15

16 VISITORS: Kelly Enquist, Brandee Nadauld, Gary Jacketta, Corey
17 Sweat, Ron Halos, Lloyd Selleneit, Conrad Jenson.
18

19 Called to Order: Mayor Pro Tem Mark Preece called this meeting to order at 7:31 pm
20

21 Invocation/Thought – James Bruhn gave an invocation.

22 Pledge of Allegiance led by Debbie McKean
23

24 1.
25 Accept Agenda
26

27 MOTION: Debbie McKean moved to approve the agenda, switching
28 Items 3 and 4 with Items 5 and 6.
29

30 SECOND: James Ahlstrom seconded the Motion.
31

32 PASSED: Voting was as follows:

33 James Ahlstrom – Aye

34 Mark Preece – Aye

35 James Bruhn – Aye

36 Debbie McKean – Aye
37

38 2.
39 Public Comment
40

41 Brandee Nadauld, 1544 North 1100 West – She has had no Weber water
42 on her property. They were told when a subdivision went in behind their
43 property they would be hooked up to Weber water. When the subdivision
44 went in, they were told to wait until another subdivision opened. She has
45 been paying for water rights. Ben White explained that when Olson
46 Farms was built, there was no Weber water on 1100 West. A line was

1 only brought as far as the subdivision, and then run to the Frank Chase
2 property. Weber Water District said they did not bring water down 1100
3 West because the homes were built one at a time and they were not
4 required to put in infrastructure. They said the city would have to pay to
5 put in a line. Brandee asked if they could have water run from the
6 subdivision behind them, and Weber said no. She has three neighbors
7 who also cannot get Weber water. It would be expensive for the city to
8 tear up the street to run a line to those four houses. James Ahlstrom asked
9 Brandee for an opportunity to talk to Olson Farms and get the people
10 together on running lines to the four houses. Ben said Weber would only
11 run new lines when their lines are full to capacity, which could be five
12 years from now or longer. Brandee said it has been 20 years since they
13 were promised a hookup.

14
15 Dave Tovey arrived.

16
17 5.

18 Canvass of Votes for the
19 West Bountiful City 2013
20 Municipal General Election

21
22 Heidi Voordeckers – Once the votes are accepted, she will send them to
23 the governor's office. A roll call vote is required for approval then they
24 all need to sign the canvass report.

25
26 MOTION: James Ahlstrom moved to accept the canvass of votes.

27
28 SECOND: James Bruhn seconded the Motion.

29
30 PASSED: Voting by roll call was as follows:

31 James Ahlstrom – Aye

32 Mark Preece – Aye

33 James Bruhn – Aye

34 Dave Tovey – Aye

35 Debbie McKean – Aye

38 Consider Approval of Resolution 319-13,
39 to Vacate a Public Utility Easement Located
40 at Approximately 600 East 600 North,
41 Bountiful, Utah.

42
43 MOTION: James Ahlstrom moved to approve Resolution 319-13,
44 vacating a public utility easement located at approximately 600 East 600
45 North, Bountiful, Utah.

46

1 SECOND: Debbie McKean seconded the Motion.
2

3 PASSED: Voting by roll call was as follows:
4

5 James Ahlstrom – Aye

6 Mark Preece – Aye

7 James Bruhn – Aye

8 Dave Tovey – Aye

9 Debbie McKean – Aye

10 3.
11 Budget Public Hearing
12

13 MOTION: Debbie McKean moved to open the public hearing, 7:48 pm.
14

15 SECOND: Dave Tovey seconded the Motion.
16

17 PASSED: Voting was as follows:
18

19 James Ahlstrom – Aye

20 Mark Preece – Aye

21 James Bruhn – Aye

22 Dave Tovey – Aye

23 Debbie McKean – Aye

24 Heidi Voordeckers went over the changes since the budget was last
25 presented. The CDGB grant for sidewalk replacement was approved and
26 the money needed to be put in the budget so they can go forward on the
27 projects in the spring. The police department received the JAG grant
28 money, which also needed to be recognized in the budget. In addition, the
29 budget was modified to include work related to the golf course parking lot
30 that had been approved in the June 18th City Council meeting, as well as
31 personnel changes in the police department. Increased expenditures
32 previously discussed were for a snow plow replacement and outfitting the
33 dump truck with snow removal equipment, tuition reimbursement, the golf
34 course irrigation project, and golf cart repairs and replacements.
35

