## Tenlee's Hopes

### 56" x 68"

#### Fabric

- 2 2 1/2" strips of 28  
different fabrics
- 11 2 1/2" strips white  
or 7/8 yard.
- 1/2 yard of binding
- Backing 3 1/2 yds. of 45"  
or 66" of wide backing
- Batting 66" x 78"

#### Cutting for the quilt

##### Print strips

- 12 2 1/2" x 4 1/2" rectangles  
from each print (336 pieces)
- 1 2 1/2" x 9 1/2" rectangles to  
use in the border (28 pieces)

##### White

- 84 2 1/2" sq. from 5 of the white  
strips

The rest is used in the first border.

Make 84 quilt blocks. You will use  
80 blocks in the quilts. Sew 8 in a  
row and make 10 rows.

Sew the strips end to end. Measure  
through the quilts center side to side.  
Cut that length and sew to the sides.  
Repeat for the top and bottom.

For the outer border sew the 2 1/2" x 9 1/2"  
rectangles end to end. Sew to the quilt  
in the same method as the blocks were  
sewn.
