**LINDON CITY
2012-2013 APPROVED BUDGET**

June 19, 2012

To: Honorable Mayor Dain, Members of the City Council, Citizens of Lindon

RE: 2012 BUDGET MESSAGE

It is our privilege to present the Fiscal Year 2012-2013 Budget to you for your approval. This document is prepared following the public hearing held on June 5, 2012 and in preparation for the public hearing on June 19, 2012. The following Budget Message is an overview of the highlights in the budget. Additional information is available from Kristen Colson, Finance Director, who has prepared the budget in full detail. It is our intent to again submit the budget for consideration of the Government Finance Officers Association (GFOA) Distinguished Budget Award.

BUDGET MESSAGE

This budget has been prepared in a very similar economic environment compared to a year ago. The national and local economies have shown some signs of improvement over the past year; however, it is commonly accepted that any recovery will be a slow process.

The current recessionary trends are not new and Lindon City has weathered similar economic storms in the past by establishing sound financial policies, such as:

- ▶ Slightly underestimating revenues and slightly overestimating expenditures in the annual budget,
- ▶ Using one-time monies for one-time projects,
- ▶ Carefully analyzing the need for additions to staff,
- ▶ Evaluating the need to replace staff when a position becomes open due to resignation or retirement,
- ▶ Utilizing technology to improve customer service while increasing efficiency, and
- ▶ Maintaining fund reserves.

This budget includes some rate increases and severely curtails most capital improvement projects. As the economy has shown some improvement, an increase for a cost of living allowance and additional staff is proposed.

BUDGET POLICIES

The City is required by State law to enact a balanced budget. This year, the budget has been balanced without any increases in taxes. Lindon takes a conservative approach when creating the budget by slightly underestimating revenues while slightly overestimating expenditures. The City also generally relies on a pay-as-you-go method

LINDON CITY
2012-2013 APPROVED BUDGET

whenever possible. However, the use of debt may often be the most advantageous method of funding large capital projects, especially when bonds can be issued at low interest rates. Additionally, bonding remains a valid funding tool for capital projects as long-term debt spreads out the payment to the future generations who benefit from the capital infrastructure. This budget does not recommend the issuance of additional long-term bonds this fiscal year. Of significance is the fact that the City maintains an “AA” bond rating, which is one of the highest ratings of cities in Utah, including cities much larger than Lindon.

Other budget policies include the requirement for a new or increased source of revenue before recommending any increases in operational costs and utilizing one-time revenues exclusively for one-time expenditures. As a safeguard, all revenue collections and expenditures are monitored throughout the year by management.

EXPENDITURE HIGHLIGHTS

Personnel

This budget includes few requests for personnel. A full-time police officer position which has been vacant since 2009 is proposed to be filled. A new part-time position is proposed for a Community Center Program Coordinator.

Personnel wages are proposed to be increased by the April 2012 Consumer Price Index of 2.3% in order to provide employees with a cost of living allowance increase. Benefits are proposed to increase to help cover the increase in medical and dental insurance premiums.

Operations

Substantial reductions were made in many operating accounts although a few accounts were increased when the additional expenditures were unavoidable, e.g., increased fuel or utility costs.

Capital

Capital expenditures continue to be postponed whenever possible; however in the long run, this may impede the ability of the City to perform adequately, i.e., vehicles, heavy equipment or infrastructure will break down more often or require more costly repairs. As the economy is improving, Lindon is prioritizing needs and beginning to increase a few capital expenditures.

The capital projects budgeted for this fiscal year consist of

- improving infrastructure in Redevelopment Agency districts within the city
- replacing the large park pavilion at the City Center Park
- replacing heavy equipment in the Streets Department

**LINDON CITY
2012-2013 APPROVED BUDGET**

- acquiring right-of-way and completing road construction to connect Center Street
- relocating water, sewer and storm water utility lines as part of Utah County's Murdock Canal piping project
- the completion of the sewer treatment plant expansion and new lift station and pressurized line in conjunction with Orem City
- the relocation of a storm water ditch in the wetland area on the west side in conjunction with two other cities who also benefit from the drainage system

Most of these projects are not funded by taxes, but by restricted revenues which are designated for such projects.

REVENUE HIGHLIGHTS

The Lindon City 2012-2013 budget does not include tax increases nor rate increases for pressurized irrigation and garbage and recycling services.

Minimal increases are requested for water and storm water utility rates. These rates are proposed to increase by the April 2012 Consumer Price Index of 2.3% in order to cover the increasing cost of operations.

A 12% increase in the sewer utility rate is necessary to cover the debt service for the new bond. The City Engineer conducted a study of the sewer fund and recommended that the sewer rate increase 12% this year in order to cover the debt service requirements. Lindon City is able to spread the necessary increase over several years by using the fund reserves during this time period.

The fees for two police reports have increased. Also, the Aquatics Center will start selling punch passes. All other fees for city services remain the same.

CHALLENGES FOR THE FUTURE

The City faces the following challenges that have not been addressed in this budget:

- the economy failing to improve before general fund reserves are depleted
- the construction of a public safety building
- the continually increasing need of funding for infrastructure maintenance such as road overlays and water, sewer and storm water systems repair and replacement

BUDGET AWARD

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to Lindon City, Utah for its annual budget for the fiscal year beginning July 1, 2011. In order to receive this award, a governmental unit must publish a budget document that meets program

LINDON CITY
2012-2013 APPROVED BUDGET

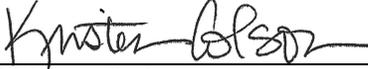

criteria as a policy document, as an operations guide, as a financial plan and as a communications device.

This award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for the City's seventh consecutive award.

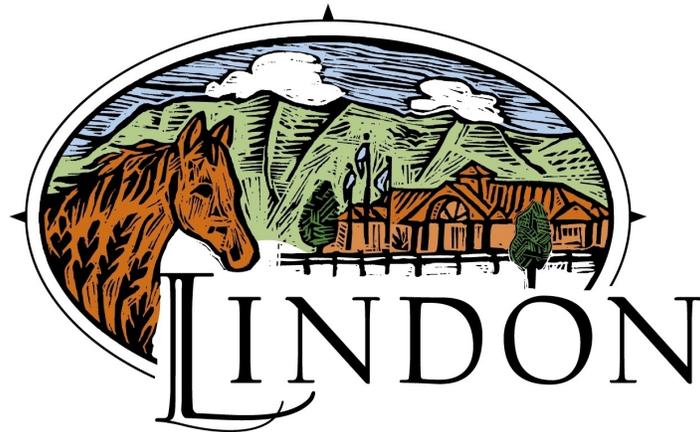

A reproduction of the certificate is in the Appendix.

Ott Dameron
City Administrator

Kristen Colson
Finance Director

Lindon City Community Profile Section

This section of the City's 2012-2013 Budget presents information regarding the City's rich culture, location, population, education, economic development, and statistics.

Lindon History.....	6
The history of Lindon describes the rich cultural background that residents enjoy on a daily basis.	
Lindon Location.....	7
The location of Lindon is centered between Orem City and Pleasant Grove City, and gives details on elevation, acres, and boundaries.	
Lindon Land Use, Population, Education, Economic Development.....	7
Voted 81 st in the nation as one of the best small towns to live in, this section gives more detailed information regarding the land use, population, education, and economic development of Lindon City.	
Lindon Statistics.....	8
This section covers all the statistical information of the City such as population projections, population make-up, and the assessed value of the City, recreation statistics, and police statistics.	

LINDON CITY COMMUNITY PROFILE

HISTORY

Lindon was first settled in 1850 by Mormon pioneers. As an outgrowth of Pleasant Grove, originally known as Stringtown because the houses were built along a single road, the City's layout was unique from other valley cities. The land was divided into clusters and subdivisions rather than along stream beds, necessitating the water to be diverted along the new lines.

When the City was incorporated on March 5, 1924, with a population of "458 souls," the town petitioned the government for a formal post office to be named Linden, after the Linden tree. The post office approved the paperwork as Lindon instead of Linden. The name has never been changed.

Lindon has an abundant cultural and historical background. Over the past century Lindon has seen organized development, but it has tried to remain true to its motto, "A little bit of country."

Some notable historic sites include:

1. The Gillman Farm – 584 West Gillman Lane.
James Henry Gillman bought 10 acres of land late in the 1800s. Now, over a hundred years later, four generations of Gillman's have restored and continue to work the land today. The Gillman Farm has been identified as one of Utah's "Century Farms."
2. Lindon Cider Mill – 395 North State Street.
Built by Lewis Robinson in 1857, the Lindon Cider Mill provided cider for City residents every fall and winter. Later in the summer, residents would use the aged cider as vinegar. Today the cider mill stands with its original honeycomb limestone that was quarried from American Fork Canyon.
3. Lindon Ward Chapel – 400 North and Main Street.
The Lindon Ward Chapel was built by early members of The Church of Jesus Christ of Latter-Day Saints (LDS Church) who settled in Lindon in the late 1800s. The chapel was dedicated in 1891 by Reed Smoot, a member of the quorum of the twelve apostles of the LDS Church. Today, the original iron fence and pine trees remain where the church once stood.
4. Lindon Elementary School – Main Street and Center Street.
Lindon Elementary school was built for \$5,200 in 1900. It was annexed by the Pleasant Grove School District and was torn down in 1966. A new school was constructed for \$510,000 in November 1967.

LINDON CITY

2012-2013 APPROVED BUDGET

LOCATION

Lindon City is located in the north of Utah County, the 2nd largest county in Utah. Lindon is approximately 40 minutes south of Salt Lake City, and 20 minutes north of Provo, Utah. It extends east to the Wasatch Mountains and the Great Western Trail and west to the Lindon Marina on Utah Lake. The City shares a boundary with Orem on the south and with Pleasant Grove and American Fork on the north. The mean elevation of the City is 4,640 feet above sea level. The City has an area of about 5,453 acres.

A Beautiful Place

Lindon City is a beautiful and fun place to live. Ranked in 2011 by CNN Money Magazine as the 81st best small towns in America to live in, residents here think Lindon should have been number 1. A variety of sights and activities for people of all ages can be found in and around the Lindon area. Utah Lake, Utah's largest freshwater lake, lies to the west of Lindon's marina and offers a wide array of activities such as boating, waterskiing, and fishing. A paved scenic trail runs through the City and under State Street called the Lindon Heritage Trail. This trail can be used for bicycling, jogging, walking, or horseback riding. Mountain ranges, such as the beautiful Wasatch Mountains to the east and the White and Oquirrh Mountains to the northwest, can also be found within a forty-five minute drive of the City and offer activities such as hiking, mountain biking, fishing, camping, and skiing.

Land Use

Lindon City has three basic types of land use: residential, commercial, and industrial. About 50 percent of the land is zoned for residential, while 27 percent of the land is zoned commercial. Approximately 20 percent of Lindon is zoned for industrial and manufacturing uses. Approximately 64 percent of the land within the City has been developed to date.

Population

According to the 2010 census, Lindon has a population of 10,070 and a median annual household income of \$78,385. Lindon is classified by the State of Utah as a 4th Class City. Total build-out population estimates for Lindon City are about 17,000 and is expected to occur around the year 2050. In the past, the City experienced a yearly growth rate of around three percent, but with the economic downturn the growth rate has slowed substantially to about 0.5-1.0% over the last several years.

LINDON CITY
2012-2013 APPROVED BUDGET

Education

The Alpine School District operates the public and charter schools in Lindon. Lindon Elementary, Rocky Mountain Elementary, Timpanogos Academy, Maeser Academy and Oak Canyon Junior High School are in Lindon. Lindon students also attend Aspen Elementary and Pleasant Grove High School. The City is 15 minutes from Utah Valley University in Orem and 20 minutes from Brigham Young University in Provo. There are also several smaller universities, community colleges, and vocational institutions that can be found in and around Utah County.

Maeser Academy is a charter school that hosts grades 7-12. Maeser Academy was published in Newsweek as the best school in the state and 232nd in the nation.