36 Comments:

37 Kelly Enquist stated he was in agreement with the expenditures except for
38 tuition reimbursement. That is a benefit that usually increases or
39 decreases depending on the financial stability of the employer. Other
40 benefits have been taken away from employees due to the economy which
41 should be put back before they give tuition reimbursement. Citizens he
42 has spoken to do not think this item should be passed at this time. Policies
43 and procedures need to be developed first and then the item can go into the
44 budget next year. He is uncomfortable with some of the wording in the
45 contract referring to an agreement with Heidi Voordeckers that she would
46 become assistant city administrator upon completion of her program. He

1 felt the position should be open to the public. (The agreement was
2 reviewed by legal counsel and previously approved in an open meeting.)
3

4 Corey Sweat, 1078 West 600 North – He agreed with the changes except
5 the tuition reimbursement agreement. He had not seen a copy of the
6 contract, but his understanding from Kelly made him uncomfortable with
7 it.
8

9 Jaren Conk, 1766 North 600 West – He said the city is setting a precedent
10 in offering tuition reimbursement, and they are already taking \$2,000 out
11 of the general fund for the police department, while West Bountiful still
12 has the highest water rate in the state.
13

14 MOTION: Debbie McKean moved to close the public hearing.
15

16 SECOND: Dave Tovey seconded the Motion.
17

18 PASSED: Voting was as follows:

19 James Ahlstrom – Aye

20 Mark Preece – Aye

21 James Bruhn – Aye

22 Dave Tovey – Aye

23 Debbie McKean - Aye
24

- 25 4.
26 Consider Approval of Resolution 320-13,
27 to Open and Amend the Fiscal Year 2014 Budget.
28

29 Debbie McKean suggested tabling this item in order to work through the
30 comments they received during the public hearing. It was then suggested
31 that the budget amendment could be approved with exception to the
32 tuition reimbursement, which was the point of public concern. James
33 Ahlstrom explained that regarding Heidi Voordecker's tuition, she had
34 already been offered the assistant city administrator position, but she felt
35 she needed her degree first. He recognized that there would have been
36 better understanding if the public had been in on the discussions, but such
37 discussions regarding personnel may be done in closed sessions; that is the
38 rule for all cities. He said employee turnover costs far exceed the cost of
39 this benefit. In order to get this benefit, an employee must commit to at
40 least four years of service or they must pay the money back. He felt they
41 might discuss how the benefit should be budgeted, but the concept is solid.
42

43 Dave Tovey said additional schooling for employees benefits the city.
44 They could develop policies and procedures first in order to set guiding
45 principles, but a future council could change those policies anyway.
46

1 James Bruhn stated to the public that not all council members were
2 unanimous in including tuition reimbursement as a benefit. He personally
3 feels the same as many citizens regarding other expenses. The council
4 was asked if they had asked their constituents for their opinions. Dave
5 Tovey and James Ahlstrom stated they had received positive comments.
6

7 Debbie McKean said she is not opposed to the concept of tuition
8 reimbursement, but she thought there had not been enough discussion, and
9 the amount budgeted surprised her as that had not been discussed before.
10 She also stated to the public that the council will be addressing the water
11 rate issue in the near future. (James Ahlstrom remarked that the water rate
12 issue should not be part of this discussion because it is a different fund.)
13

14 MOTION: James Ahlstrom moved to vote on this item later in the
15 evening, after the golf course discussion, as Item 9(a).
16

17 SECOND: Debbie McKean seconded the Motion.
18

19 DISCUSSION: Regarding the comment that the tuition reimbursement
20 contract was not available to the public, it was pointed out by staff that the
21 contract was posted on the web site.
22

23 PASSED: Voting was as follows:
24 James Ahlstrom – Aye
25 Mark Preece – Aye
26 James Bruhn – Nay
27 Dave Tovey – Aye
28 Debbie McKean – Aye
29

30 7.

