Mike and Jesse Shoefeld came to talk about their property line discrepancy. The neighbor's (Walkers) have said they will sell the piece they need to them to give access to their property. They were not sure they can subdivide the property. They were told to bring their plans and come to Planning and Zoning meeting and were given phone numbers to call.

**Council Member Reports:**

12. Water and Roads (Nathan Spackman)—The railroad contacted us about the road closure. We need a fee for bounced checks of \$20.00. It is in our ordinance. We need to write off old delinquent bills.
13. Documentation, Public Safety and Info. Ordinance Enforcement (Eric Anderson)
14. Park, Walking Trail, Tree Board P&Z, (Joe Kliger)—There are some grants for trees available. We need new people on our tree board. As a Council, it needs to be decided whether our town is a Tree City or not. We could have an Arbor Day celebration in April. Sherie Goring will volunteer to work on this.
15. Buildings and Cemetery Maintenance (Todd Bingham)

Motion to adjourn made by Council Member Spackman and Council Member Kliger seconded.

**Adjourned at 8:30 pm.**