Of residents at least 25 years old, 93.9% have a high school education, 35.8% have a bachelor's degree or higher.

Economic Development

Lindon City is bisected by Interstate 15 with two freeway interchange accesses in Lindon. The City has created a business-friendly climate. Major employers include Walmart, Home Depot, Canopy Group, Altiris Inc., Teleperformance USA, Utah Pacific Bridge & Steel, Mountain State Steel, Sunroc Corp, and Stock Building Supply. Major taxpayers include Walmart, Home Depot, Murdock Hyundai, Sunroc Corp, Burton Lumber, Larry H. Miller Lexus and Mercedes Dealerships, Low Book Auto Sales and UIS Inc.

STATISTICS

The following pages contain several statistics relating to the services provided by the City. Numbers for statistics are supplied by City Departments. Current population numbers are supplied by the Planning and Zoning Department, while population projections are supplied by Mountainland Association of Governments. Socioeconomic statistics are from the U.S. Census Bureau.

BUDGET HIGHLIGHTS AND OVERVIEW

This is a balanced budget for Fiscal Year 2012-2013 that meets all legal requirements and accepted administrative practices. This budget document is the culmination of a major effort by numerous members of the City staff and officials. We have again endeavored to apply the standards of the Government Finance Officer's Association (GFOA) to both the budget process and this document, and will submit the document for consideration of the GFOA's Distinguished Budget Award. In applying the GFOA standards, we benchmark our performance against the standard for this process in local government.

LINDON CITY FOCUS

Lindon City's mission is to provide high quality, cost-effective service to our community now and in the future, while preserving and enriching Lindon City's identity as "A Little Bit of Country."

In addition, the Mayor and City Council strive to:

- Enhance livability by maintaining open space, developing and expanding the City's parks and trails systems, planning for low density housing, and promoting cohesion throughout the community.
- Support economic development by attracting quality businesses that compliment our community as well as addressing the needs of current businesses and commercial developments.
- Evaluate and improve aging infrastructure, as well as provide for future growth.
- Conduct City operations so as to avoid, eliminate, reduce, transfer and manage risks and thus provide a safe environment in which to work, live and play.
- Provide accountable, progressive, responsive, and open government while treating our residents, businesses, employees and visitors with fairness, respect and honesty.

This year the Mayor and City Council continue to show their commitment to valuing the input of the community and the efforts of our staff, protecting the integrity of our public utilities, and promoting high levels of maintenance at our numerous public facilities.

LINDON CITY
2012-2013 APPROVED BUDGET

The City Council has seven ongoing goals for 2012 which guide departmental functions throughout the City.

1. Preserve and enhance our sense of community.
2. Use City resources efficiently to ensure long-term financial stability.
3. Continue to plan for, improve and maintain the City's infrastructure.
4. Provide responsive, cost effective service to the community.
5. Assure a safe and healthy community.
6. Manage growth and respond to change consistent with maintaining a livable, full-service City.
7. Provide and support a highly qualified and motivated City workforce.

OVERVIEW OF LINDON CITY ACCOUNTING STRUCTURE

Basis of Accounting

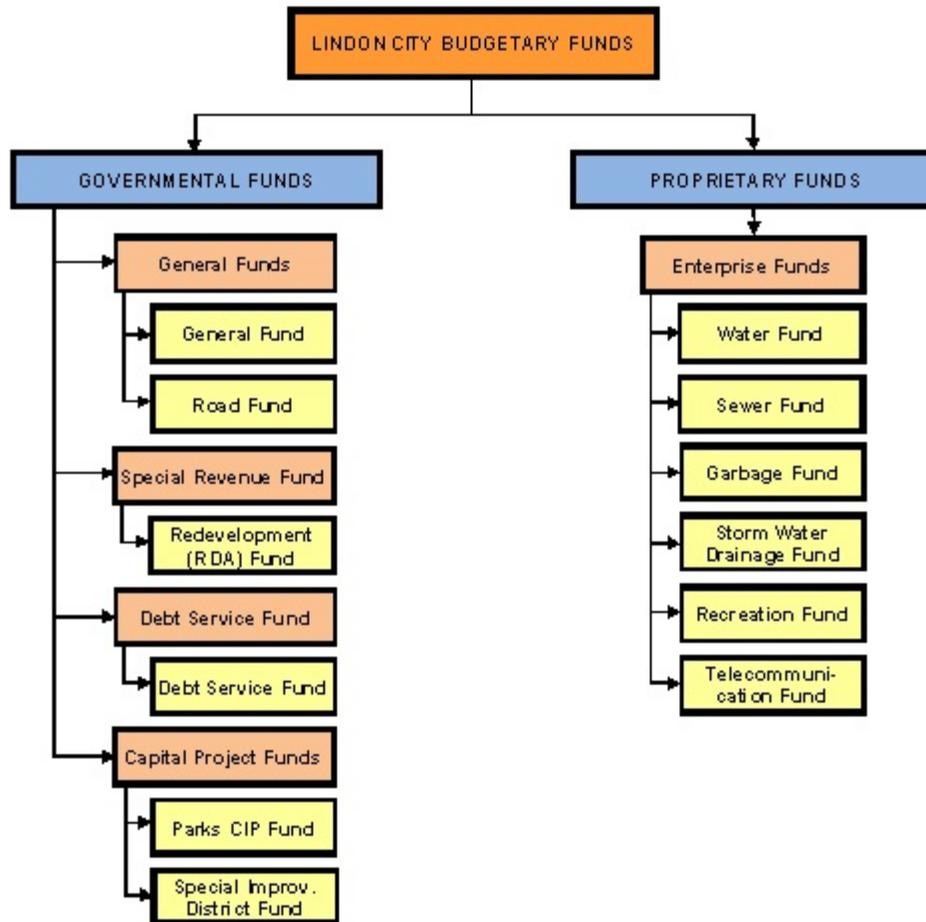

Lindon City's fiscal year is July 1 through June 30. The City follows GAAP (Generally Accepted Accounting Principles) guidelines to account for all funds. GAAP requires using the Modified Accrual basis of accounting for all governmental funds, and the Accrual basis of accounting for proprietary funds. Lindon City uses the modified accrual basis of accounting to budget ALL funds. Thus, the basis of budgeting is not the same as the basis of accounting for all proprietary funds. Under GAAP basis of accounting, capital outlays and debt service payments are not reported as expenditures in the current year, but allocations are made for depreciation and amortization expense. Under the modified accrual basis of budgeting, these amounts are recorded as expenditures in the current year. Depreciation is not budgeted. These types of differences occur in all proprietary funds for the 2012-2013 budget.

Fund and Fund Types

Lindon City utilizes governmental and proprietary funds. The City does not have any fiduciary funds. The City uses four different governmental fund types: general, special revenue, debt service and capital projects funds. The City does not have a permanent fund. The only proprietary funds that Lindon City has are all enterprise funds.

The following page has a chart of funds used by Lindon City to track resources and outlay. The funds are listed by fund classification and fund type. All of these funds are appropriated as well as accounted for in the City's financial statements. Lindon City accounts for these funds in accordance with generally accepted accounting principles (GAAP).

**LINDON CITY
2012-2013 APPROVED BUDGET**

Governmental Funds

These are funds through which most governmental functions are typically recorded and financed. Lindon City uses four different fund types which are classified as governmental funds.

General Funds

Lindon City uses two funds classified as general funds. The General Fund is the chief operating fund and is used to account for all financial resources necessary to carry out basic governmental activities which are not required to be accounted for in another fund. The General Fund is comprised of the following departments or divisions.

Legislative	General Government Bldgs	Public Works Administration
Judicial	Police	Parks
Administration	Fire Safety	Library
City Attorney	Protective Inspections	Cemetery
City Engineer	Animal Control	Planning & Economic Development
Elections	Streets	Transfers & Contributions

**LINDON CITY
2012-2013 APPROVED BUDGET**

The Road Fund is a separate general fund which accounts for moneys distributed by the state of Utah which are collected from a tax on gasoline. This revenue is allotted based on the miles of class B & C roads maintained by a municipality. Road impact fees are also recorded in this fund as well as the installation, maintenance and improvement of roads within the City.

Special Revenue Fund

The Redevelopment Agency (RDA) Fund is used to account for the three RDA districts within the City. Tax increment from property taxes paid in these districts is remitted to the Lindon City Redevelopment Agency and then those funds are appropriated for projects within the corresponding districts.

Debt Service Fund

This fund is used to track debt service payments for governmental debt obligations.

Capital Projects Funds

Lindon City has two capital projects funds. The Parks Capital Improvement Project (CIP) Fund tracks the receipt of park impact fees. These fees are appropriated for the purchase and development of city parks.

The Special Improvement District (SID) Fund accounts for payments made by property owners in the only SID in the City. The funds are then appropriated for debt service payments on the bond which was used to make special improvements in behalf of the property owners in that district.

Proprietary Funds

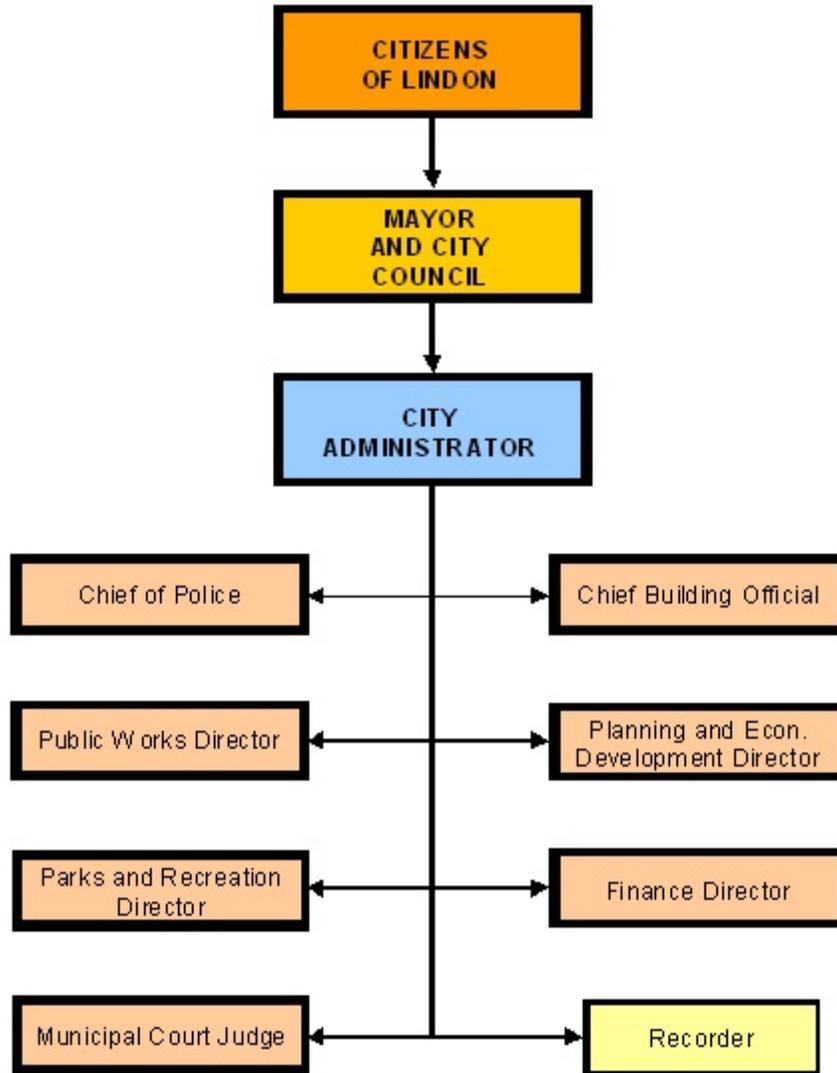

These funds are used to account for the City's ongoing business-like activities. The City uses enterprise funds to account for activities in the following funds. Lindon City does not have any other type of proprietary funds, other than enterprise funds.