31 Consider Approval of Ordinance 355-13,
32 Modifying Chapter 9.24 WEAPONS of
33 the West Bountiful Municipal Code.
34

35 Detective Hamilton – Airsoft weapons have not been previously allowed
36 to be fired in the city limits. This amendment will allow for their use
37 under certain circumstances. The police department had few concerns
38 regarding the danger of these weapons; they can be fired close to homes.
39 Anyone underage has to have written permission from parents. Duane
40 explained that a citizen, Lloyd Selleneit, wanted to use airsoft weapons to
41 teach his family members the proper use of guns.
42

43 Mr. Selleneit addressed the council, explaining that, as a former legislator,
44 he has knowledge of Utah's right to bear arms amendment and he
45 sponsored the legislation for castle laws, (a person can protect his property
46 and not be prosecuted). Since laws in Utah allow liberal use of firearms,

1 he thought it was important that gun owners use their weapons properly
2 and safely. In teaching members of his family, he is more comfortable
3 using airsoft guns.
4

5 Duane explained that the City prosecutor saw Mr. Selleneit's request as an
6 opportunity to clean up the ordinance and make sure it covers all relevant
7 issues. Steve Doxey made the changes but he had a question regarding the
8 penalty. Violation of a firearms ordinance should be a Class B
9 misdemeanor. If airsoft gun rules are broken inside a home, it would be
10 an infraction. A discussion ensued regarding penalties, the definition of
11 airsoft guns, and the difference between airsoft guns and BB guns.
12

13 It was suggested they table the issue and form a committee of citizens and
14 city employees to go over the definitions of all weapons, including airsoft
15 guns. Mr. Selleneit thanked Duane and Chief Hixson for their cooperation
16 in discussing this issue with him. He offered to advise the citizens'
17 committee because of his expertise and background.
18

19 MOTION: James Ahlstrom moved to table approval of Ordinance 355-13
20 and proposed that Mayor Romney and the city administrator appoint
21 members to a citizens' committee to review the ordinance.
22

23 SECOND: James Bruhn seconded the Motion.
24

25 PASSED: Voting was as follows:

26 James Ahlstrom – Aye

27 Mark Preece – Aye

28 James Bruhn – Aye

29 Dave Tovey – Aye

30 Debbie McKean - Aye
31

32 8.

33 Consider Request for Site Plan
34 Amendment, HollyFrontier
35

36 Ben White – In 2011, Lynn Keddington stated at a city council meeting
37 that the gate on 1100 West would only be open for emergencies or for
38 access to the tanks. Now that the new warehouse and office are there, the
39 road is being used again because it provides easier and safer access to the
40 freeway than making U-turns on 500 South. Ben thought this issue should
41 be brought to the council since traffic will be affected as well as the
42 condition of the road. The point where the road goes onto 1100 West is in
43 a residential zone so there could be a land use issue.
44

45 Conrad Jensen – When the office building and warehouse were built at the
46 1100 West 500 South corner of the plant, traffic was meant to enter and

1 exit the facility from 500 South. However, vehicles wishing to head East
2 on 500 South cannot make the turn because there is a concrete median.
3 They either turn right, do a U-turn in the intersection at 1100 West, and
4 then go east toward the freeway, or they turn right on 1100 West, go down
5 to 400 North and access the freeway from there, which creates more traffic
6 through the residential zone and in front of the grade school. The refinery
7 is requesting the use of the 1100 West exit (which is now gated) so that
8 vehicles can turn left on to 1100 West, then turn left at the light on to 500
9 South and proceed toward the freeway. They wanted to bring the request
10 to city council since the original plan had been approved by the council.
11 Mr. Jensen stated that a change is not necessary, but they thought it would
12 be better for traffic if trucks did not do the U-turn.

13
14 James Bruhn said he thought opening the road was a good idea, and if the
15 road on 1100 West began showing extra wear and tear at that point, they
16 could talk with Holly again. Dave Tovey asked if the road could be
17 moved closer to 500 South so it is not in a residential zone, but that would
18 put the road too close to the intersection, making the two left turns
19 difficult. Ben pointed out that the road is used mostly by panel and
20 delivery trucks, and there is still a weight/height and hazardous material
21 restriction on 1100 West.

22
23 MOTION: James Bruhn moved to grant city staff authority to approve
24 Holly Frontier's site plan change request if all other criteria is met.

25
26 SECOND: Debbie McKean seconded the Motion.

