BUSINESS HOURS
M-TH 7:30 a.m.-5:00 p.m.
Friday 7:30 a.m.- 3:00 p.m.
**OPEN THROUGH
LUNCH**

There's A New Café in Town!

Lakeside Golf Course welcomes Carmack's Café

With a long family tradition of providing great food and friendly service in South Davis County, Carmack's Café is now at Lakeside Golf Course! Golfers and non-golfers alike can enjoy breakfast, lunch, and dinner with a beautiful view of Utah's best driving range and mountains in the backdrop. The Café is open 7 days a week from dawn to dusk with a menu that includes full breakfasts, delicious burgers and sandwiches, and fresh salads.

The new restaurant officially opened in March, and Carmack's and West Bountiful will be hosting an **OPEN HOUSE on Saturday, April 19th from 1-5 pm** to welcome Carmack's to our City. Mark your calendars for an afternoon of fun with great food, drawings, and golfing activities for the whole family.

Welcoming Carmack's isn't the only change you'll see at Lakeside. The revitalization of a Juniors' program; more tournaments scheduled than in previous years; improvements to the clubhouse, parking lot, and driving range; and a friendly and professional staff led by Paul Holden, the new Director of Golf, all combine to make Lakeside poised for success.

Everyone who enjoys tasty food, a friendly atmosphere and wants to support local business should come down to Carmack's at Lakeside. But be warned, the lure of attractive greens and fairways will be hard to resist!

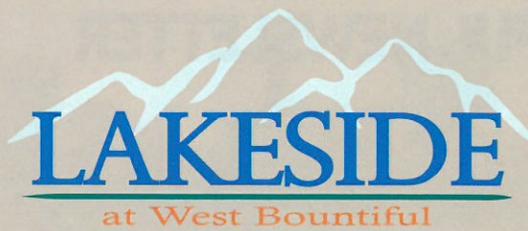

YOU DON'T HAVE TO BE A GOLFER TO EAT HERE

Stay Updated! Connect to us on the web at www.wbcity.org NEW!
And on Facebook at www.facebook.com/WestBountifulCity

We're gearing up for a great season of golf! The good weather has brought lots of golfers out, making February one of the busiest on record. Our crystal ball is telling us the good weather will continue throughout the spring, summer and fall so grab your clubs and join us on the greens. We offer a Men's League and Senior's League on Wednesdays, a Ladies' League on Tuesdays, and a Couple's League on Sunday mornings. We also offer lessons for new golfers as well as those wanting to tweak their existing game. For more information, call us at 801-295-1019.

JUNIOR GOLF CLINICS ARE BACK!

LAKESIDE is excited to announce the return of our
Junior Golf Clinics for kids 7 – 17

Lessons will be taught beginning in June and each
\$50 session will include:

- 2 days of golf swing fundamentals;
- 1 day of chipping and pitching;
- 1 day of putting fundamentals;
- Lakeside Jr. Golf Shirt to all participants;
- Junior lesson students can also play 9-holes of golf for \$6 during the months of June and July, Monday – Thursday, excluding Holidays.

Sign up in person starting April 1, 2014 at
Lakeside Golf Course
1201 N 1100 W
West Bountiful, UT 84087

For more information contact Paul Holden-Director of Golf at (801) 295-1019

NEED A GIFT??

When you need a gift idea for that special someone – don't forget that Lakeside Golf Course gift cards are always appreciated!! We also carry hats and shirts with our new logo.

WB Residents will be allowed to dispose of yard waste, scrap metal and miscellaneous cleanup materials from their primary place of residence. *Driver's Licenses will be checked.*

Saturday, April 26th-Saturday, May 3rd

Mon-Fri 11:00 am- 7:00 pm
Sat- 8:00 am - until bins are full
Sun- **NO DUMPING ALLOWED**

We will not accept...

- Lead Products
- Wood larger than 2x2x6'
- Chemical Material/Explosives
- Paint
- Commercial Waste
- Animal Remains
- Tires
- Appliances with Freon
- Radioactive materials
- TV's
- Barbed Wire
- **Hazardous Waste of any kind***
- **Green waste ****

BINS WILL BE BARRICADED AFTER HOURS
Please do not leave trash at barricades

* Please take **Hazardous Material Waste** to **Wasatch Energy Recovery Facility in Layton**

Please take **Green Waste to **Bountiful Landfill**. **Green Waste** is accepted there year around from WB residents-but the City will cover the cost during our clean-up period.