Water Fund	Storm Water Drainage Fund
Sewer Fund	Recreation Fund
Waste Collection Fund	Telecommunication Fund

So how does the accounting structure fit in with Lindon City's organization? Refer to the exhibits on the next two pages. The first is Lindon City's Organizational Chart showing the hierarchy from the citizens of Lindon to the department heads. The following page has a list of Lindon City's accounting departments listed by the City Administrator or department head who supervises it, as well as the accounting fund in which it is located.

LINDON CITY INITIATIVES

This budget was developed under the concept that Lindon City's government exists to protect what is valued today while meeting tomorrow's needs.

Over the last ten years, there has been a dramatic increase in the number of parks, miles of streets, and City operated buildings and grounds. Each of these expansions, though often undertaken and funded in a single year, represents a commitment of time and resources for maintenance in the future. All this has to be taken into account when the budget is created each year.

LINDON CITY 2012-2013 APPROVED BUDGET

Economic development is another initiative the City hopes to improve over the next several years. Lindon City is a small, quaint community, but has many resources for generating some large sales tax numbers. The 700 North Corridor here in Lindon is an excellent place for businesses as it provides access to Interstate 15, is a relatively new road surrounded by open area and is anchored to State Street by a Wal-Mart Supercenter.

Economic Factors

Lindon's economy has seen a downturn over the last in recent months. Lindon City's sales tax revenue reduced a total of 27.9% from the 2006-2007 fiscal year to the 2009-2010 fiscal year. However, since the 2009-2010 fiscal year, Lindon City has seen an 18.1% increase in sales tax revenue. Economists are hopeful that the economy will continue to rebound and show improvement. With this in mind, Lindon City's budget has been prepared with the intent to continue minimizing expenditures, but providing for expenditures which have been postponed, such as employee salaries and staffing.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Staffing Level Changes

The City has been deficient 3 full time and 1 regular part time positions since 2009. This year, the City Council has approved filling the one full time position deficient in the police department. A new part-time position was also created to help in the Community Center, which has been operational for less than a year.

Salary and Benefit Increases

The administration of the City is committed to ensuring that employees are adequately compensated for the work they perform, that there are enough employees to do all the work necessary and there is adequate work space. However, due to the economic conditions over the last several years, meeting these criteria have not always been possible. The Mayor and City Council have told the employees that as the economy improves, they would like to re-commit to these ideals.

The City Council has approved a 2.3% Cost of Living Allowance (COLA) increase effective July 1, 2012. This increase is based on the Consumer Price Index from April 2012. The merit increases which would be earned and are normally effective January 1, were conditionally approved, pending final Council approval after reviewing the City's financial situation in December 2012.

Lindon City continues to contract with First West Benefits Solutions (FWBS) to manage the employee benefits. FWBS bid out the medical insurance coverage again this year. Renewal rates for Altius, who currently provides the medical insurance for employees, have increased 6.57%. Premiums through other medical insurance providers were 20-85% higher than current premiums. Lindon City was notified by EMI, the dental insurance provider, that premiums would be increasing 2.5%.

The City Council decided to remain with Altius for a minimal increase in premium. The increased costs in employee benefits are being shared between employees and Lindon City. Lindon City's share of the increase in employee benefits is about \$27,100 for the fiscal year.

Tax Levels

Property taxes are not increased. While the Certified Tax Rate (CTR) increased slightly, property valuations decreased. The CTR change merely keeps the City at the same revenue. The City had an increase in the Certified Tax Rate in fiscal year 2009-2010 of 30% and has opted not to pursue another tax increase given the current state of the economy.

The total sales tax rate for Lindon City is 6.75%. The municipal portion of the sales tax remains at one percent, of which Lindon receives about 65-70%. The municipal energy

LINDON CITY
2012-2013 APPROVED BUDGET

sales and use tax rate is still at 6.0%. The cable franchise tax rate is still 5.0%. The telecommunications license tax is still at 4.0%.

Rate and Fee Changes

Lindon City increases utility rates by the April CPI each year in an effort to keep rates adequate to cover the expenses of maintaining the utility lines and in order to avoid huge increases sporadically. This year, water and storm water rates increased 2.3%. The sewer rate increased 12% in accordance to a rate study which was part of the 2011 sewer bond process. In order to cover bond payments for the \$3 million bond, rates are increasing over a 3 year period. The final rate increase of 15% will occur next year. The average increase on a residential utility bill effective July 1, 2012 will be \$4.32 per month.

A new fee was added for punch passes at the Aquatics Center. This offers both residents and non-residents an alternative to season passes. The punch passes are available for 10 or 20 punches and offer the discount of buying 9 and getting 1 free. The punch passes may also be used for multiple guests.

This document contains a complete listing of fees in the Fee Schedule Section.

Use of Reserves or Fund Balance

An important aspect of the financial health of a city is the fund balance. The fund balance is the excess of an entity's assets over its liabilities in governmental funds. A negative fund balance is also called a deficit. The State of Utah requires cities to maintain a fund balance in the General Fund of at least 5%, and no more than 18%, of budgeted revenues less qualifying transfers (Utah Code Annotated 10.6.116).

It is Lindon City's policy to only use fund balance reserves for capital or one-time expenditures. The City strives to keep operational costs within the scope of its dependable revenue and only use the fund balance reserves to pay for major capital expenditures.

Unfortunately, in these economic times, it has become necessary to draw on fund balance for operations and as you can see in the next table, the fund balance for the General Fund decreases 10.8%. However, the Road, Redevelopment (RDA) and Parks Capital Improvement Project (CIP) Funds have significant decreases in fund balance (33.4%, 32.9% and 73.6%, respectively) due to capital projects. These funds have restricted revenues that have been set aside in past years and are now being used to fund qualifying projects. The Road and RDA Funds have street and sidewalk improvements and the Parks CIP Fund project is a new pavilion in the City Center Park. The 44.0% decrease in the SID Fund is due to the final payment on the corresponding bond being made from the reserve.

Budget Calendar

The annual budget serves as the foundation for the City's financial planning and control. The City's budget process is well laid out starting in February for a budget that will be adopted by June 22 and go into effect July 1. The creation of the budget follows the time line on the next page.

An annual Retreat is held in February at which the Mayor, City Council and Department Heads meet to discuss and brainstorm City issues. This influences the City's budget by addressing new projects and goals that stem from concerns raised by residents and Council Members. These items may be immediately addressed or may need many years of planning, such as a Recreation Complex.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Following the Retreat, the Finance Director prepares worksheets for Department Heads with the following information.

- Last two (2) years of audited amounts
- Original current year budget amounts
- Year-to-date amounts from the most recent revenue and expense report
- A column for Department Heads to request next year's budget amounts
- Another column to allow for detail on those line items

While the Department Heads are preparing their budget requests, the Finance Director is reviewing additional information, such as historical trends and the outlook for the next year. Once the Department Heads submit their budget requests in March, the Finance Director compiles the departmental budgets into one document along with a preliminary change in fund balances or fund equities. The Finance Director and City Administrator review the preliminary budget document and then address necessary changes in department requests with the Department Heads.

While external boards or commissions, such as governments or associations, do not have direct influence on Lindon's budget, there are occasionally external processes that may affect the City's budget. Examples include grants from Mountainland Association of Governments (MAG), Utah County, or the state of Utah, or the need to coordinate and participate in infrastructure improvements with surrounding cities, Utah County or the state of Utah.

**LINDON CITY
2012-2013 APPROVED BUDGET**

The Finance Director presents the Tentative Budget to the Mayor and City Council on or before the first meeting in May. Following this presentation and prior to the Finance Director's submission of the Proposed Budget in June, there are several Budget Committee meetings and City Council work sessions. These meetings and work sessions help guide the development of the City Budget through input and justification by Department Heads and direction and prioritization from the Mayor and City Council.

The public is invited to participate in the budget process. The City Council may commission public surveys on projects or other issues. Residents are encouraged to attend and comment in the public hearings.

The City holds two public hearings on the budget. The first public hearing is on or before the first meeting in June to present and discuss the Proposed Budget. The second public hearing is held on or before the second Council Meeting in June to present and adopt Final Budget. Utah State Code mandates that the Final Budget must be adopted before June 22. The budget is then provided in digital format on the City's website and is available to all departments for their use in the upcoming year.

Once the budget is adopted by the Council, the Department Heads are responsible for working within their budgets. Monthly financial summaries provided by the Finance Director will keep the Council informed of operating trends and developing problems. Under this approach, the necessity to amend the budget of any fund during the year should be rare.

Within the approved budget, Department Heads may make transfers of appropriations inside their department. Transfers of appropriations between departments or funds, however, must be presented by the Finance Director to the City Council and require a public hearing (for governmental funds) and the approval of the City Council (for all funds). Final amendments to the current year budget of all funds shall be adopted by the City Council by the last day of the fiscal year.

MAJOR BUDGET ISSUES

The Lindon City Council considered and acted on the following five budget issues.

Budget Issue #1

Issue: Should Lindon City increase Water, Sewer and Storm Water utility rates?

Background: The City Engineer recommends that these utility rates be increased annually using the Consumer Price Index (CPI) in order to cover the rising costs associated with operating and maintaining the systems. The CPI increase for April 2012 is 2.3%.

**LINDON CITY
2012-2013 APPROVED BUDGET**

The City Engineer completed a review of the Sewer utility rates as part of the sewer bond process. The analysis concluded that Lindon City should increase sewer rates in order to cover the bond payments. The recommended increase for 2012-2013 is 12%.

The recommended rate changes are listed below along with the 2011-2012 rates.

Utility	2011-2012 Rates	Recommended 2012-2013 Rates
Water (1" meter)		
Below North Union Canal		
Base	\$15.06	\$15.41
Usage	\$1.24 / kgal	\$1.27 / kgal
Above North Union Canal		
Base	\$16.10	\$16.35
Usage	\$1.28 / kgal	\$1.30 / kgal
Upper Foothills		
Base	\$25.85	\$25.20
Usage	\$1.54 / kgal	\$1.55 / kgal
Sewer		
Base	\$12.67	\$14.19
Usage	\$2.28 / kgal	\$2.55 / kgal
Storm Water (per ESU)	\$4.64	\$4.75

(**kgal** = 1000 gallons; **ESU** = Equivalent Service Unit, i.e. a single family home)

The monthly increase on an average resident's utility bill (below North Union Canal) would be:

Water	\$0.53
Sewer	\$3.68
Storm	<u>\$0.11</u>
Total	\$4.32

Differential Fiscal Impact:

Water Fund	\$24,800
Sewer Fund	\$126,500
Storm Water Fund	\$9,000

These changes are reflected in the Final Budget and the revised Fee Schedule.

City Council Action: Approved

**LINDON CITY
2012-2013 APPROVED BUDGET**

Budget Issue #2

Issue: Should Lindon City increase Garbage and Recycling rates?

Background: Lindon City charges residents for garbage and recycling collection. The rates are determined by three factors.

Allied Waste's collection rates

Allied Waste's fuel surcharge (variable)

North Pointe Solid Waste Transfer Stations tipping fees (based on varying weights)

Allied Waste Services is requesting a CPI increase of 3.0% on the garbage and recycling collection services for Lindon City. This rate was last adjusted in March 2010. However, their fuel surcharge is re-evaluated monthly. The changes in the CPI include the increasing costs of fuel. Approving a 3.0% increase would mean approving a fuel increase twice.

Lindon City may wish to consider a 1.5% increase in recognition of other costs that have increased, such as payroll and vehicle maintenance. There is enough fund balance in the Waste Collection Fund to absorb the increase in collection fees without increasing rates on the utility bills. A rate evaluation should be done in the following year to assess the need for rate increase in the 2013-2014 fiscal year.

Fiscal Impact: The 1.5% increase in Allied's collection fees would increase Lindon City expenses about \$3,350 for the year. This request is reflected in the Final Budget.

City Council Action: Approved

Budget Issue #3

Issue: Should Lindon City continue to fund the insurance benefits for city employees?

