VERSATILE

\*All specs are based on motor specs.

ROBUST

**Restaurant Kit for ProVac BP and ProVac CN Includes:** Two-Piece Aluminum Wand, 14" Hard Floor Tool with Nylon Brush, 14" Carpet Tool with Scallops, 5" Upholstery Tool, 3" Dust Brush, 11" Crevice Tool, 10 pack of Intercept Micro Filters, and extra cloth filter.

## Advantages

Exclusive 5 year motor warranty (when purchased with a Restaurant Kit) provides complete confidence and peace-of-mind performance.

Organically treated Intercept Micro Filters, along with our Four Level Filtration system, are up to 99.9% efficient at capturing dust mites, pollen, bacteria and other particles measuring 1 micron and larger.

Tough quality construction allows cloth & foam filters, tools, hoses, wands and twist caps to be cleaned in the dishwasher.

Integrated tool belt on the ProVac BP keeps accessory tools within your grasp. On the ProVac CN tools and accessories are kept close at hand in the on-board tool dock.

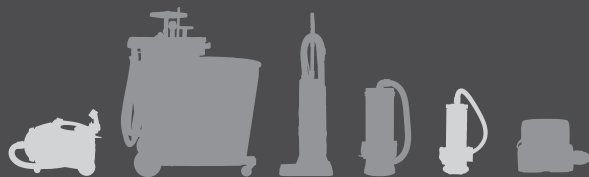

With a filter capacity four times the size of standard uprights, the ProVac CN provides maximum cleaning ability.

The ProVac CN has earned the Gold Seal of Approval/Green Label and the ProVac BP has earned the Bronze Seal of Approval/Green Label from the Carpet and Rug Institute (CRI), signifying the vacuum system meets higher standards for carpet cleaning effectiveness and indoor air quality.

Meets the requirements of the U.S. Green Building Council's LEED rating system for Green Cleaning – Sustainable Cleaning Equipment.
