  1. Fires Restrictions near Bryce Canyon City-Mayor David Tebbs, Jean Seiler and Shiloh Syrett met with County Commissioner Pollock and Sheriff Perkins about stopping the controlled burns in the county because the area is so dry. They are encouraging us to pass a state of emergency to stop the burning. Commissioner sent Mayor Tebbs a text saying that he has spoken with the governor and he is supportive of this. If we get a draft of the state of emergency we will convene and vote to pass this.  
Gary asked about lighting fire works for the 4th of July. He thought we should discuss that now so we are not doing it last minute. It was decided we wait until mid June and see if we get any moisture by then.
  2. Compensation Raise-David talking to David Church
  3. Beer License for Bryce Canyon Sinclair- We are talking to David Church about an application for Bryce Canyon City. We require an application under our ordinance to issue a beer license.
  4. Weight Room Supplies & Access. There was much discussion on how to provide access to the weights. The ambulance requires two locks. The door to the building is considered one lock and the ambulance has another. We cannot just provide access to everyone. There was discussion about caging in the weights.