Background: Lindon City employees met together in January 2012 to discuss ways in which they could help offset the rising costs of benefits. The employees offered to give up a \$10.50 per month benefit.

Lindon City continues to contract with First West Benefits Solutions (FWBS) to manage the employee benefits. FWBS bid out the medical insurance coverage again this year. Renewal rates for Altius, who currently provides the medical insurance for employees, have increased 6.57%. Premiums through other medical insurance providers were 20-85% higher than our current premiums.

Lindon City was notified by EMI, the dental insurance provider, that premiums would be increasing 2.5%.

**LINDON CITY
2012-2013 APPROVED BUDGET**

As of July 1, 2012, the City will have 42 full-time employees, three ¾-time employees and 1 city council member with benefits. Lindon City has provided full-time employees a benefit allowance equal to the family premiums for the traditional medical plan and the dental plan less the determined amount for the employee participation. The amount for the employee participation changes each year by half of the percentage increase or decrease in the family medical and dental premiums. This year there is a increase of 6.10% so the employee participation will increase 3.05%.

The overall benefit allowance increase, as determined by the increase in Altius and EMI premiums and offset by the increase in employee participation, is 5.38% or \$70.59 per month for full-time employees taking medical insurance. Employees who do not participate in medical insurance through Lindon City will not receive an increase in their benefit allowance.

Differential Fiscal Impact:

General Fund	\$24,006
Water Fund	\$847
Sewer Fund	\$847
Storm Water Fund	\$847
Recreation Fund	<u>\$559</u>
Citywide Total	\$27,106

These increases are reflected in the Final Budget.

City Council Action: Approved

Budget Issue #4

Issue: Should Lindon City provide employees with a 2.3% Cost Of Living Allowance (COLA) increase and provide for a merit step increase in January?

Background: The Consumer Price Index (CPI) has increased 2.3% from April 2011 to April 2012 according to US Department of Labor. Performance evaluations are performed annually in January at which time merit increases would be available to those who meet a predetermined criteria. Historically, COLA and merit increases have provided somewhat consistent buying power for the employees and have kept salaries competitive and employee morale high.

Differential Fiscal Impact:

	<u>COLA only</u>	<u>Merit only</u>	<u>COLA & Merit</u>
General Fund	\$71,665	\$37,777	\$105,004
Water Fund	\$3,071	\$1,823	\$4,936
Sewer Fund	\$2,349	\$1,394	\$3,776
Storm Water Fund	\$2,990	\$1,775	\$4,806
Recreation Fund	<u>\$1,812</u>	<u>\$1,075</u>	<u>\$2,912</u>
Citywide Totals	\$81,888	\$43,844	\$121,433

**LINDON CITY
2012-2013 APPROVED BUDGET**

Both the COLA and Merit increases are reflected in the Final Budget.

City Council Action: Approved COLA increase. Merit increase approved conditionally, pending final Council approval after reviewing the City's financial situation in December 2012.

Budget Issue #5

Issue: Should Lindon City fill the full-time police officer position and create the new part-time position of Community Center Program Coordinator?

Background: The Chief of Police has requested that a full-time police officer position be filled which has been vacant since the last employee was terminated in 2009. Other officers have been providing the necessary coverage through overtime hours. However, this does not provide optimal service and risks employees depending on the income from overtime hours. In extreme circumstances, officers could overextend themselves which could jeopardize their health and the public's safety.

The Parks and Recreation Director has requested that the new part-time position of Community Center Program Coordinator be created in order to coordinate classes and activities which will be held in the Community Center.

Fiscal Impact:

<u>Police Officer</u>	
General Fund	\$82,423
<u>Program Coordinator</u>	
Recreation Fund	\$18,261

The salaries and benefits with COLA and Merit increases for these positions are reflected in the Final Budget.

City Council Action: Approved

CAPITAL PROJECTS

Expenditures for purchase or improvement of assets or infrastructure qualify as a capital expenditure if they exceed \$5,000 and have (or extend) a useful life 5 years or more.

The capital projects on the following page, totaling \$2,611,924, have been approved for 2012-2013.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Fund	Project	Budget
General	Improvements to the Community Center building	\$22,500
General	Improvements to Fire Station	\$28,000
General	Sidewalk improvements	\$25,000
General	GPS mapping system for Streets Department	\$12,000
General	Trade-in mini-excavator	\$28,332
General	Dump truck with sander and plow	\$65,000
General	Dirt separator in Streets Department	\$14,000
General	Lindon Heritage Trail	\$100,000
Road	Center Street connection	\$200,000
RDA	Improvements on 1200 West	\$435,657
RDA	Sidewalk and 20 ft landscaping throughout District 3	\$478,800
RDA	800 West asphalt reconstruction	\$36,700
Parks	Replace pavilion at City Center Park	\$100,000
Parks	Installment payment and improvements at Lindon View Trailhead Park	\$40,000
Water	Purchase and install air compressor in truck	\$9,000
Water	Well reconstruction	\$45,000
Water	Special projects reserve	\$26,000
Water	Relocating connections on 200 E, Center-200 S & 400 W, 200 S - 600 S	\$120,000
Water	Add 2 pressure reducing valves on 200 S & 600 N	\$34,000
Water	Water line relocation for Murdock Canal piping project	\$49,570
Sewer	Geneva Road sewer upgrade project	\$150,000
Sewer	Special projects reserve	\$10,000
Sewer	Infiltration Elimination	\$40,000
Sewer	Sewer line relocation for Murdock Canal piping project	\$28,610
Storm Water	Purchase of vehicle	\$24,000
Storm Water	Lindon Hollow Creek drainage ditch relocation	\$419,380
Storm Water	Special projects reserve	\$35,000
Storm Water	Storm water drain line relocation for Murdock Canal piping project	\$35,375

Description of significant capital projects

The state of Utah has been working to connect trail systems within Utah. Lindon Heritage Trail is Lindon's part of this trail system. The projected \$100,000 expenditure will be reimbursed by the state of Utah. When the trail is complete, Lindon City will be responsible for maintaining it. It will be included with Lindon's other trails in the \$5,000 annual budget for trail maintenance.

The Center Street connection will connect Center Street across the Murdock Canal. Center Street has never connected in this area and with the resent piping and burying of the canal by Utah County, Lindon City can now construct new road and connect the two sides of Center Street. There should not be a maintenance expense on the new road in the immediate future.

**LINDON CITY
2012-2013 APPROVED BUDGET**

In the RDA Fund, the West Side District will spend the remaining \$435,657 in its reserves to fund road, water, and sewer infrastructure improvements along 1200 West. District 3 will fund a total of \$511,424 for improvements throughout the district. These improvements include installing sidewalks and 20 foot landscaping strips where they do not already exist and reconstruction of asphalt on 800 West. Lindon City does not foresee any impact on operational costs in future budgets due to these projects.

The Parks CIP Fund has allocated \$100,000 in park impact fees to replace the old pavilion in the City Center Park with a large pavilion modeled after the timber pavilions that the City has built in other parks over the last eight years. When complete, the City Council will consider increasing the fee to rent that pavilion. The operational budget in future years could potentially be impacted by increased revenues, however the impact would be minimal because pavilion rental revenue is a very small part of the City's budgeted revenue.

A medium timber pavilion at Pioneer Park.

About 30 residential water line connections will be relocated on 200 East, from Center Street to 200 South and on 400 West, from 200 South to 600 South. The homes are currently connected to an aging 4" pipe and will be connected to a newer 8" pipe which is already installed. This will improve water flow in the area. Lindon City does not foresee any impact on operational costs in future budgets due to this project.

The Provo River Water Users Association (PRWUA), in cooperation with the US Bureau of Reclamation, will be piping, or enclosing, the Murdock Canal. This project is federally funded. The only costs that Lindon City will pay will be to relocate utility lines around the project. PRWUA will relocate Lindon City utility lines and spread the estimated reimbursement cost over 3 years starting in the 2010-2011 fiscal year. The project engineers have estimated the costs which are assigned to the Water, Sewer and Storm Water Drainage Funds for a total of \$113,555 annually. The final payment will be made in the 2012-2013 fiscal year and will be based on actual cost less payments received. When the project is complete, Lindon City does not foresee any impact on operational costs in future budgets due to this project.

The Geneva Road sewer upgrade project started in the 2010-2011 fiscal year. The total project is estimated at \$3,000,000 which was bonded for through the Utah Division of Water Quality. The remaining project costs for 2012-2013 are \$150,000. This project is upgrading sewer lines, pumps and lift stations in the 800 West area close to Orem City's border. Lindon's sewer is piped to the treatment facility in Orem. This project was necessary in order to facilitate growth in both cities. The most significant impact on the

LINDON CITY
2012-2013 APPROVED BUDGET

operational cost in future budgets will be debt service payments which will be about \$192,000 per year for 20 years starting in the 2012-2013 fiscal year.

The major capital improvement project in the Storm Water Drainage Fund is relocating the drainage ditch Lindon Hollow Creek wetlands that the City purchased in 2009-2010 fiscal year. The City is working with Orem City, and Anderson/Geneva Construction to relocate this meandering ditch to the north side of the wetlands. The relocation of the ditch will help carry the storm water to the lake on the west side of the City. Lindon City does not foresee any impact on operational costs in future budgets due to this project.

Future Projects

Future Projects are determined Capital Facility Plans and strategic improvement plans. Capital Facilities Plans are compiled and maintained by the City Engineer with the aid of the City Administrator and appropriate Department Heads. These formal plans are instituted for following areas to comply with impact fee regulations.

- Water
- Sewer
- Storm Drain
- Parks, Trails and Recreation
- 700 N Street

Infrastructure maintenance and improvement projects which do not qualify for impact fee funding are determined by strategic improvement plans which are compiled and maintained by the appropriate Department Heads with the aid of the City Engineer. As funding becomes available, or as necessity dictates, Department Heads will request projects be considered for future budgets. Due to the recent economic downturn, Lindon City has had to postpone most of the planned projects as well as the scheduled maintenance of infrastructure citywide over the past five years.

With the improvement in the economy, the Mayor, Council, City Engineer and staff will work together this year to evaluate the condition and needs of infrastructure and compile new maintenance schedules and strategic improvement plans. The City Engineer will also update the Water Capital Facilities Plan.

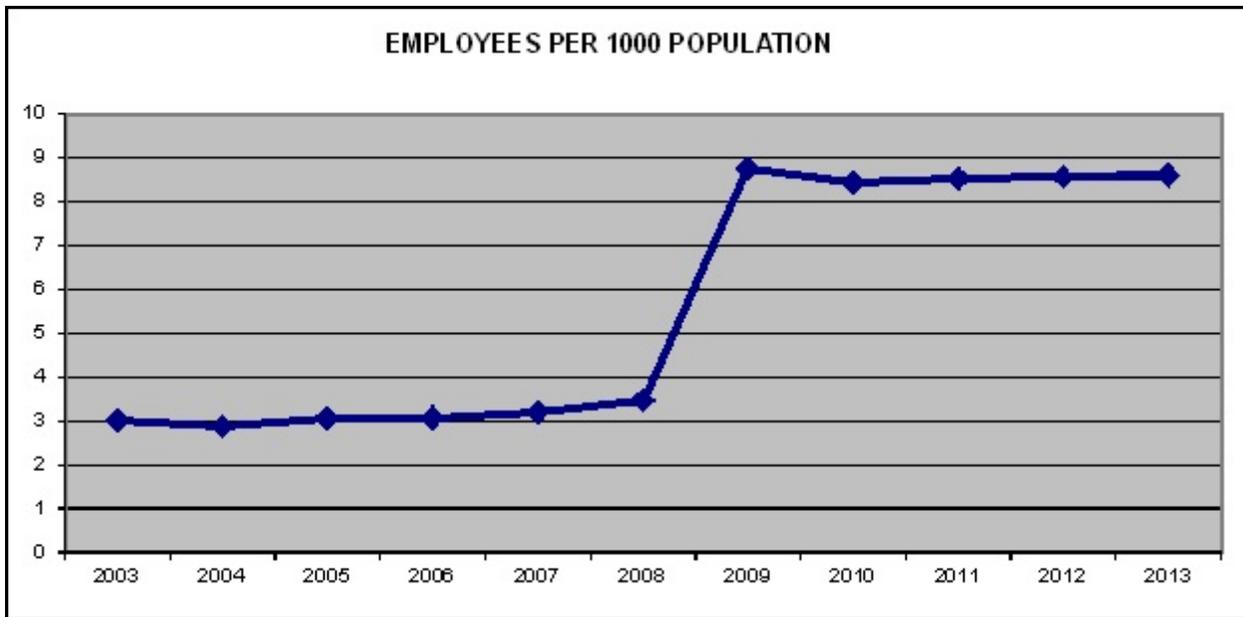

Lindon City currently contracts Fire and Emergency Medical Services (EMS) with Orem City. Lindon also owns a small fire station with a neighboring home for Orem Fire and EMS personnel to use. When the agreement with Orem City began four years ago, Lindon City officials committed to build a Public Safety Building within the next three to five years. The Public Safety Building would house both Lindon Police and Orem Fire/EMS. The funds to build the Public Safety Building are still not available. Lindon City is anticipating the project to be delayed another couple of years.

