15 Van Broderick, Councilmember  
16 Jacob Hoyt, Councilmember  
17 Adam Cowie, City Administrator  
18 Cody Cullimore, Chief of Police  
19 Kathryn Moosman, City Recorder

20 The meeting was called to order at 6:00 p.m.

22 **Discussion:**

24 Adam Cowie, City Administrator, opened the discussion by stating Kristen  
26 Colson, Lindon City Finance Director is in attendance to present the budgetary and  
financial items related to the proposed 2014-2015 fiscal year budget. Mr. Cowie noted  
28 that this is a discussion item only and no decisions or motions will be made tonight. He  
sated the budget public hearings to be held on June 3<sup>rd</sup> and June 17<sup>th</sup> have been noticed  
30 and advertised, where these items will be reviewed again in more detail and action will be  
taken at the June 17<sup>th</sup> meeting. He stated that Ms. Colson will be reviewing the bigger  
32 budget issues tonight for feedback and to get a general impression of what items the  
Council needs more information on etc.

34 Ms. Colson opened the discussion by referencing the 2014-2015 Major Budget  
36 Issues as follows:

38 **Budget Issue #1: Should Lindon City provide employees with a 1.4% Cost Of Living  
Allowance (COLA) increase and provide for a merit step increase in January?**

40 Ms. Colson began by giving a summary of Budget Issue #1. She noted that this is  
42 a budget issue that is done annually (except for three years due to the recession) and  
noted the increase to the budget is shown by fund. She added that the Consumer Price  
44 Index (CPI) had an average annual increase of 1.4% from March 2013 to February 2014  
according to US Department of Labor. Ms. Colson stated the performance evaluations  
46 are performed annually in January at which time merit increases will be made available to

2 those who meet the criteria. She went on to say that historically, COLA and merit  
increases have provided somewhat consistent buying power for the employees and have  
kept salaries competitive and employee morale high.

4 Councilmember Hoyt questioned how often a merit increase is denied. Mr.  
Cowie stated that it happens occasionally and the increase depends on the employee's  
6 performance. He further stated that the Department Head does the review which then  
goes through his office and is then signed off by Councilmember Powell.

8 Councilmember Powell commented that there are several eyes on each evaluation to  
ensure it is correct and nothing is going under the radar. Councilmember Lundberg  
10 inquired if Lindon City has ever created a salary range for positions to compare with  
other like size cities. Mr. Cowie confirmed they complete a salary study periodically.  
12 Ms. Colson commented that there is a section in the budget document showing  
compensation, range and step for each position.

14 Ms. Colson then referenced the Differential Fiscal Impact as follows:

	<b>COLA only</b>	<b>Merit Only</b>	<b>COLA &amp; Merit</b>
General Fund	\$43,933	\$36,984	\$82,390
Water Fund	\$2,766	\$2,697	\$5,501
Sewer Fund	\$1,632	\$1,592	\$3,246
Storm Water Fund	\$2,182	\$2,128	\$4,340
Recreation Fund	\$2,358	\$2,299	\$4,689
<b>Citywide Totals</b>	<b>\$52,871</b>	<b>\$45,699</b>	<b>\$100,166</b>

16 Ms. Colson noted that both the COLA and Merit increases are reflected in the Proposed  
18 Budget.

20 **Budget Issue #2: Should Lindon City hire a full-time Water Technician, a part-time**  
22 **Utilities Technician, and change the Community Center Program Coordinator from**  
**part-time to fulltime?**

24 Ms. Colson began by giving a summary of Budget Issue #2. She noted the Public  
Works Director has requested that a full-time Water Technician be hired to assist in the  
26 water division. He has also requested a part-time Utilities Technician be hired to manage  
Blue Stake requests and assist with water meter reading and shut offs.

28 Ms. Colson also noted the Parks and Recreation Director has requested that the  
Community Center Program Coordinator be changed from part-time to full-time, which  
30 would allow more time to initiate and oversee classes and activities held at the  
Community Center. Ms. Colson stated that they are recommending that half of the cost  
32 of this position be funded by the PARC Tax and so the net increase to the recreation fund  
would only be \$7,785 for the 2014-2015 fiscal year (including salary and benefits).

34 Ms. Colson then referenced the Fiscal Impact. She noted that the amounts shown  
below reflect both salaries and benefits, without COLA and Merit increases for these  
36 positions. She added that the COLA and Merit increase costs for these positions are  
included with Budget Issue #1.

	<u>Water Technician</u>	
2	Water Fund	\$62,068
4	<u>Utilities Technician</u>	
	Water Fund	\$9,150
6	Sewer Fund	\$4,575
	Storm Water Fund	<u>\$4,575</u>
8	Total	\$18,300
10	<u>Program Coordinator</u>	
	Recreation Fund	\$32,272
12	PARC Tax	<u>\$32,272</u>
	Total	\$64,544

Ms. Colson noted that all of these positions are reflected in the Proposed Budget.

