

Tempo™ WidePath® Bagged Upright Model # U5140900

Quickly clean large rooms using less passes with a powerful 15" Widepath nozzle and get your floors truly clean at a practical price.

Features:

- **Bag made with Allergen Media** - Media filters and traps 99% of dust and pollens down to 5 microns
- **Fabulous Filtration** - air passes through rinsable filters after leaving the bag and before it leaves the vacuum, so you can breathe easy
- **Widepath Cleaning** - 15" cleaner width gets the job done quickly
- **25' Power Cord** - plenty of cord to vacuum larger rooms
- **3 Position Carpet Height Adjustment** - adjust as needed to clean all flooring types easily and efficiently
- **Powerful 12-amp motor** - provides superior cleaning performance
- **Limited 1-year warranty**

On-Board Tools:

- **2 Extension Wands** - lock together to extend reach of the hose
- **Crevice Tool** - helps clean nooks and crannies
- **Upholstery Tool** - helps get furniture clean
- **Dusting Brush** - for molding, shelving, lampshades and more