**LINDON CITY
2012-2013 APPROVED BUDGET**

PERSONNEL SUMMARY

On the following page is a summary of the changes in the number of full time and part time personnel in the different departments and divisions. There is an increase in personnel for the 2012-2013 fiscal year due to the positions that were approved to be filled. The full time position will be in the Police Department and the part time position will be at the Community Center in the Recreation Department. The decision to fill these personnel positions are discussed with the Budget Issues.

The 2008-2009 fiscal year saw the staffing of the new Aquatics Center and Police Department. Since then, the City has maintained a ratio of about 8½ employees per 1000 population as depicted in the chart below. During the winter months when the Aquatics Center is closed, Lindon City maintains a ratio of about 3 employees per 1000 population. The chart below shows the ratio of employees to population based off the number of employees needed to staff the Aquatics Center for the season. Additional personnel information, including the Position Schedule and the Pay Range Schedule, is available in the Compensation Programs section.

CITYWIDE DEBT

Lindon City does not have any general obligation debt. The City's debt service requirements for the 2012-2013 fiscal year are detailed in the table below. Descriptions of long-term debt follow.

Fund Type	2012-2013 FY Debt Requirements		Outstanding Principal
Governmental	Principal	\$450,456	\$2,902,431
	Interest	<u>\$128,279</u>	
	Total	\$578,735	
Proprietary	Principal	\$835,651	\$17,887,601
	Interest	<u>\$631,474</u>	
	Total	\$1,467,125	
Citywide	Principal	\$1,286,107	\$20,790,032
	Interest	<u>\$759,753</u>	
	Total	\$2,045,860	

Governmental Activities

2005 RDA District 3 Refunding Bond

The Lindon City Redevelopment Agency, Tax Increment Revenue Refunding Bonds Series 2005 was issued by the Lindon City Redevelopment Agency in August 2005 in the amount of \$3,095,000 with a coupon rate of 3.92%. The proceeds were used to refund the Lindon City Redevelopment Agency, Utah Neighborhood Redevelopment Tax Increment Revenue Bonds, Series 1999 which was used to install infrastructure and related improvements as part of the District Three Redevelopment Project Area. The principal outstanding at June 30, 2012 was \$1,171,000 with interest requirements totaling \$103,253. Although it is included in the general long-term debt account group of Lindon City for reporting purposes, Lindon City has no obligation to repay these bonds. The bonds are repaid from the tax increment revenue of the Redevelopment Agency. These bonds are scheduled to mature in June 2015.

2000 Gateway S.I.D.

The Special Improvement District Bonds (Lindon Gateway Project) No. 00-01 Series 2001 in the amount of \$2,400,000 was issued in July 2001 with a coupon rate of 5.6%. The proceeds were used to fund special improvements that benefitted property owners in the Lindon Gateway Project area. The property owners are assessed annually to retire the bonds. The principal outstanding at June 30, 2012 was \$30,000 with interest requirements totaling \$1,680. These bonds are scheduled to mature in September 2012.

LINDON CITY
2012-2013 APPROVED BUDGET

2005 Sales Tax Revenue Bond

The Sales Tax Revenue Bonds Series 2005 was issued for \$3,700,000. Debt service payments are made annually with interest at 3.75%. The liability was split between Governmental and Proprietary funds in order to help finance the road, water and storm drain improvements of 700 North, west of Geneva Road. The principal outstanding at June 30, 2012 for the Road portion of this debt was \$2,151,887 with interest requirements totaling \$606,339. These bonds are scheduled to mature in June 2025.

Business-type Activities

2005 Sales Tax Revenue Bond

The Sales Tax Revenue Bonds Series 2005 was issued for \$3,700,000. Debt service payments are made annually with interest at 3.75%. The liability was split between Governmental and Proprietary funds in order to help finance the road, water and storm drain improvements of 700 North, west of Geneva Road. The principal outstanding at June 30, 2012 for the Water portion of this debt was \$147,745 with interest requirements totaling \$41,630. The principal outstanding at June 30, 2012 for the Storm Water portion of this debt was \$401,369 with interest requirements totaling \$113,094. These bonds are scheduled to mature in June 2025.

2010 Water Meter Replacement Lease

In 2010, Lindon City entered into a lease agreement of \$385,075 to replace the water meters throughout the City with radio-read meters. The lease agreement has an interest rate of 3.5%. The principal outstanding at June 30, 2012 was \$313,266 with interest requirements totaling \$27,882. This obligation will be satisfied in July 2015.

2006 Water Revenue Bond

The Water Revenue Bonds Series 2006, Lindon City, Utah consisted of \$256,000 in debt issued to finance the replacement of the culinary waterline on 400 North, from Canal Drive to 200 East. Debt service payments are made annually with interest at 5.0%. The principal outstanding at June 30, 2012 was \$143,536 with interest requirements totaling \$22,230. These bonds are scheduled to mature in September 2016.

1998 Central Utah Projects (CUP) Allotment Obligation

The City entered into an agreement with the Central Utah Water Conservancy District (CUWCD) to acquire an allotment of 1,425 acre feet of Central Utah Projects (CUP) water. The agreement was for 50 years starting in 1998 at an estimated cost of \$160 per acre foot. The City deferred payments for 10 years and is amortizing the payments over forty years. In January 2000, the City received a grant of \$1,899,011 from

LINDON CITY
2012-2013 APPROVED BUDGET

CUWCD. As part of the terms of the grant, the City gave back rights to 500 acre feet, leaving the City with rights to 925 acre feet per year. Lindon City received notice that the total repayment for the block is \$3,279,033 with an annual payment of \$142,404 beginning February 2008. Debt service payments are made annually with interest at 3.222%. The principal outstanding at June 30, 2012 was \$2,963,096 with interest requirements totaling \$2,021,186. These bonds are scheduled to mature in February 2047.

2011 Sewer Revenue Bond

The 2011 Sewer Revenue Bond was issued for \$3,000,000 at an interest rate of 2.5%. The proceeds from this bond are being used to improve and upgrade sewer lines, pump and lift station on Geneva Road near the Orem City border. The principal outstanding at June 30, 2012 was \$3,000,000 with interest requirements totaling \$849,350. These bonds are scheduled to mature in July 2031.

2008 Sales Tax Revenue Bond – Aquatics Center Bond

The 2008 Sales Tax Revenue Bond, Lindon City, Utah was issued for \$9,565,000. Debt service payments are made annually with interest at 3.75%. The proceeds were used to build the Lindon Aquatics Center which opened May 2009. The principal outstanding at June 30, 2012 was \$9,035,000 with interest requirements totaling \$5,498,256. These bonds are scheduled to mature in July 2033.

2009 Sales Tax Revenue Bond – Hogan

The 2009 Sales Tax Revenue Bond, Lindon City, Utah was issued for \$800,000. Debt service payments are made annually with interest at 3.88%. The proceeds were used to build the Flow Rider in conjunction with the Aquatics Center. The City had excess funds from the completion of the Aquatics Center and the flow rider, and thus used the remaining funds in the Hogan Bond to reduce the outstanding principal. The principal outstanding at June 30, 2012 was \$502,000 with interest requirements totaling \$29,721. These bonds are scheduled to mature in July 2014.

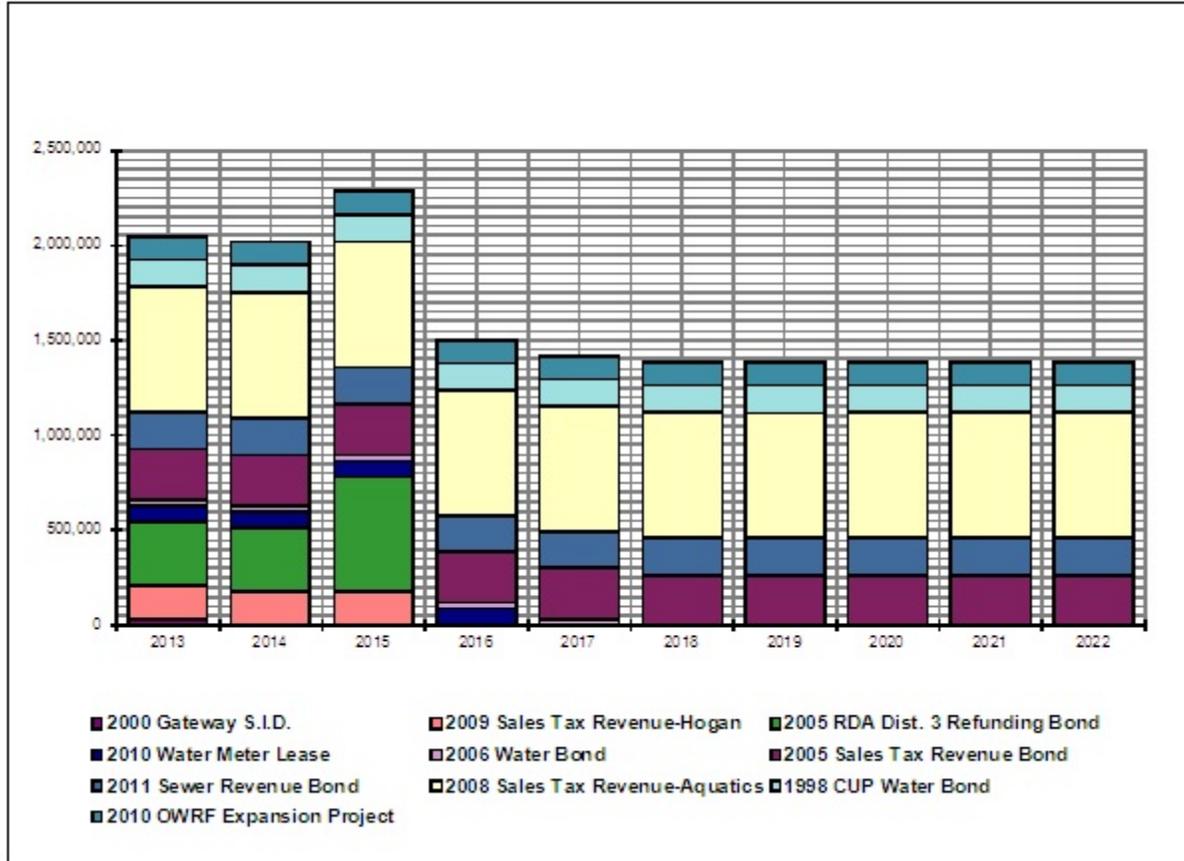

Legal Limits

The Utah State Constitution, Article XIV, Section 4 states, “no city ... shall become indebted to an amount, including existing indebtedness, exceeding four percent of the value of the taxable property therein...” According to the Utah County Auditor’s Office, the 2012 real property taxable value for Lindon City is \$868,632,069. This sets the limit of indebtedness at \$34,745,283. As of June 30, 2012, Lindon City’s total outstanding debt principal is \$22,076,139. This is well within the state limit.