UPCOMING PROJECTS: Thanks for your patience while we improve our City.

900 West

900 West, from 1490 North to 1600 North, will be reconstructed this year. The project will include replacement of the water line and excavation and rebuilding of the street. This project has a start date of March 17 and will take approximately 6-8 weeks to complete. The water line is scheduled to be replaced first followed by road reconstruction. There will be temporary water outages during the water line construction phase; twenty-four notice will be given.

800 West

800 West will be reconstructed this year in two sections. The section between 1600 N and 1970 N includes a water line replacement and full asphalt pavement section. The section between 2200 N and 2330 N includes replacing water fixtures and laterals and storm drainage and full asphalt section. We expect this project to begin mid May.

I-15 Construction

Construction begins April 2014 on I-15 from North Salt Lake to Farmington. This Project will add Express Lanes to reduce congestion, replace aging bridges including 400 North and 500 South, reconfigure the interchanges at 2600 South and 500 South to improve mobility, improve pedestrian facilities at 500 South and 400 North, and add a new pedestrian bridge at Parrish Lane. To stay informed as this project progresses, you can join UDOT's email update list at i15southdavis@utah.gov. Additional information will also be available at www.udot.utah.gov/i15southdavis.

OUR WATER...A PRECIOUS RESOURCE

Back-Flow Class Annual back-flow testing is coming up! We are required to have annual testing of all back-flow assemblies. Back-flow protection is required on home sprinkler systems that use City water and do not have atmospheric vacuum breaker (AVB) sprinkler valves. Businesses are evaluated on a case by case basis. If you have questions or want additional information, our annual **Back-Flow class will be held on May 15 from 7 – 8 pm at City Hall. Backflow test reports are due back to the City by June 27, 2013.**

Water Conservation We are just starting to get into spring and the approach of another irrigation and landscape season. Even with the last few storms, we are still really low with reservoir storage which will mean being as efficient as we can with irrigation this coming summer. Weber Basin has resources and information to assist you if you need help in knowing how to be more effective and efficient with outdoor water. They will be offering free classes during the spring and summer at 2837 E. Highway 193 in Layton. For more information, check out their website at – www.weberbasin.com/conservation

Water Quality West Bountiful is pleased to report that our drinking water is safe and meets all state and federal water regulations. For the full **Water Quality Report** go to our website, www.wbcity.org, under the Community drop-down tab, or pick up a copy at City Hall.

WEBER WATER

WILL BE
TURNED ON
THE WEEK OF
APRIL 15TH

Please remember to shut your water valve off to prevent flooding and wasting water.

WEST BOUNTIFUL ARBOR DAY CELEBRATION

MAY 22ND

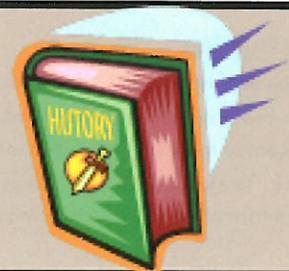

3:30 PM

**CEREMONY AT
CITY PARK**

Tell us Why Your Mom is the Best!! Mother's Day is coming up quickly. West Bountiful, in conjunction with the Davis Clipper, will select West Bountiful's Mother of Year for 2014. If you think your Mom is the greatest, submit a nomination telling us why. Forms are available on our website at www.wbcity.org and are due at City Hall by 5 pm on Tuesday, April 8.

GOT HISTORY?? We are gathering West Bountiful History (stories, photos, etc. and we need your help. Please share any information you may have by turning it in to Debbie McKean. You may e-mail it to debbiemckean@comcast.net, mail to 1075 West 1070 North, turn it in to City Hall, or I will even send a carrier to pick it up, just call me at 801-231-8320. The WB Historic Commission will be working on the next edition of the West Bountiful City History. If you would like to be involved in this project, please let Debbie know.

