Bentwood Club House  
5:00 p.m.

Meeting called to order at 5:00 p.m. by Chair Tom Vick  
Quorum was established with 4 of the 5 members present  
Minutes of the June meeting were unanimously approved with a motion to accept as written with a second.

### Old Business

The SW Kansas Pro-Am was discussed by Danny and the information handed out to board members.

### New Business

Warning siren was discussed amongst board members and visitor Randy McCauley thinks that it would be a good idea for everyones safety.

Marshalling during tournaments was discussed and possibly weekends. Randy McCauley shared with the board that there is a lot of rule breaking going on at Bentwood and it is time to get it stopped.

The rebuilding of green #6 was discussed. Overall thoughts is that it would be nice to rebuild all front 9 greens overtime and if budget and volunteers are available.

Superintendent Report: Danny reported the course is looking good. The cool weather and little rain has given Danny and his staff a chance to get caught up. The front 9 greens were to be vented and gypsum applied on Tuesday. Routine mowing and still fighting the algae in the lake. A blue dye and bacteria has been added back into the lake to hopefully help the algae issue.

Motion made with a second to adjourn meeting at 6:15 p.m.  
Next meeting is set for August 13, 2012 at Bentwood Club House at 5:00 p.m.