**Budget Issue #3: Should Lindon City increase Water, Sewer and Storm Water utility rates?**

Ms. Colson began by giving a summary of Budget Issue #3. She explained that the utility rates should not only cover current operational expenses, but also allow reserves to be established over time in order to fund repairing and/or replacing aging system components. Ms. Colson noted that the current utility rates do not meet this objective. She further noted that she received an updated utility rate study from the City Engineer today. Mr. Cowie distributed the new rate sheet to the Councilmembers followed by discussion. He also showed a graph depicting the ending fund balances.

Ms. Colson then referenced the recommended rate changes listed below along with the 2013-2014 rates followed by discussion.

Utility	2013-2014 Rates	Recommended 2014-2015 Rates
<b>Water</b> (1" meter)		
Below North Union Canal		
Base	\$15.70	
Usage	\$1.29 / kgal	
Above North Union Canal

	\$1.63 / kgal	
<b>Sewer</b>		
Base	\$16.32	TBD
Usage	\$2.93 / kgal	
<b>Storm Water</b> (per ESU)	\$4.84	TBD

(kgal = 1000 gallons; ESU = Equivalent Service Unit, i.e. a single family home)

2 Mr. Cowie asked for the Council's thoughts on a 5 year plan with the option to  
review annually. Mayor Acerson commented that he is comfortable with the 12%  
4 increase for five years with the option to adjust it as needed. Following discussion the  
Council was in agreement on the five year plan. Ms. Colson then presented the updated  
6 PARC tax chart including the changes made from the previous meeting. Ms. Colson was  
not able to review the fee schedule changes due to time constraints, however, she noted  
8 the Council could contact her with any questions or concerns they may have. Ms. Colson  
concluded by stating there will be two budget public hearings to vote and pass the final  
10 budget. She explained the final budget will include a budget message (to introduce the  
budget), the proposed budget (including summaries and graphs), the fee schedule  
12 (including any changes), budget issues (to vote on), financial policies and also the  
compensation plan.

14 Mayor Acerson then thanked Ms. Colson for her presentation and for her hard  
work on the budget. He called for any further discussion or comments. Hearing none he  
concluded the work session at 6:58 p.m.

44 (URMMA), will make a presentation of dividends to the City from URMMA.

Ms. Kenison stated that their executive committee met and declared a dividend equal to 20% of the earned premium for the City this year. Ms. Kenison noted that, as a general policy, URMMA does not give a dividend every year, so to actually get a check back doesn't happen that often. She expressed her appreciation to Lindon City for being a part of URMMA. She then presented the dividend check to the City in the amount of \$5,546.00. Ms. Kenison also made a suggestion to use the funds for a project to make the city safer for the city and for the residents. **5. Open Session for Public Comment** – Mayor Acerson called for any public comment not listed as an agenda item.

Jeff Wilson, resident in attendance, approached the Council at this time. Mr. Wilson commented that he owns a small farm at 580 East 800 North. He noted that a corner of his property serves as a major portion of the 800 North Street that serves the Highlands at Bald Mountain and Coulson Cove subdivisions. Mr. Wilson commented that the current roadway does not meet the traffic standards. He further commented that there are safety issues and the defacto use of his property. He noted that he has met with the Lindon City Development Department regarding this issue and they responded that they decided to leave things as they are. Mr. Wilson stated that he set out straw bales on the corner of his property hoping to raise some awareness of the problem and was immediately told by the city that the straw would have to go. He added that the awareness point was made. He stated that he spoke with the residents in the neighborhood and they were disappointed that the city could not do anything.

Mr. Wilson further commented that the collector plan includes taking people's property, even though it is likely it many years or may not happen at all. He stated that no one he has talked to seems to want this; no one wants 35 mph traffic through the neighborhood. He added that no one wants to let the city extort their property for this "pipe dream" that may never happen. Mr. Wilson then presented a copy of the letter for reference.

2 Mr. Cowie gave a brief background of the issue from the City's standpoint. He  
stated that he will check with the Planning Director for a current update on the situation.  
He added that it is the hope of Lindon City to work with the property owners and  
4 continue to move forward towards improving the roadway as the property owners desire  
to improve their properties. There was then some general discussion by the Council  
6 regarding this issue. Following discussion, Mayor Acerson directed Mr. Wilson to  
submit a draft of what he would recommend what he would like to see happen, from his  
8 point of view, for the City Council and staff to review and come to a viable solution. Mr.  
Wilson stated that he will follow up and submit a draft to the City. Mayor Acerson called  
10 for any further public comments. Hearing none he moved on to the next agenda item.

## 12 **CURRENT BUSINESS**

14 **6. Review and Action** – *Lindon Days Grand Marshal(s)*. The City Council will discuss  
possible Grand Marshal(s) for the 2014 Lindon Days and make a final selection.  
16 Previously considered individuals will be unavailable during the Lindon Days events.

