

Kenmore Canister Vacuum Cleaner

The Kenmore Canister Vacuum is a lightweight vacuum cleaner that offers powerful carpet cleaning. The fingertip controls and on-board tools, including the Pet HandiMate air turbine, make cleaning your entire home more convenient.

- **Electronic Performance Indicator** notifies you when either bag is full or to check for clogs.
- Pet Handi Mate pet hair tool features an air turbine that **picks up pet hair** from furniture, stairs and other surfaces
- Lighted PowerMate Nozzle **illuminates dark areas** to help you see what needs cleaning and to avoid items that you don't want to vacuum up
- Stair Grip has a unique design that keeps the vacuum upright for **worry-free stair cleaning**
- **6-foot hose** allows for easy above-floor cleaning
- **Attachments:** Crevice tool, combination upholstery tool and dust brush made of horse hair, bare floor tool, and Pet HandiMate.