NEWSPAPER RECYCLE BINS AT CITY PARK HAVE BEEN REMOVED DUE TO UNDER USE. YOU MAY DISPOSE OF YOUR UNWANTED MAGAZINES/NEWSPAPERS AT WEST BOUNTIFUL ELEMENTARY. BINS ARE LOCATED IN THE NORTH PARKING LOT.

GARAGE SALE SIGNS

must be removed immediately after the sale and must be placed only on private property. It is unlawful to attach such signs to utility poles, stop signs or any other public property. Signs placed unlawfully will be removed. Thank you for your cooperation.

ANIMALS ON LEASH

There are a number of calls being received about dogs running loose. Please ensure that your animals are on a leash anytime they leave your fenced yard or home. This is especially important in areas where people gather or walk, such as walking trails. If you encounter a problem with animals in our City, please contact the WB Police Department 801-298-6000 and they will determine when to call the Davis County Animal Control.

WEST BOUNTIFUL

ARTS COUNCIL

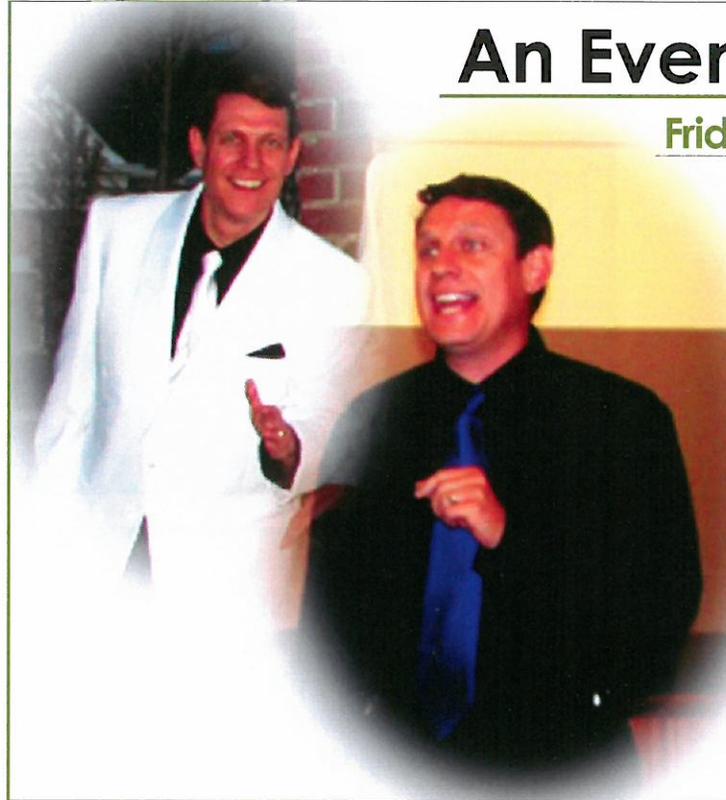

PRESENTS

An Evening with Mr. Maloy

Friday, April 11, 2014 - 7 p.m. - City Hall

Our April concert will be, in the words of Mr. Maloy, "something totally different!"

Paul Maloy is the son of Elwood and Colleen Maloy and recently moved his family back to West Bountiful. In 2004, he walked away from a 20-year, lucrative career with several major companies to become a junior high teacher. He has taught 7th and 8th grade history at Legacy Preparatory Academy in Woods Cross since they opened. Paul has taken the stage with his Barbershop Quartet, but this time, he will present a program designed for adults and youth. With his energetic and fun teaching style, which has endeared him to students and parents, this program is sure to entertain and inspire as he shares stories and insights, ultimately suggesting that we are all master teachers. This will be a fun, insightful, multimedia presentation exploring the curious quirks of humanity and how we can make a greater contribution to our families and communities. Please join us...bring your students!

Young Artists Concert

Come support local, talented youth

Friday, May 9, 2014

7 p.m. - City Hall

May's concert is our annual tribute to West Bountiful's own talented young musicians. Fourteen young artists will dazzle concert goers with a variety of instrumental and vocal performances including three harpists, piano solos and duets, vocal soloists, a cellist, a bassoonist, two guitarists, and a saxophonist. As always, the concert will be at city hall and begins at 7 p.m. We invite you to celebrate with us the accomplishments of these talented, truly dedicated, developing musicians.

