

Kenmore Intuition Canister Vacuum Cleaner, Blue

The Kenmore Intuition canister vacuum cleans carpet and bare floors, thanks to its hybrid power nozzle with a removable bare floor brush. It provides sustained power to clean, even as the bag fills with dirt. Fingertip electronic controls make cleaning easier and more convenient.

- **Rated #1** by a leading consumer magazine
- Two-motor system provides **optimum carpet and bare floor cleaning**, with one motor for suction and another that powers the agitator brush. Built-in bare floor nozzle detaches so you can **clean all floor surfaces** without bending
- Motorized Pet PowerMate and the Pet Hair Tool **pick up the most stubborn pet hair** from furniture, stairs and other surfaces
- True HEPA cloth dust bag **captures 99.97% of particles** up to 0.3 microns size
- Infrared dirt sensor helps you find and **remove embedded dirt**
- Swivel nozzle **increases maneuverability**
- **Light on the wand** illuminates dark areas to help you see what needs cleaning and to avoid items that you don't want to vacuum up
- Electronic control pad handle puts **settings and indicators at your fingertips**
- **Variable speed control** adjust for all your cleaning needs
- **Quick release and deluxe tools** are onboard to make above-floor cleaning a snap
- **Telescoping wand** and **8-foot hose** reach ceiling fans, corners and high places
- Quiet Guard 2 provides sound insulation for **quieter vacuuming**
- Stair Grip keeps vacuum upright for **worry-free stair cleaning**
- Evo-compatibility connects to the wand for **powerful, lightweight cleaning** in every room (especially rooms on the second floor)

Attachments include a ceiling fan tool, crevice tool, horse hair dusting brush
