Please limit your comments to three minutes--.Mark Freyer reported that the softball tournament is scheduled for the 3rd weekend of April for first tournament. They are going to do USWSA. They will need both diamonds for USWSA. There should be about 30 games a day. Tremonton is charging $60 a day. Garland is charging $9 a game. Mr. Freyer will find out who is in charge of doing the maintenance between games. We need to find out how many night hours will be played so we can determine the cost of the power for lighting. Mr. Freyer thinks that an average night should be about 4 hours per night.

Deputy Archuleta came in at 8:15pm. She is reporting back on the dog situation. The sheriff’s department will help but it is the Mayor’s responsibility. The sheriff’s do it as a courtesy. But if they are busy, the complainant will be told to call the mayor. We could contract with Sheriff’s dept for enforcement of nuisance ordinance.
