4. EMS Conference Donation-Mike Stevens would like to attend this conference. For the county to pay for it he needs a year of EMT service. He is just under a year. It will be \$310. We will vote on it in our next meeting.

5. General Plan

1. Capital Improvements

1. Roads- A street sign was knocked down by the South Central building. Shiloh will get it put back up.

1. Main Street Project-The ball is still rolling. UDOT had a meeting and came together with two options to send to us. The options are to remove signs at the car care and the second was to sell us the property and leave the signs and they would still charge us a lease payment. Very confusing.

Thanks Jean for all you do