The following graph summarizes Lindon City’s debt obligations over the next 10 years. For more on Lindon City’s debt policies please refer to the Financial Policies section.

**LINDON CITY
2012-2013 APPROVED BUDGET**

BUDGET SUMMARY

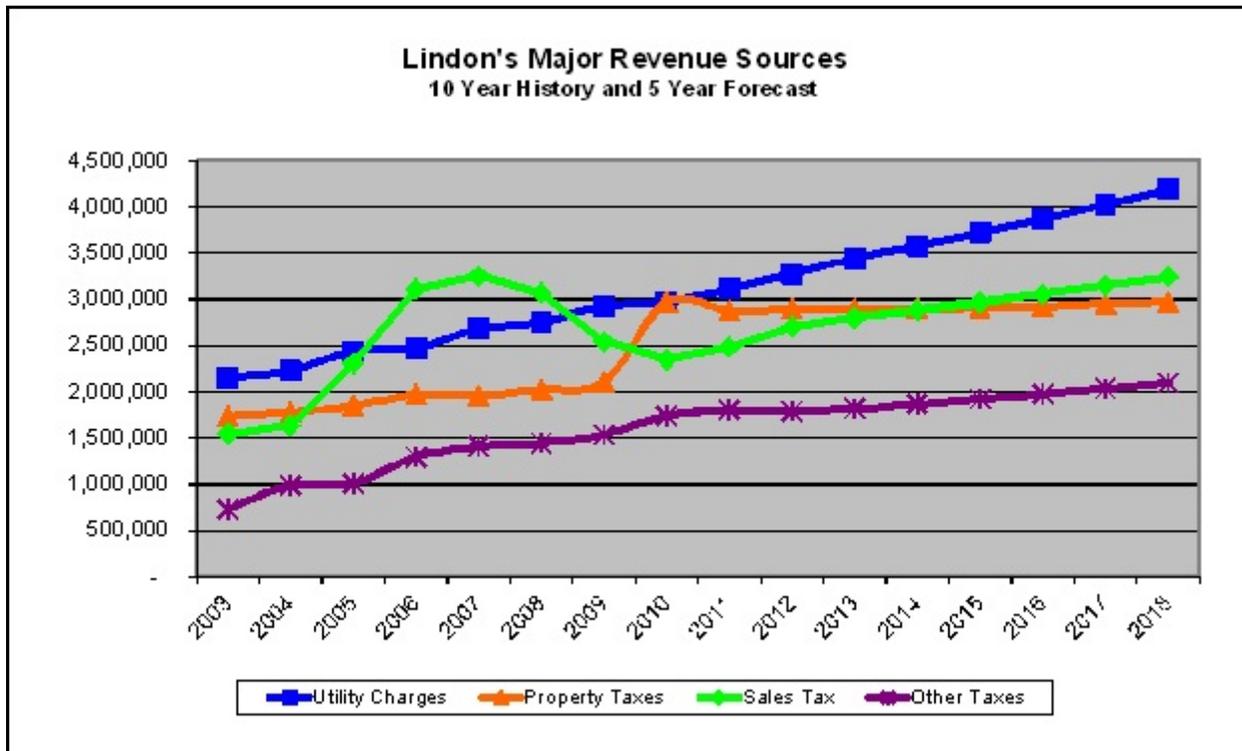

Citywide Revenues

The chart below shows the sources of Lindon City's revenue net of transfers and using fund balance. This year, one-quarter of the revenue comes from utility charges. Utility Charges consist of water, sewer, garbage and recycling, pressurized irrigation and storm water drainage charges to Lindon residents. The Utility Charges are projected to increase four percent per year based on growth of the City and the economy.

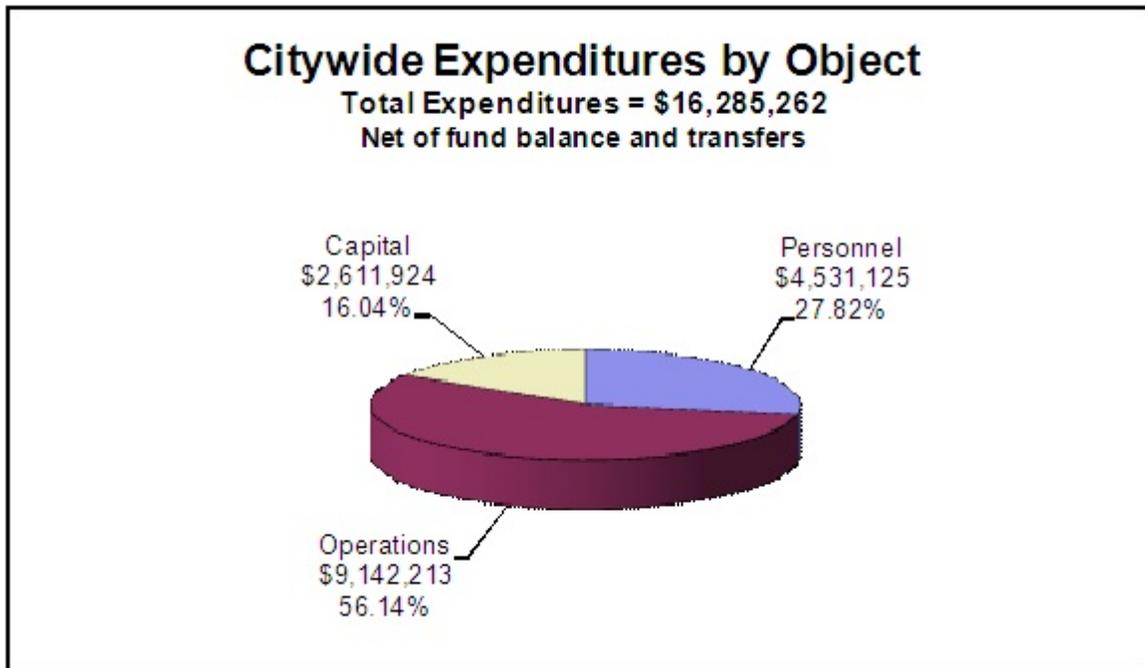

Sales tax has been a major source of revenue in the last decade. The Mayor and City Council recognize the unpredictable nature of sales tax. They prefer to use the majority of this revenue for improvements, capital purchases and other one time expenditures, rather than relying on it for operational costs. Lindon City's sales tax revenue reduced a total of 27.9% from the 2006-2007 fiscal year to the 2009-2010 fiscal year. However, the sales tax revenue has increased 18.1% in the last two fiscal years. As you can see from the chart on the next page, sales tax revenue is expected to improve by about 3% each year for the next 5 years.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Other major revenue sources include Property Taxes and Other Taxes. In 2011-2012, Lindon City received about 16.42% of the total property taxes paid by residential and commercial owners. Lindon's Certified Tax Rate (CTR) will increase from .002080 to .002107 for taxes collected in the 2012-2013 fiscal year due to decreasing property valuations in the City. Essentially when valuations decrease, the CTR will increase to guarantee the City the same revenue from year to year, excluding increases due to growth. For many years, valuations rose, which made the CTR decrease. Because of the economic slow down, valuations in 2012 continue to decrease, thus causing the CTR to increase. This, however, is not a property tax increase. This is simply an adjustment made by the county to compensate for the loss in valuations for the City. Property taxes also include the tax increment that the Redevelopment Agency (RDA) receives for three project areas. The portion of property taxes received by District 3, the largest project area is 70%. Also, the West Side RDA project area tax increment has expired, and therefore no revenue is budgeted in this document for the West Side.

LINDON CITY
2012-2013 APPROVED BUDGET

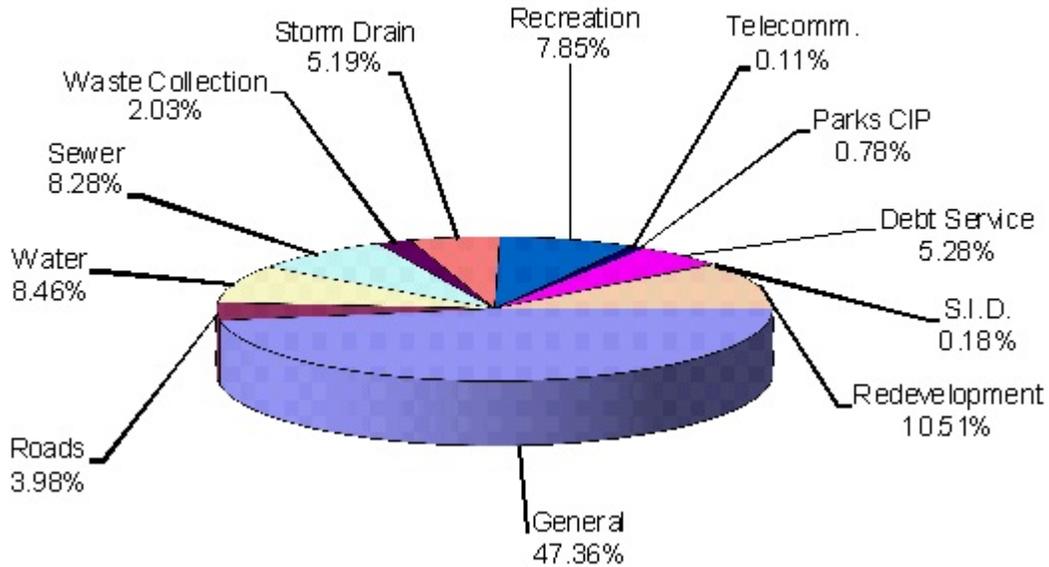

Citywide Expenditures

The total Citywide Budget for 2012-2013 is \$18,548,455. The graph above shows Citywide expenditures classified by type (personnel, operational and capital) and does not include transfers and fund balance appropriations. You can see that capital expenditures are only 16.04% of budgeted expenses while the majority (56.14%) of the City's budget is for operational expenditures.

General Funds Section

This section of the 2012-2013 Budget presents information regarding the City's General Fund which makes up most of the Citywide Budget. The General Fund is balanced at \$9,523,167 for expenditures and revenues. The General Fund is divided into 18 accounting units and each unit has funds appropriated for it. This section also gives an accounting of the expenditures and revenues for the General Fund along with numerous charts and graphs detailing the numbers.

Details the entire General Fund Budget by line item.	

GENERAL FUNDS

The General Funds are used to account for resources and activities that are not required to be accounted for in another fund. Lindon City accounts for Class C road improvements and associated funding in a separate fund referred to as the Road Fund.

The General Fund is the largest portion of the budget and is primarily supported by the taxes received by the City. The General Fund pays for the public safety services which include police and animal control, with fire and emergency medical services being contracted with Orem City. Other services provided for in this fund include court, planning and zoning, protective inspections, streets, parks, cemetery and various administrative and support services such as attorneys and engineers.

The activities financed in the Road Fund are of a general governmental nature and are therefore accounted for with the General Fund. However, Lindon City frequently desires to show these activities separately. The major revenue stream for this fund is the portion of the State gas tax that is distributed to cities for local road maintenance. This fund is also used to track road impact fees and the debt service payments for the road portion of the 2005 Sales Tax bond which was used for the 700 North road and utilities constructions.

GENERAL FUND REVENUE AND EXPENDITURES

General Fund Revenues

The General Fund is made up of several revenue sources, but the main revenue for the City comes from our tax base – sales tax, property tax, and franchise taxes. Other revenue sources also help make the budget balance, such as Licenses and Permits, Intergovernmental, Charges for Services, Fines & Forfeitures, Miscellaneous Revenue, B&C Road Revenue, Cemetery Revenue, and Contributions and Transfers. Taxes make up the highest percentage of revenue for the City.

