 3. Youth Sports-Gary Syrett-We are needing a sponsorship for the youth sports in the community. Gary is proposing we look at paying the extra cost to keep this up. Right now all liability is on one person. Our insurance asked why we would want to be responsible for something we have no control over. We need to think on this for the next couple weeks and wait for our mayor to return and discuss this.
 4. Donation Request-Tropic Town Splash Pad. We received a letter from Tropic town requesting a donation for a splash pad at the park. The cost is \$35,000. They have received many donations, but are still short on funds. We will need to hold off on a vote for next meeting so it is advertised.
