

Orange denim shake-out bags with top fill bellows are available. Model CR5128Z.

**Durable all-metal construction**

Powerful 10 amp, direct air motor with double row ball bearing brush with stiffener for deep down cleaning power

Infinite screw-adjustment height settings for all types of carpet

14" cleaning path cleans more area in less time

High filtration outer bag system with HEPA-type paper bag traps 99.9% of dust and pollens as small as 1 micron, leaving only clean air behind. Dust bags are also available in Standard, Royal-Aire® and HEPA material.

Adjust-O-Rite button identifies proper nozzle setting, helping you achieve maximum airflow and brush agitation.

Commercial urethane wheels for easy maneuverability

50' 3-wire power cord for cleaning large rooms or hallways

2 year limited commercial. Lifetime warranty on nozzle, fan case and motor housing.

Optional metal (M305G) attachment kit with: hose, hose connector adapter, upper and lower wands, crevice tool, round dusting brush, floor and wall brush and upholstery tool. Tools attach quickly and easily to the front of the nozzle.

Optional carpet pile lifter brush

\*Also available with orange denim shake-out bag