Folk and country music concert set for June

Friday, June 13, 2014

7 p.m. - City Hall

The June concert will be an evening of folk and country music presented by a group of four called "Time River." Lynn Ballard, father of West Bountiful's Steve Ballard from our cowboy poetry program, will perform along with Don Hansen, Steve Van Dyke, and Julie Ann Bradshaw. The group has performed at Brigham Young Park and before a variety of other audiences. Join us for a lively evening of entertainment.

West Bountiful City and CERT are getting ready for the 2014 Great Utah Shake Out. For those of you who do not know, the Great Utah Shake Out is an emergency drill that everyone in the state can take part in. The scheduled date is **April 17th at 10:15am**. Participating in this drill will allow us as a community to practice the plans that we have been working on, and be able to improve upon them as needed. The website is <http://www.shakeout.org/utah/index.html>. On the website you will be able to find information on the Great Shake Out and sign up to participate, as individuals, families, or groups. West Bountiful Emergency Preparedness Advisory Committee (EmPAC) and West Bountiful CERT are both registered to participate. During the March CERT meetings we will be discussing our plans for this training event. The meetings are held the 4th Thursdays of each month at 7:00pm at City hall.

CERT is currently working on an Emergency Response trailer that can be used in the event of any emergency that may arise. A generous donation from Holly Refinery to West Bountiful City has made it possible to purchase the trailer and outfit it with the equipment that will assist us. The trailer will have a section for command and communications for CERT, as well as storage and supplies. We report updates on the progress on the trailer at CERT meetings and on the CERT Facebook page. We also bring the trailer to show during some of the meetings. We recommend that everyone in West Bountiful be CERT trained. It will help you take care of yourself and family in the event an emergency situation should ever arise. CERT training helps teach you to take care of yourself, those that you care about, and how to prevent getting hurt and needing help. If you have questions or for information, you can contact Ron Crandall, the **West Bountiful CERT Commander** at emtron56@certwb.com or Jason Meservy, the **West Bountiful Emergency Manager** at jason.meservy@imail.org

FROM THE CHIEF... TODD HIXSON

The big windstorm that hit our community hard back in December 2011 was an eye opening event that showed us several things. The first lesson we learned was we are a tight knit community that will come together in times of need. However, it also exposed some areas that we need to improve upon as a city. It was this event that began the forward movement for the city to becoming more prepared in the event of an emergency.

There are two emergency preparedness organizations for West Bountiful City. Both of these are primarily made up of West Bountiful citizens working to prepare for unforeseen emergencies and disasters that might take place in the future. We would like to make you aware of them and invite you to become a part of these groups.

The Emergency Preparedness Advisory Committee's (**EmPAC**) mission is to help family, neighbors, and City in the event of an emergency or disaster, and to reduce the loss of life and property caused by natural and man-made disasters by helping in the planning, preparedness, prevention, and response to these events, and by working to provide proactive solutions and timely support to our community leaders and emergency first responders when needed. The committee consists of Police Chief Hixson as Chairman, Jason Meservy as the Vice chair, City Councilman Mark Preece, and five volunteer local residents appointed by the Mayor. EmPAC meetings are held the 3rd Wednesday of each month at 5:30pm at City Hall. The public is welcome to attend meetings, and input from the community is welcome and appreciated. EmPAC works closely with the West Bountiful CERT team, business and community leaders, state and local emergency response groups and first responders, faith based organizations, and other organizations within the community.

The Community Emergency Response Team (**CERT**) is a program that educates people about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others following an event when professional responders are not immediately available to help. West Bountiful has many residents trained as CERT qualified first responders. Meetings are held on the 4th Thursday of each month at 7 pm at City Hall and are open to the public. Under the great leadership of Ron Crandall, a long time West Bountiful resident, our CERT group has become better trained and more organized. You can follow the CERT program on the CERT Facebook page.

We look forward to your ideas, help, and support and encourage your involvement as we continue to plan, prepare for, and work towards helping our city leaders and our community prepare for any emergency.
