2-11-1: FINDINGS:

- A. Pursuant to Utah Code Annotated section [10-1-203\(5\)](#), the Town Council finds that the basic level of municipal services in the town does not include public transportation of any sort. This would include buses, shuttles or trams of any type.
- B. The Town Council further finds that the cost of providing such a shuttle service constitutes disproportionate costs which are caused by the increasing demand of retail business customers for these municipal services; and further finds that the disproportionate cost of the enhanced service is approximately eighty two thousand dollars (\$82,000.00) per year for public transportation services.
- C. The basic level of municipal snow removal services in the town are those snow removal services provided up until the 1995-1996 winter season, and entailed two (2) part time personnel, and one piece of snow removal equipment at a cost of thirty nine thousand dollars (\$39,000.00) as of fiscal year ending 1996. The Town Council further finds that the costs of providing the enhanced snow removal services contemplated herein constitute disproportionate costs caused by the increasing demand of retail business customers for these municipal services. (Ord. 97-007, 12-9-1997)