18 Adam Cowie, City Administrator, led the discussion by giving a brief summary of  
this agenda item stating the City Council will discuss possible names for Grand  
20 Marshal(s) for the 2014 Lindon Days and make a final selection. Mayor Acerson stated  
that he spoke with Kent and Janet Anderson and noted that they will be unavailable to  
22 participate as Grand Marshals during the Lindon Days events. The Council then  
discussed several individuals as possible Grand Marshals. Following some discussion the  
24 Council was in agreement to extend the invitation for the 2014 Lindon Days Grand  
Marshals to David and Marilyn Thurgood. Mr. Cowie noted that the Mayor will contact  
26 the individuals to extend the invitation. Councilmember Powell suggested including an  
alternate in the motion in the event that the Thurgood's cannot accept the invitation.

28 Mayor Acerson called for any further comments or questions from the Council.  
Hearing none he called for a motion.

30  
32 COUNCILMEMBER POWELL MOVED TO RECOMMEND DAVID AND  
MARILYN THURGOOD AS THE 2014 LINDON DAYS GRAND MARSHALS AND  
TO ALSO RECOMMEND LINDSEY AND JOHN BAYLESS AS ALTERNATES.  
34 COUNCILMEMBER HOYT SECONDED THE MOTION. THE VOTE WAS  
RECORDED AS FOLLOWS:

10 **8. COUNCIL REPORTS:**

12 **Councilmember Powell** – Councilmember Powell mentioned that she did a walk thru  
14 with Total Property Management (TPM) at the city owned residence on Main Street and  
noted that the house is in need of some repairs, i.e., carpet, tile missing, a staircase that  
16 needs to be fixed etc. Mr. Cowie stated that he will have Phil Brown, Chief Building  
Official, look into this issue. Councilmember Powell also complimented the City and  
18 staff on how nice State Street looks because of weed abatement control. She also  
reported that there has been a rash of home break-ins recently.

20 Councilmember Powell then brought up the Public Safety Building and  
mentioned a different approach that could possibly be taken due to budget constraints etc.  
22 She asked the Council to think about the fact that the City has an entity that can fund the  
Community Center (which we already own) and convert and retro-fit it into the public  
24 safety building. Councilmember Powell stated that she has talked to several individuals to  
see if this is even feasible. She commented that the city could bond for a Community  
26 Center that we already have a revenue string (PARC tax) that could fund a bond.  
Councilmember Powell explained that this new two story Community Center could be  
28 located on the hill overlooking the rodeo grounds and connect to the Aquatics Center and  
also cover the pool. Councilmember Powell stated that she feels this could work and  
30 noted that it does not have to be an elaborate facility. She stated that there is 3 million  
(potentially) to work with and noted that we would only have to do a certain amount. She  
32 went on to say it would be great to put our residents in a structurally sound building.  
Councilmember Powell added that there are ways to raise revenue to retrofit the  
34 Community Center and make it into a lovely building that fits the character of Lindon.  
She asked the Council to think about this issue and consider this as another option. There  
36 was then some general discussion by the Council regarding the conceptual idea presented  
by Councilmember Powell. Following discussion the Council was in agreement this idea  
38 is something to pursue further and to gather information on for more discussion. Mr.  
Cowie stated that he will put s together some rough estimates and bring back to the  
40 Council.

42 **Councilmember Bean** – Councilmember Bean had nothing to report.

44 **Chief Cullimore** – Chief Cullimore was not present at this portion of the meeting.

2 **Councilmember Hoyt** – Councilmember Hoyt reported that he had the opportunity to  
4 attend the DUI checkpoint which was an eye opening experience. He stated that Chief  
6 Cullimore is well respected by the other agencies and it was great to see the  
8 professionalism of Chief Cullimore and his officers. Councilmember Hoyt also reported  
10 the Eagle Scout project of laying sod at the Lindon View Park was a success. He thanked  
12 Mayor Acerson for attending and noted there was a lot of support from residents in the  
14 city.

16 **Councilmember Broderick** – Councilmember Broderick had nothing to report.

18 **Councilmember Lundberg** – Councilmember Lundberg mentioned at the Utah League  
20 of Cities and Towns conference she had the opportunity to have a discussion with the  
22 Manager of Republic Services about encouraging more recycling in the city. She  
24 mentioned that she then contacted Alissa Daley at Waste Management who provided a lot  
26 of information and statistics. Councilmember Lundberg also mentioned that she met with  
Damian Howard, a student at BYU, along with Councilmember Powell and Ms. Daley  
and had discussion about opt-in and opt-out programs. She noted that Mr. Howard would  
like to be tasked to create a statistical collection to present to the residents on why  
recycling is beneficial. She noted that Mr. Damian would like to present a public  
relations presentation to the Council on ways to educate the citizens. The Council was in  
agreement to forge an information campaign focusing on awareness, including door  
hangers, city website, newsletter, Lindon Days booth, etc., as options to get the  
information out to residents. Mr. Cowie mentioned that he will send something official  
to the Council in July or August when he hears back from Republic Services with official  
dollar figures.

28 **Mayor Acerson** – Mayor Acerson reported that he attended the Utopia Mayor’s meeting  
30 and Mountainland Associations of Governments (MAG) meetings this past week. Mayor
