## MACHINE APPLIQUE WORKSHOP SUPPLY LIST

Approximately 18" square of background fabric  
Small pieces of fabric for leaves, flower petals and flower centers

1/2 yard water-soluble stabilizer, such as Sulky Solvy  
1/2 yard tear away stabilizer, such as Sulky Tear-Easy or Sulky Stiffy  
Water soluble marker, such as Wonder or Mark-B-Gone  
Freezer paper and pen or pencil for marking on it  
Glue stick

Regular sewing thread to match and blend with flower petals  
Clear and/or smoke monofilament thread to blend with petal and leaf fabrics

Sewing machine, cleaned, oiled and ready to sew!  
Manual for sewing machine, if available  
Extra machine needles, Microtex Sharp, size 80  
Open-toed embroidery foot (Bernina #20)  
Darning foot for free motion

Paper scissors, fabric scissors, thread snips or small scissors  
Point turner — a good one is the white plastic one that comes free in all the Clotilde ads  
Safety pins

**We will not get to the piecing, quilting or beading in class, so in addition to the above class materials you will need the following to finish:**

3/8 yard of contrasting fabric for setting triangles  
Approximately 20" square of quilt batting, preferably cotton  
Approximately 20" square of fabric for backing

Beads in colors that go with your flowers — these can be larger or smaller than the ones in the sample...use your imagination!  
Machine needles, Microtex Sharp, in size 60 or 70  
Invisible thread as specified above  
Reverse-grip tweezers — the ones that open when you squeeze them...I got mine at Fry's, a computer store.
