

Class Name: Quilting with Your Embroidery Machine

Instructor: Karen Hodge

Supplies Needed:

- Embroidery machine and module and the largest embroidery hoops you have. Don't forget your power cord, slide-on tray if needed, embroidery foot (i.e. #26 for Bernina machines)
- Line quilting design of your choice and several are available from a variety of digitizers. For the class model, I used "Classic Line Quilting" from Embroidery Online which has choices for circles, feathers, or flourishes.
- 2 yards muslin and 1 yard thin cotton batting, such as Quilters Dream Cotton Select or Request. You can use 505 spray to baste your layers together. I also stay stitch the edges with a zig-zag or straight stitch
- Light weight tear-away stabilizer for hooping
- Embroidery machine needles – size 90/14 (I use Organ Titanium Embroidery Needles)
- Aurifil or Isacord thread in the color you want for line quilting
- Scissors for snipping thread
- 505 Basting Spray (if you wait until class to prepare your sandwich.)
- Rotary cutter and ruler (if you wait until class to prepare your sandwich.)

Optional but helpful supplies:

- Walking foot for your sewing machine for stay-stitching your quilt sandwich

Cancellation Policy: We must commit to our teachers and to other students one week before the class begins so we can't give refunds or transfers after that time (unless we can fill your spot from the waiting list). You are welcome to send someone in your place if you are unable to come. If enrollment has not met the minimum required for the class, we will cancel it one week before the first session. We love your kids but your fellow students left theirs at home and hope you will too.

Dates: 2 sessions

3/7 & 3/21 10:30 am – 1:30 pm OR 4/19 & 5/3 6-9pm
