## A Note from Sheryll

All,

Can you smell the beginning the Fall in the air??? I think you can! Ok, maybe not quite yet but it will be here soon! To help you get in the mood we will have fall & Halloween fabric on sale this month – just check the weekly sales listed at the bottom of the last page of the newsletter.

We will be having a Customer Appreciation Night on September 26<sup>th</sup>! 5:30pm to 9:00pm. What does this mean??? Well, Tastefully Simple will be providing munchies for us! We will be playing bunko and all of the prizes will be quilty items from here at the shop! There will be door prize drawings every 30 minutes, so even if you do not want to play bunko stop by and get your ticket to win a door prize! This is just my way of saying THANK YOU for making the last 2 years and 10 months the most rewarding of my life! We will also have special sales the week of the 23<sup>rd</sup> to help celebrate!

Check out some of the bargello quilts that were made at our recent Twist & Turn bargello class! Awesome job ladies!

Don't forget to check out the sales on the last page of the newsletter!  
Happy quilting & painting!

*Sheryll*

## Favorite Recipes

### Baked Apples

Original recipe makes 12 servings

6 apples - peeled, cored and sliced  
1/2 cup white sugar  
3 tablespoons all-purpose flour  
1/2 teaspoon ground cinnamon  
1/2 teaspoon ground nutmeg  
1/4 teaspoon ground cloves  
1/2 cup raisins  
1/2 cup chopped walnuts  
1/2 cup whole milk

1. Preheat oven to 350 degrees F (175 degrees C). Grease a 2 quart casserole dish, or coat with non-stick cooking spray.
2. Place apples in a large bowl. In a small bowl, mix together sugar, flour, cinnamon, nutmeg and cloves. Stir spice mixture into apples until evenly distributed. Fold in raisins and walnuts. Spoon into prepared dish. Pour milk evenly over apple mixture.
3. Bake in preheated oven for 45 to 60 minutes, or until soft and bubbly. Allow to cool slightly before serving.

## Painting Tips Gels & Mediums

### Product Description

Gels and Mediums range in thickness from watery to paste-like consistencies and allow artists to manipulate their acrylic paint systems. Even though acrylic colors are offered in various different consistencies and finishes, the use of gels and mediums in conjunction with such colors broadens the working properties and expands on the possible results. *Altering Consistency, Altering Sheen, Gluing/Laminating, Transparency, Adding Texture.*

### Use as a Glue:

Gels and mediums are also frequently used as a glue for collaging materials together. This technique is valuable when collaging any materials that water-based acrylics have no difficulty bonding with. Certain materials, such as glass and certain metals and plastics, should be avoided. The Gloss products are usually preferred for this purpose, since they offer the greatest transparency; however, the other sheens work just as well as a glue. Generally, we recommend the Soft Gel Gloss for this purpose, although the choice of medium or gel can be as exacting as the artist wishes.

### Controlling Sheen:

The gels and mediums offer a variety of reflectance properties (Matte, Semi-Gloss and Gloss), enabling artists to control sheen in their artwork by blending the appropriate gel or medium with acrylic paints. The typical higher gloss of Heavy Body or Fluid Acrylics can be reduced by adding any of the matte gels or mediums. Similarly, to increase gloss of Matte or High Load Acrylics, the addition of a gloss gel or medium will prove effective. More subtle modifications can be created using the semi-gloss products, or a combination of a matte and gloss gel or medium.
