

Kenmore Progressive Glide Upright Vacuum Cleaner

The Kenmore Progressive Glide upright vacuum cleaner combines heavy-duty cleaning and lightweight maneuverability into a single stylish upright.

- **Ultra lightweight** — 12.9 lbs — makes the Glide effortless to use, carry and put away
- **SWIVEL+ STEERING SYSTEM™** makes it easy to avoid obstacles and furniture
- **Electronic Dirt Sensor** alerts you to the dirt that you can't see
- **Foot-activated height adjust** sets the vacuum at the perfect height to clean your carpet
- **Fingertip Control** allows you to clean multiple surfaces with the touch of a finger
- **Optimum Carpet and Bare Floor** cleaning is delivered by a 2-motor system.
- Vacuum contains recyclable plastic, uses 100% recyclable packaging, and uses 17% less energy than a 12 amp vacuum.
