Love you all! A huge thank you to everyone for all of the prayers, cards & well wishes!

Thank You! *Thank You* *Thank You*

Don't forget to check out the coupon on the last page of the newsletter!

Happy quilting & painting!

Sheryll
