<p>The trunk show group you selected will be shipped with 18 pattern cards for each item in that group. You will be invoiced for the full amount shipped. 6 patterns are considered your stock and 12 are considered consignment. You may return up to 12 patterns per item at the end of the time period for a credit if you do not wish to keep them as long as they are in saleable condition. They must be clean and undamaged without price stickers or any price sticker residue, no folds or creases or obvious signs of use. Damaged patterns are not eligible for a credit. If patterns are received damaged, we must be notified immediately upon receipt or no credit will be given. 6 of each title are yours whether they sell or not. All samples must be returned in the packing they are received in, clean and in good condition. We pay shipping out to you. You are responsible for shipping the samples and any returnable patterns back at the end of the time period via your choice of UPS or USPS, insured.</p>
