VISITORS: Alan Malan, Kelly Enquist, Brandon Barnedt, Eric Montaque, Bill Quick.

Called to Order:

Mayor Pro Tem Mark Preece called this meeting to order at 7:30 pm.

Invocation/Thought – James Bruhn gave an invocation

Pledge of Allegiance led by Dave Tovey

1. Accept Agenda

MOTION: Debbie McKean moved to accept the agenda.

SECOND: Dave Tovey seconded the Motion.

PASSED: Voting was as follows:
Mark Preece – Aye
James Bruhn – Aye
Dave Tovey – Aye
Debbie McKean – Aye

2. Public Comment

Alan Malan – Reminded council of the ham radio club field day this coming weekend and handed out a copy of the schedule to each member.

3. Consider Approval of Resolution 310-13, a Resolution Amending the Fiscal Year 2012-2013 Budget.

Heidi Voordeekers – The document in the packets is similar to the document that has been approved at prior meetings, however there are some additional budget modifications. The items in red had been discussed and approved at prior Council meetings and the items in blue show new changes which have not been approved yet. Modifications were made to include the donation for the emergency preparedness trailer, to true-up the engineering and public works salaries, and to put additional funds into the street budget because of the heavy winter 2012-2013.

MOTION: James Bruhn moved to approve Resolution 310-13 amending the fiscal year 2012-2013 budget.

SECOND: Debbie McKean seconded the Motion.
PASSED: The vote by roll call was as follows:
   Mark Preece – Aye
   James Bruhn – Aye
   Dave Tovey – Aye
   Debbie McKean – Aye

4. Consider Approval of Resolution 311-13, a Resolution Adopting the Fiscal Year 2013-2014 Budget and Certified Tax Rate of .001946.

Heidi Voordeckers – The City recently received the tax rates from Davis County and the budget has been updated to reflect this, otherwise all other figures are the same as was presented at the last council meeting. Heidi expanded the document to include some additional information and made the budget more readable for the public. This updated document has been posted on the City website.

MOTION: James Bruhn moved to approve Resolution 311-13 adopting the fiscal year 2013-2014 budget and certified tax rate of .001946.

SECOND: Dave Tovey seconded the Motion.

PASSED: Voting by roll call was as follows:
   Mark Preece – Aye
   James Bruhn – Aye
   Dave Tovey – Aye
   Debbie McKean – Aye

Heidi Voordeckers – The RFP for Computer and Network Services closed last month with three responses. There was one company, Executech LLC, that offered a fixed monthly rate for service as requested in the RFP document. Heidi and Chief Hixson met with Executech staff to review the proposal and learn more about some of the proposed changes to the existing network. The setup is simple, and the transition period while they set up will be about 30 hours. The portion of the contract related to the transition from the existing system has been set at a not-to-exceed amount of $3,000. The monthly fee includes off-site email hosting and back-up services. The company president, Eric Montague, and Lex Watterson were present and stated they propose 400 gigs of backup; cost per gig is $.50. Backup is done daily and there are 90 days for revisions and 90 days deletion protection. In the end they will have three backups – hard drive, internal server and offsite backup. Staff recommended approving the contract tonight subject to legal review by the City Attorney, who had some minor modifications regarding back ground check/finger printing requirements.

MOTION: Dave Tovey moved to approve the professional services agreement for computer and network services with Executech, subject to legal review.

SECOND: Debbie McKean seconded the Motion.

PASSED: Voting was as follows:
   Mark Preece – Aye
   James Bruhn – Aye
6. Consider Approval of Ordinance 352-13, an Ordinance Amending Section 2.16.10, City Officers, of the West Bountiful Municipal Code, Subsection D.1., Deputy Recorder.

Heidi Voordeackers – When implementing the position of Deputy Recorder last year, the position was part time. On July 1, Cathy will be full time, so the section of the Code prohibiting full time needs to be struck out. This will make the position open to being either full or part-time in the future.

MOTION: James Bruhn moved to approve Ordinance 352-13 amending Section 2.16.10, City Officers, of the West Bountiful Municipal Code, Subsection D.1., Deputy Recorder.

SECOND: Debbie McKean seconded the Motion.

PASSED: Voting was as follows:
- Mark Preece – Aye
- James Bruhn – Aye
- Dave Tovey – Aye
- Debbie McKean – Aye

7. Consider Approval of Change Order for the Golf Course Parking Lot Rebuild to Include Entry Fencing – Stapp Construction

Ben White – When planning the golf course parking lot, there were originally questions as to the amount of concrete that would be needed. The entrance to the parking lot will need rolling gates and stone columns. The money for the change order is already part of the contingency amount that was approved. They approached several contractors, including Stapp. They received two bids which were close, but there was concern whether the other company would be able to meet the required elevation. The staff recommends awarding the change order to Stapp Construction.

MOTION: Dave Tovey moved to approve a change order to include entry fencing for the golf course parking lot to Stapp Construction.

SECOND: Debbie McKean seconded the Motion.

PASSED: Voting by roll call was as follows:
- Mark Preece – Aye
- James Bruhn – Nay
- Dave Tovey – Aye
- Debbie McKean – Aye

8. Discussion on Cell Tower Site Lease and Letter of Intent Received From Capital Telecom, LLC.

Ben White – Two years ago the city approved a lease agreement for a cell tower on the 400 North water tank property. The lease agreement included two one-year options. The lease expired this June without the options being exercised. The city had inquiries regarding the site prior to the expiration of the option, which is why the current agreement was
allowed to expire. Last week, the City received a letter of intent from one of the interested parties, Capital Telecom. The proposed terms were similar to those of the T-Mobil agreement but the footprint would be five times larger, allowing for additional carriers. Ben and Heidi have reviewed the terms and are working on a counterproposal. Capital Telecom does not know yet if they will actually need such a large area.

