

The First Name in Vacuums That Last™

Features Overview

While beautiful on a beach, in your home sand is notorious for scratching bare floors and damaging carpet. The Sand Trap by Riccar effortlessly removes sand from all of your flooring surfaces and captures everything neatly inside the HEPA filtration vacuum bag. Weighing in at only eight pounds and with two-speed settings, The Sand Trap quickly transitions from bare floors to carpets and even to stairs. So whether it's pulling sand that's settled into the grout of your tile floor or removing deeply embedded sand from your ultra-plush carpet, no vacuum is better equipped for the task than The Sand Trap.