27
28 PASSED: Voting was as follows:

29 James Ahlstrom – Aye

30 Mark Preece – Aye

31 James Bruhn – Aye

32 Dave Tovey – Aye

33 Debbie McKean – Aye

34
35 9.
36 Discussion on Golf Course Café
37 Concession Services
38

39 Paul Holden was present for this discussion.
40 Duane Huffman – He wanted this discussion so he could get some
41 direction from the council as to whether they should get a contract or go
42 in-house for concessions next year at the golf course. Mark Preece said he
43 had talked with Paul previously about using Carmacks. They have been
44 doing the concessions at Eaglewood for ten years, and their name is
45 familiar to the community. James Ahlstrom said when they had a
46 concession employee, they made a mistake in trying to make the

1 concession operation profitable, and ended up losing a good employee.
2 Duane said it is important they make a profit, and cost would be
3 considered in the RFP, but other elements are important to all aspects in
4 making the golf course profitable. James Bruhn said they should try to get
5 Stephanie back and that in-house is best because they have more control
6 over the operation of the café. Paul said contracting out would be better
7 until they finish getting the golf course in shape. Duane said he would
8 concentrate on developing an RFP for council's approval and then get bids
9 from outside vendors.
10

11 9b.

12 Consider Approval of Resolution 320-13,
13 to Open and Amend the Fiscal Year 2014 Budget.
14

15 James Ahlstrom – The four expenditure items addressed in the amended
16 budget were already discussed and approved by the council. Duane
17 pointed out the amendments were discussed but not approved; the
18 amendments were open for changes until they are approved this evening.
19 The tuition reimbursement does not affect the bottom line. Funds were
20 moved from the administrative department to the police department and to
21 personnel for the tuition reimbursement. Heidi's tuition was already
22 covered by saving on other line items in the administrative budget. James
23 Ahlstrom said if they do not approve the tuition reimbursement part of the
24 amendments, they will be going back on a contract with the employees.
25 The purpose of the public hearing was not to decide whether to fund the
26 items, but where the funds should come from. Debbie McKean requested
27 when making these changes, if the staff would make up a clear plan about
28 the changes, showing where the money is coming from and what projects
29 are going to be done and not done.
30

31 MOTION: James Ahlstrom moved to approve Resolution 320-13,
32 opening and amending the Fiscal Year 2014 Budget.
33

34 SECOND: Dave Tovey seconded the Motion.
35

36 PASSED: Voting by roll call was as follows:

37 James Ahlstrom – Aye

38 Mark Preece – Aye

39 James Bruhn – Nay

40 Dave Tovey – Aye

41 Debbie McKean – Nay

2 Planning Commission Report
3

4 Ben White – Discussion from the November 12 joint work session
5 continued. It was brought up that the largest back yard building was 30%
6 of the back yard. They also discussed two subdivisions, the first of which
7 is seven lots at the NE corner of 400 South and 1100 West. They will be
8 required to put in a curb and gutter, but that will leave some houses on
9 1100 West without a curb and gutter. This will probably be brought to
10 council at some point. There will also be an issue regarding the sewer
11 lines and how 400 North will be repaired after the lines are put in. The
12 second subdivision at the NW corner of Pages Lane and 1100 West is
13 eight lots and came before council a while ago. There was concern
14 regarding gas lines and a maintenance station. James Bruhn said Denis
15 Hopkinson is working with the builder, who will be putting a concrete
16 wall around the station. Ben said a question will be coming up as to the
17 use of open land in the subdivision close to Legacy which is unsuitable for
18 building.

21 Engineer Report
22

23 Ben White –

- 24 • Concrete work on curbs and gutters is starting tomorrow using
25 money left on the books from bonds that had been held until some
26 landscaping was finished. Meetings with homeowners on 900
27 West and 800 West have been scheduled to review next year's
28 construction projects.
- 29 • He has a draft agreement back from Bountiful City regarding
30 buying their water and he is working on modifications. The terms
31 seem reasonable but the numbers have not been decided upon. It is
32 critical to complete the agreement soon because the motor in the
33 old well has seized up.
- 34 • A company has been hired to do a well siting study and he will
35 have reports for council by the second meeting in December. He
36 will also have information about the I-15 project and the FEMA
37 flood plain study.
38