In order to project revenues for the up coming fiscal year, the City does not have some elaborate method. The method we use is simply comparing prior years revenues to what the current economic conditions are, and use that to calculate what we think we will receive for the coming year. For example, in our sales tax line item, the City received over \$3.2 million in sales tax revenue the 2006-2007 fiscal year. Because of the slow down in the economy, the City sales tax revenue declined to \$2.3 million in the 2009-2010 fiscal year, a total of 27.9% . However, the sales tax revenue has increased 18.1% in the last two fiscal years. Lindon City's motto for projecting revenues and expenditures is to try and "over project expenditures and under project revenues" so that by the end of the fiscal year, the revenues and expenditures can meet in the middle somewhere.

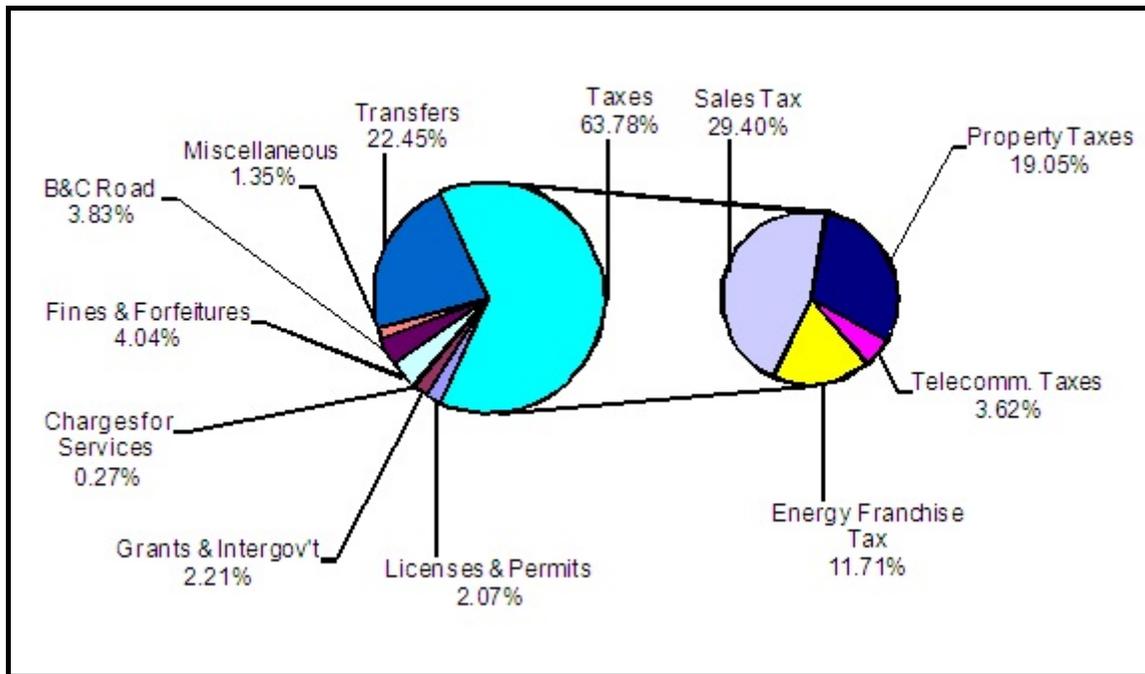

**LINDON CITY
2012-2013 APPROVED BUDGET**

Below is a chart showing the General Fund revenues for the City for the FY 2012 budget compared to the FY 2013 budget. The General Fund revenues budgeted in 2012-2013 is \$9,523,167 which is a 8.78% increase from the 2011-2012 Amended Budget. Taxes, which are projected to increase 1.87%, make up the largest share of the General Fund revenue, accounting for 63.78% of the total. This increase is anticipated from revenue forecasts being projected throughout the State of 2.4%, plus sales tax revenue from additional businesses already calling Lindon home. Intergovernmental shows a huge increase resulting from two separate \$100,000 grants. One grant is from the State of Utah which will offset an equal expenditure for the Heritage Trail. The other grant is from Mountainland Association of Governments (MAG) to offset all but \$7,000 of the expense for a bike/pedestrian study.

GENERAL FUND REVENUE				
Description	2011 -12	2012 -13	Variance	
	Budget	Budget	Amt	Percent
Taxes	\$ 5,962,520	\$ 6,074,025	\$ 111,505	1.87%
Licenses & Permits	187,250	197,300	\$ 10,050	5.37%
Grants & Intergov't	83,774	210,000	\$ 126,226	150.67%
Charges for Services	27,820	25,500	\$ (2,320)	-8.34%
Fines & Forfeitures	405,000	385,000	\$ (20,000)	-4.94%
B&C Road	354,150	364,650	\$ 10,500	2.96%
Misc.	138,950	128,500	\$ (10,450)	-7.52%
Transfers	1,595,079	2,138,192	\$ 543,113	34.05%
	<u>\$ 8,754,543</u>	<u>\$ 9,523,167</u>	<u>\$ 768,624</u>	<u>8.78%</u>

The next chart depicts the General Fund Revenue by percentages. As you can see, taxes on the biggest circle represent 64.86% of budgeted revenues. The little circle shows a breakdown of the taxes that Lindon City receives. Lindon City relies on Sales Tax revenue to fund certain operational expenses for the City.

**LINDON CITY
2012-2013 APPROVED BUDGET**

General Fund Expenditures

The total General Fund budget for the 2012-2013 budget year is \$9,523,167. This is an approximate increase of 9.1% from the 2011-2012 budget.

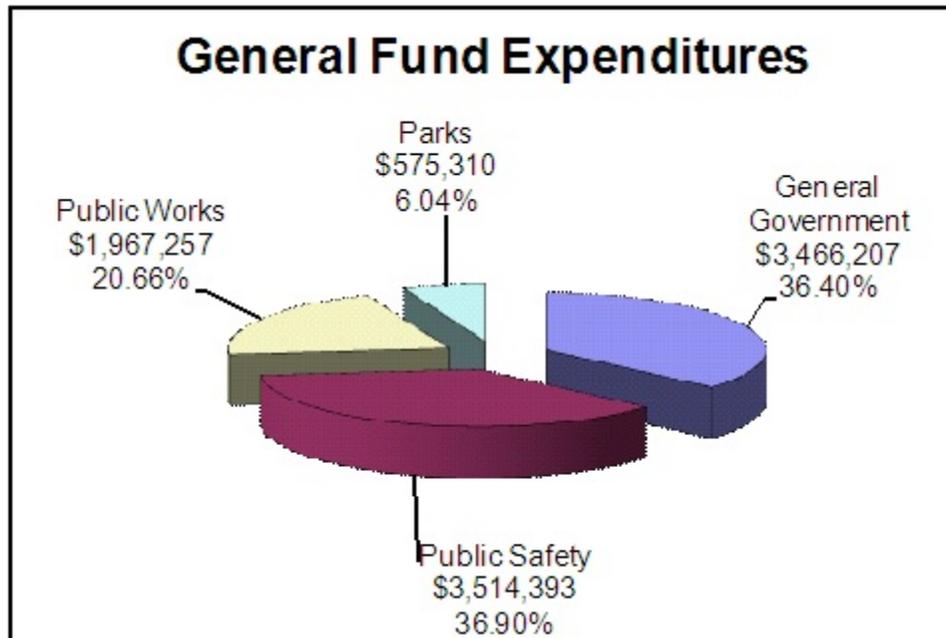

GENERAL FUND SUMMARY				
	2011-12	2012-13	Variance	
	<u>Budget</u>	<u>Budget</u>	<u>Amount</u>	<u>Percent</u>
Personnel	\$3,596,690	\$3,719,635	\$122,945	3.42%
Operations	\$5,088,653	\$5,308,700	\$220,047	4.32%
Capital	\$69,200	\$494,832	\$425,632	615.08%
Total Expenses	<u>\$8,754,543</u>	<u>\$9,523,167</u>	<u>\$768,624</u>	<u>8.78%</u>

The General Fund divisions can be categorized into the following functions:

1. General Government
2. Public Works
3. Public Safety
4. Parks

These divisions provide a variety of vital services for the operation of the City. These divisions are part of the General Fund because they rely on general sales tax and property tax to operate. General Fund expenditures are given below, including the four general fund categories divided by percentage.

**LINDON CITY
2012-2013 APPROVED BUDGET**

In the previous chart, you can see that our overall expenditures in the General Fund are projected to increase by 8.78% overall from fiscal year 2011-2012 to fiscal year 2012-2013. The Streets and Class B&C Road Fund show increases in expenses of 77.21% and 34.50%, respectively. This is primarily due to capital expenditures for equipment and vehicles as well as a road project to connect two parts of Center Street.

Following is a summary of each division within the General Fund, and how their division functions within the realms of the City.

LEGISLATIVE

**LINDON CITY
2012-2013 APPROVED BUDGET**

Personnel Table

Below are personnel figures over the last three years and projections for next year. There are no personnel changes expected in the next budget year.

Personnel	2009-10	2010-11	2011-12	2012-13
Mayor	1	1	1	1
City Council	5	5	5	5
Planning Commission	7	7	7	7
Total	13	13	13	13

Vision

To develop, review and implement ordinances, resolutions and policies to improve the quality of life and sense of community for citizens and for the enhancement of health, safety, and welfare of each person in the City, both citizen and visitor. The Legislative Division also exercises fiscal responsibility over the City's assets.

Description

This division is comprised of the Mayor, City Council and the Planning Commission. City Council meetings are held the first and third Tuesdays each month. It is in these meetings that public comments are heard and action is taken. The City Council also oversees various community boards and committees in an effort to promote a higher sense of community within Lindon. Planning Commission meetings are held the second and fourth Tuesdays of each month. The Planning Commission reviews plans for developments to ensure compliance with Lindon's Code as well as the General Plan.

The City Council has considered a new set of priorities to guide the Work of the City. These priorities can be divided into the following categories:

Business, Economic and Community Development

1. Create a strategic vision for business, economic and community development.
 - a. Continue to streamline approval of Purchase Orders and permit processes.
 - b. Develop ideas to attract future business for 700 North.
 - c. Monitor and support the City's economic development programs – CDBG, Recruitment (when hiring again).
 - d. Fill vacant Storm Water Drainage position.
2. Marketing and Community Relations.
 - a. Continue mapping out Lindon City's general plan.
 - b. Market Lindon City to future business opportunities.

**LINDON CITY
2012-2013 APPROVED BUDGET**

3. Visioning
 - a. Create and actively participate in a strategic visioning process to shape the future of the City.
 - b. Engage Community through various programs offered at the new Community Center and the Aquatics Center.
 - c. Continue to provide Fire/EMS Services through Orem City for the citizens of Lindon.
 - d. Continue to be a part of "Tree City USA" by participating in tree planting activities, like Arbor Day celebration.

Expenditure Requirements

LEGISLATIVE	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$73,907	\$75,545	\$80,650	\$75,120	-6.86%
Operations	\$20,096	\$18,433	\$22,131	\$22,166	0.16%
Capital	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>	0.00%
Total Expenses	<u>\$94,003</u>	<u>\$93,978</u>	<u>\$102,781</u>	<u>\$97,286</u>	<u>-5.35%</u>

The amount budgeted under the Personnel category is comprised of benefits and salaries for the City Council to support the costs for them to carry out their duties and functions while serving the people of Lindon. The Personnel category also includes the Planning Commission allowance and employee benefits such as Insurance allowance.

Amounts budgeted under the Operations category are for travel and training as well as various intergovernmental dues and expenses such as the Utah Lake Commission, the Utah League of Cities and Towns, and the Utah Valley Chamber of Commerce. Operations also include any supplies and materials the City Council may need to effectively hold meetings and perform other various duties.

Performance Measures (services provided)

Provide policy oversight and leadership through the Council's public meeting process.

	2009-10	2010-11	2011-12	2012-13
Regular Council Meetings	29	22	21	23
Number of Ordinances	3	10	16	10
Number of Resolutions	15	13	22	10
Population Served	10,070	10,209	10,348	10,470

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Trends Needs and Performance

- Increase engagement with the community.
- Manage City finances responsibly given current economic circumstances.
- Encourage growth of Lindon on the 700 North Corridor to attract new businesses.

