## Crow in the Garden

Our perky crow is back this year. He has left his house in the early morning sun to head down the garden path to the well so he could water the blooming flowers. .

Supplies:

2-5 1/2" x WOF Strips tan homespun fabric

6- 5" square green/brown homespun fabric

10" square grey

10" square cream

10" square dark grey

1/8 yard house background

Scraps for bird, sun, flowers, well and flag.

1/2yd paper backed fusible web

Finished row size is 9 x 36".

Add 2 1/2"strips for borders to make this row a runner. Quilt and bind for a fun look on its own!

Thank you for visiting The Quilt Rack & Wool Cubby during the 2015 Row x Row Experience. We hope you enjoy your free pattern and come to visit us again at the shop or online at [www.the-quilt-rack.com](http://www.the-quilt-rack.com)

# Crow in the Garden House Block

Key Block (37/100 actual size)

## **Garden Path Assembly:**

Green/brown homespun

Cut (12) 2  $\frac{1}{2}$ " x 5" rectangles

Brown homespun

Cut (1) 5  $\frac{1}{2}$ " x 15" rectangle

Cut (1) 5  $\frac{1}{2}$ " x 13" rectangle

Seam on short end to form 27  $\frac{1}{2}$ " strip

Seam (6) 2  $\frac{1}{2}$ " x 5" rectangles on short ends-make 2.

Piece on each long side of 27  $\frac{1}{2}$ " strip. Now measures 9  $\frac{1}{2}$ " x 27  $\frac{1}{2}$ ".

Trace applique shapes on paper backed fusible web. Patterns are reversed. Cut between leaving at  $\frac{1}{4}$ " outside lines. Fuse to back side of appropriate fabrics. Cut again this time on lines. Remove paper backing and place on fabric strip according to pattern picture. Fuse in place. Stitch in place with favorite method. I blanket stitched some and free motioned on some.

## **House Block:**

Pattern pieces enclosed. Piece using  $\frac{1}{4}$ " seams according to picture. Make roof section first. All printed pieces include seam allowance.

From leftover brown homespuns cut windows and doors. I used wrong side of fabric-looks like a new piece!

Cut 4 windows 1" x 1  $\frac{1}{4}$ "

Cut 1 door 1 1/2" x 2  $\frac{1}{2}$ "

If you want draw these shapes on fusible-or just cut and stitch to house. This is primitive!

Sew house block to garden path block-maybe sew garden path on bottom of house and make your row vertical-the choice is yours.

To make runner: add 2  $\frac{1}{2}$ " strips to all four sides, mix up the colors for fun. Quilt and bind for a great primitive runner.

Enjoy this row pattern from The Quilt Rack & Wool Cubby.
