Martineau Family to perform

In March, the Arts Council will feature the Kent and Sheryl Martineau family in concert. They are long time residents of West Bountiful, having lived in the community for the past 37 years. They raised 12 children here and now have 37 grandchildren and one great grandchild. Eight of the 12 children still live in Utah with four out of state. This multi-talented family will entertain us with pianists, soloists, a family choir, and a band. We are certain to be treated to a variety of musical genres during this evening's concert.