The letter of intent stated rent would commence the first day of the month following commencement of construction of the tower, and James Bruhn suggested that is too open, so there was discussion as to when the rent should start and if the dollar amount was optional. Heidi Voordeekers said a new development is going in next to the tower area, so they will need to find out how high the tower will be and communicate that to Bountiful City.

Alan Malan said $250 is low for each additional carrier to utilize the tower, and suggested the rate should be $600. Another visitor, Bill Quick, had been in the business, and said he would call his former project manager to find out the going rate. When the staff has received more information, the council will discuss this further.

9. Engineers Report

Ben White –

* Apologies to Chris Hogan because his subdivision adjustment request was left off the agenda this week.
* A sink hole appeared at Pages Lane and 800 West. Public Works is looking at it and has put in a blue stakes request.
* The I-15 rebuild will begin next year, which will include widening 400 North. The city plans to do water line upgrades while the work is going on. UDOT will have an open house at Woods Cross High School on June 27.
* Work on the north half of the golf course parking lot will begin July 1 and should be completed in one month. Steve Maughan is working out alternate parking.
* 400 North will be seal coated next week at nighttime, and it is due to be finished next Thursday. There will be lane restrictions. Rocky Mountain Power is moving power poles on Friday.
* Work on 700 West is moving along, but there have been complaints about the dust. The contractor received notice yesterday there will be a fine if the dust is not controlled. Debbie McKean said there was some flooding at Pages Lane and 700 West. Ben said no homes were affected, and there could still be flooding until asphalt and curbs and gutters are replaced.
* The parking lot at the city park should be done by the Fourth of July. Some areas need patching, which will be done tomorrow by Blue Diamond.
* There will be several public hearings in the near future regarding vacating easements, beginning with the next meeting.
* Holly Oil will be making a conditional use permit request for temporary parking east of 800 West. They also want the 1100 West entrance to be left turn only.
* A homeowner wants to build a garage on a 10-foot rear yard easement. It is a drainage easement and Ben does not want to vacate, but he is concerned about fairness to the homeowner. Almost every other lot on the street has a building on the back yard easements. Ben thinks the city could approve it if they make a condition regarding drainage. He will talk to the owner.
• Bill Quick was able to contact his former manager and learned that the going rate is $800 to $1200 for an additional carrier using the cell tower.

Ben White – A two lot subdivision was proposed. A lot was in two parcels until the father died, when it was combined into one. Now the owner wants to sell one part. There will be a public hearing next week. The Commission discussed the curb and gutter issue with regard to the lot; also whether the two properties would comply with the length to width ratio stated in the code. James Bruhn suggested they should look at the ratio regulations because they do not apply to many properties in West Bountiful. The Commission granted a conditional use permit to Wade Workman for building a deck. They discussed modifying the code regarding decks. They also granted a conditional use permit for a preschool.

11. Police Report

Chief Todd Hixson – Reserve Officer Erskine has been helping with shift coverage. A retirement party for Sgt. Rasmussen will be held July 15 between 12:00 and 2:00 pm. The council volunteered to help with refreshments. Chief Hixson has finished the LPO course; all supervisors will eventually attend the course. He is on task with making the changes to the staff structure. Training is an ongoing process. They are preparing to have one officer present at the long drive competition. The department participated in Special Olympics, a part of which ran through West Bountiful. The department plans to its involvement, especially with getting people out to cheer the competitors. The week of May 12 was Law Enforcement Appreciation Week, and the Chief expressed thanks for the treats that were brought in.

12. Finance/Administrative Report

Heidi Voordecker –

• Finance: The details for the period ending May 31 are included in the budget summary document. A detailed, quarterly report will be prepared for the period ending June 30th, but will not include fully audited figures. The personal property tax amount was a little less than anticipated, so Heidi will be contact the County to determine collections and if the Refinery improvements were being reflected.

• Administrative: It is the end of the fiscal year and all departments are closely watching their spending. Inventories for the Golf Course and Water Department need to be taken at the end of the month. The auditors have scheduled their first visit for July 3. They Mayor and Council are wrapping up the process for selecting a city manager. Special City Council meetings have been scheduled to complete the interview process. Cathy Brightwell is working on the election. Meet the Candidate Night will be held on July 30th. All voting, including early voting, will be electronic. Cathy has been doing an excellent job keeping the city website up to date, and we are testing making the council packets available on the website. Cathy has been making these changes from home because the website cannot be accessed with the city system. Executech will be fixing that problem.
13. Mayor/Council Reports

Debbie McKean — The newsletter has gone out. She has gotten all requests from council regarding cars, candy, and shirts for the parade. She has color swatches they can pick from for their shirts. She attended the Mosquito Abatement meeting. They are spraying the perimeter of the golf course, so she asked Steve Maughan if the city is spraying the interior. He said they are not, and he will talk to Mosquito Abatement. Gary Hatch is planning visits to all the city councils. Mark Preece asked for a map showing the no spray zones. The council will work on the no spray issue.

Dave Tovey — The youth council is working on the games at the park after the July Fourth parade.

James Bruhn — He asked Steve Maughan about spraying for weeds along the trail, and Steve said it had been done. Apparently a neighbor complained because there was no warning about the spraying being done.

Mark Preece — Nothing to report.
