

Kenmore Canister Vacuum

The Kenmore Canister Vacuum is a lightweight, bagless vacuum that offers powerful cleaning of bare floors and carpets. The unique multi-angled nozzle and edge grabber make it easy to clean every nook and cranny of your home. The HEPA Media Filter captures small particles such as allergens, irritants and pollutants.

Multi-angled Floor Nozzle allows you to easily clean dirt and dust from tight spaces.

The Edge Grabber cleans floors and carpeting all the way to the baseboards.

HEPA Media Filter captures small particles such as allergens, irritants and pollutants.

360-Degree Hose Swivel allows for cleaning in every direction without the hose getting twisted or tangled.

Telescopic Wand allows for extended reach when doing above floor cleaning.

Attachments— Dusting brush/crevice tool combo.

Automatic Cord Reel wraps the cord for convenient storage.
