

Kenmore Bagged Extra-Suction Vacuum Cleaner

The Kenmore canister vacuum cleaner has strong, steady suction that you can adjust for floors or fabrics such as drapes. The 360-degree swivel hose lets you maneuver easily without tangles.

- Steady, strong suction
- Motor speed dial easily adjusts suction setting, for use on floors or fabrics
- Easy-to-access accessory storage
- 360-degree hose swivel action for flexible, tangle-free cleaning
- Convenient, foot-activated on/off switch
- Convenient Bin Full indicator alerts you when the bin is full or an obstruction is decreasing suction power
- At just 14 lbs, it's easy to carry and store.
- Additional cleaning accessories are stored on the canister, for easy use
- Crevice tool and dusting brush are included