39 12.
40 Police Report
41

42 Detective Corie Hamilton – The council was provided with the statistics
43 from October only. The next report will be for October and November.
44 Officer Gregory White has begun his field training. Officer Neff has
45 begun field training with alcohol enforcement. He comes from the
46 highway patrol. Field training takes from two to four weeks. Officer

1 Matthew Robbins finished his field training and is now working on his
2 own. He is very public relations oriented. Officer Christopher Jacobson is
3 in his third week of field training. He is a resident of West Bountiful. The
4 sergeant testing material has been sent out to the applicants, Officer Ellery
5 and Detective Ereksen. The testing process will begin tomorrow at 8:00
6 am. The first emergency preparedness meeting was held October 9, and
7 the next meeting will be November 13. Lastly, there are two pieces of
8 exercise equipment that need to be sold, and the chief asked if they could
9 be put on KSL.com again.

12 Finance Report – October 2013

13
14 10:00 pm

MOTION: Debbie McKean moved to extend the meeting to 10:15 pm.

15
16 SECOND: James Ahlstrom seconded the Motion.

17
18 PASSED: Voting was as follows:

19 James Ahlstrom – Aye

20 Mark Preece – Aye

21 James Bruhn – Aye

22 Dave Tovey – Aye

23 Debbie McKean – Aye

24
25 Heidi Voordeckers – This is an awkward time of the year when reviewing
26 the bottom line because annual property tax receipts are not in yet. They
27 are 34% through the fiscal year, and the expenses are on target. The report
28 lists projects which are already completed, with fund transfers approved
29 and scheduled for the end of the fiscal year. One item to note is that
30 \$33,000 came in from the insurance claim on the snow plow, which is
31 reflected under miscellaneous revenue. The golf course revenues are
32 falling behind from last year, but Paul is working with the point-of-sale
33 people to get better statistics.

34
35 14.

36 Administrative Report.

37
38 Duane Huffman –

- 39 • The staff has completed their review of the staff policy manual.
40 They will make their changes and highlight them for review by all
41 employees. He is creating a new draft because redlining the
42 current policy would be very confusing. When the draft is
43 finished, it will come to the council for review, along with an
44 itemized listing of the changes.
- 45 • For the December 3 meeting he will have the audit presentation,
46 the RFP plan for the food concession, the golf cart proposal, and

1 the construction schedule for next year. The packets are usually
2 ready by Thursday but this Thursday is Thanksgiving and Friday is
3 a day off. He asked council if they wanted to postpone the meeting
4 until the next week and only have one meeting in December.
5 Council responded that the meeting could be held on the 3rd as
6 planned if the packets are available online on Wednesday and
7 delivered to them on the 2nd.

10 Mayor/Council Reports

11
12 Debbie McKean – Newsletter items are due December 15th. Christmas on
13 Onion Street is December 9th, with Santa there from 5:00 to 7:00 pm.
14 They are not planning to turn the lights on that night; they will just have
15 Steve Maughan get them turned on whenever he is ready. She attended
16 the mosquito abatement meeting. Utah has had seven West Nile virus
17 cases, which is the lowest in the US. South Dakota had 147, and they do
18 not spray for mosquitos. Gary Hatch has asked to attend the December
19 3rd meeting to explain the no-spray zones. They are also noticing for a
20 proposed tax increase.

21 Dave Tovey – The youth council are preparing for Christmas on Onion
22 Street, and the Elf Tree already has 60 names.

23 James Bruhn – He attended a Wasatch Integrated budget and committee
24 meeting. The landfill is running well. They are trying to get new
25 contracts with HAFB. They have lost revenue because the flow control
26 came off, but they have handled it.

27 Mark Preece – He attended the Utah Association of Special Districts
28 meeting. The sewer district is doing well. The EmPAC group had a
29 meeting this week. He was unable to attend but knows that the meeting
30 went well. They have their trailer up at 800 West 2259 North. They are
31 getting it ready. Chief Hixson said there are several people interested in
32 being members.

33 James Ahlstrom – He asked about the incentive-based program at the golf
34 course that was promised when Paul was hired. Duane said he and Paul
35 have been working on it.

38 Approval of Minutes of the
39 October 15, 2013 City Council
40 Work Session and Meeting.
41

42 James Bruhn said there was a discrepancy on the voting regarding the
43 Carbone item. Duane asked to table the approval until they have listened
44 to the recording.