MUNICIPAL JUSTICE COURT

Personnel Table

Personnel	2009-10	2010-11	2011-12	2012-13
Judge	1	1	1	1
Court Clerk (full-time)	2	1	1	1
Court Clerk (part-time)	0	2	2	2
Total	3	4	4	4

Vision

To sit in judgment of criminal and common law proceedings, resolving legal issues and to insure justice; thereby improving the quality of life in the community by providing the people with an open, fair, efficient, and independent system for the advancement of justice under the law.

Description

The court collects fines and hears cases for class B & C misdemeanor violations cited within Lindon City limits. The municipal court also hears small claims cases.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Goals

The Lindon City Court will maintain an accurate accounting of all case activity, as well as provide a forum for the timely adjudication and resolution of these cases, while preserving the constitutional rights and dignity of the defendant.

Program Objectives (services provided)

- ▶ To provide fair, timely, and speedy resolution of cases involving violations, infractions, and crimes in a manner which is efficient both for the City and for the defendants/citizens. *(Council Goal #4: Provide a responsive, cost-effective service to the community; Council Goal #5: Assure a safe and healthy community).*
- ▶ To ensure defendants' strict compliance with judicial orders, including the payment of court ordered fines and fees and the completion of court-ordered time obligations such as jail time, special counseling, classes or community service. *(Council Goal #4: Provide a responsive, cost-effective service to the community; Council Goal #5: Assure a safe and healthy community).*
- ▶ To ensure timely processing of all funds received, as well as the reconciliation of these accounts and forwarding of mandatory payments to the appropriate parties (including victims for whom restitution has been ordered). *(Council Goal #2: Use City resources efficiently to ensure long-term financial responsibility).*
- ▶ To provide a sufficient and randomly selected pool of jurors for those defendants who choose the right to trial by jury of their peers and to ensure that those citizens who participate in this civil responsibility have a positive experience and a better understanding of the judicial process. *(Council Goal #1: Preserve and enhance our sense of community).*
- ▶ To identify and provide statistical analysis information for planning, goal setting, strategic decision-making, program analysis, and resource allocation. *(Council Goal #6: Manage growth and respond to change consistent with maintaining a livable, full-service city; Council Goal #7: Provide and support a highly-qualified and motivated work force).*
- ▶ To provide timely notification to other departments and outside agencies of court actions pursuant to law requirements, inter-agency agreements, or inter-departmental agreements. *(Council Goal #5: Assure a safe and healthy community).*

Totals	1,849	573	605	605
Traffic Cases Filed	1,921	1,691	1,700	1,700
Total Criminal Cases Filed	272	192	200	200

Performance Outcomes

Ninety percent of all traffic violations are adjudicated or otherwise concluded within 60 days from the date of arraignment, and all misdemeanors are adjudicated or otherwise concluded within 90 days from the day of arraignment. For both traffic violations and misdemeanors, 98 percent are adjudicated within 180 days, and 100 percent within one year, except for exceptional cases in which continuing review should occur. These time lines meet state standards.

Collection of monetary penalties will be increased through process improvement and active collection efforts by the Court staff. The City switched from Caselle software to Coris as mandated by the state.

The Court maintains a high level of productivity including the daily work of the Court. Reporting requirements to the state and other agencies are completed in a timely manner. The Court remits State surcharges collected on a monthly basis as directed by the Utah State Administrative Offices of the Court.

A large portion of the Court's budget is for professional services, covering Court-appointed representation and interpreters. The Court continues to refine the indigent defense process, both for verification of applicants' information and approval of representation as well as the monitoring of indigent defense expenses.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Expenditure Requirements

JUDICIAL	2009-10 Actual	2010-11 Actual	2011-12 B udget	2012-13 B udget	Percent Variance
Personnel	\$142,053	\$144,354	\$147,015	\$151,340	2.94%
Operations	\$379,412	\$363,296	\$371,200	\$371,300	0.03%
Capital	\$0	\$0	\$0	\$0	0.00%
Total Expenses	\$521,466	\$507,649	\$518,215	\$522,640	0.85%

The Personnel expenditures are for the one part time judge the City employs, one full time clerk and two part time clerks. The Personnel amount also includes the employee benefits.

Operations include items like Professional and Technical Services where the City must budget for defendants that cannot afford a lawyer, requiring the City to retain one for them as well as language interpretation services. It also includes the fine surcharges paid to the State of Utah.

Program Trends, Needs and Performance

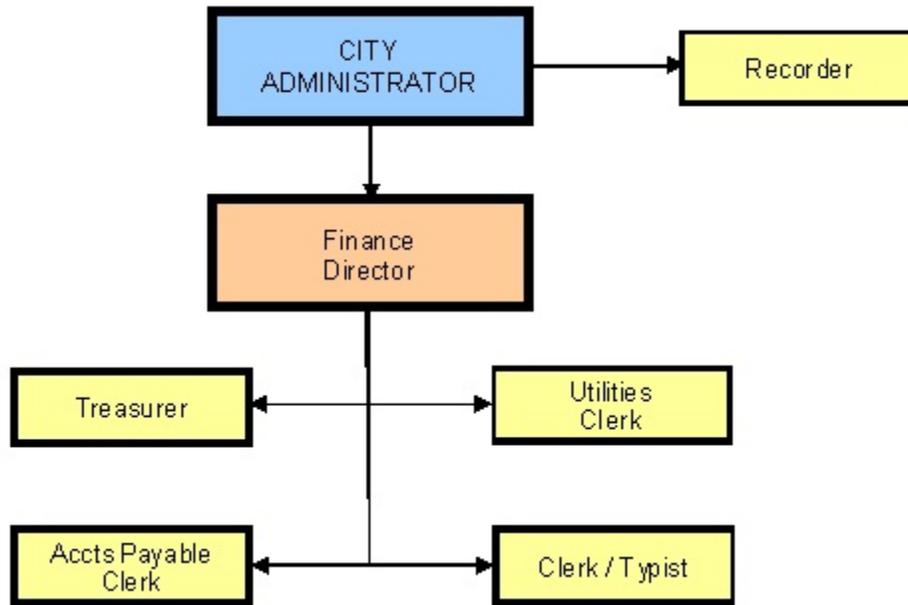

To accommodate the number of traffic citations issued by the Lindon City Police Department, the Utah Highway Patrol and other agencies, the Court has two arraignment sessions each week. In an attempt to obtain an even distribution of those cases among the court sessions, the Court sets the arraignment dates for different citations issued. The Lindon City court has an open-court policy to provide excellent customer service.

Defendants charged with a traffic violation or parking citation are given the opportunity to appear before the judge if they wish. The defendant must sign a plea and abeyance order that they recognize they have been charged with a violation, and are essentially pleading guilty to the fine. All defendants have the option to make payments through the mail, by phone, or on-line via our Website payment system which reduces the number of defendants needing to come into the Court to make payments. When a defendant fails to appear for their arraignment, the case is adjudicated, usually resulting in additional fines and a bench warrant issued on the absent defendant.

The Call hearing assures that all parties to a criminal case are prepared to go to trial before the trial date. Any pretrial resolution to the case is handled at the hearing or the trial may be reset for good cause. This has reduced the number of times that a jury is called unnecessarily because the scheduled trials have been canceled at the last minute. This has ultimately reduced the court's expenses and the frustration of citizens who unnecessarily appeared for jury duty.

**LINDON CITY
2012-2013 APPROVED BUDGET**

ADMINISTRATIVE

Personnel Table

Personnel	2009-10	2010-11	2011-12	2012-13
City Administrator	1	1	1	1
Finance Director	1	1	1	1
Treasurer	1	1	1	1

Total	<u>6</u>	<u>6</u>	<u>7</u>	<u>7</u>

Vision

To provide a high level of service to customers and other departments while ensuring that all of the City's operations are carried out efficiently and in compliance with Lindon's ordinances and policies and effectively managing and safeguarding the City's financial resources and assets. *(Council Goal #2: Maintain the City's long-term financial stability; #4: Support City employees in providing customer-oriented, quality service).*

**LINDON CITY
2012-2013 APPROVED BUDGET**

Description

The City Administrator plans, organizes, and directs the day to day administrative duties of the City. The City Administrator prepares for City Council meetings and is responsible for Risk Management, Personnel, Government Buildings and Community Information. In addition, the City Administrator supervises the Protective Inspections, Recreation, Planning and Economic Development, Police Department, Public Works and Finance/ Treasury Departments and reports to the Mayor and City Council on department activities.

The Finance Director supervises the Treasury and Front Office which provides systems for safeguarding the City's assets through the recording and reporting of financial transactions in accordance with Generally Accepted Accounting Principles (GAAP) and the Governmental Accounting Standards Board (GASB). The Finance Director also oversees the library card reimbursement program which is used to encourage literacy. A city library is not practical when there are several libraries in the surrounding cities so the City offers the residents an 75% reimbursement of the cost to obtain a library card in one of the neighboring city. In addition, the Treasury receives all City monies and provides cash management services for various City departments.

The City Recorder is responsible for managing all City records and ensuring compliance with State and Federal laws pertaining to public records and elections.

This department also manages the services contracted to the entities:

Attorney	Hansen, Wright, Eddy & Haws
Engineer	J.U.B Engineers, Inc.

The Administration Department consists of 6 full time employees, all in the General Fund. The major program areas include Financial Reporting, Budgeting, Accounting, Payroll, Accounts Receivable and Payable, Treasury Management, and Utility Billing and Customer Service. The Department's mission has challenged the staff to review all our internal processes in eliminating unnecessary or non-beneficial procedures and activities and to provide valuable and timely financial reporting to the operating departments. This past year, we have achieved the following improvements in efficiency, services and reporting:

- ▶ Improved our on-line payment system for Utility billing so customers have the ease of a more user friendly system.
- ▶ Obtained an underlying bond rating of AA+ for our most current bond issued, our Sales Tax Revenue Bond for the Aquatics Center.
- ▶ Received the Distinguished Budget Presentation Award from the Government Finance Officer's Association for the 2011-2012 fiscal year.
- ▶ Received the Comprehensive Annual Financial Report Award from the Government Finance Officer's Association for the 2010-2011 fiscal year.

**LINDON CITY
2012-2013 APPROVED BUDGET**

The department's mission provides support for both internal and external customers. Financial services that relate to public trust are among our highest priorities. These services assure that City finances are conducted in a manner to foster trust and confidence by the public, that City policies and procedures are fair and that all practices are open and above board. The financial system, comprised of accounting, purchasing, cash management, treasury services and budgeting are managed to provide maximum assurance of adherence to those high standards.

The trends related to the public's interest in City finances include a higher level of interest in disclosures and greater public discussion about the use of property taxes. The department is continually improving its ability to provide timely analytical data about financial transaction and their related implications. We also expect to develop ways to maximize the use of public funds by encouraging productivity and to enhance cost containment in the development and managing of budgets while minimizing risk and managing accountability for results. Information Systems improvements will continue to be our highest priority to address these needs.

Finance is pursuing greater automation and improved business practices in procurement to contain or reduce our cost of services provided while maintaining procedures that meet code requirements. The Administration Department's key to success is creating an environment where employees are willing to take risks, and become a stakeholder in our processes by being accountable and taking initiative. Customer satisfaction, both internal and external is critical to our success and must become an integral part of our daily activities.

Budget Highlights

We continue devoting resources to staff training and equipment that will continue our direction of outstanding customer service and team building. Additionally, funding for specific functional training is allocated to keep our financial staff current with the professional requirements of municipal government finance. *(Council Goal #2: Maintain the City's long-term financial stability; #4: Support City employees in providing customer-oriented, quality service).*

Program Goal

To ensure timeliness of financial information, to provide sound financial advice on matters relating to fiscal policies, debt management and treasury management, and to ensure the adequacy of the City's internal accounting and budgetary control. *(Council Goal #2: Maintain the City's long-term financial stability).*

**LINDON CITY
2012-2013 APPROVED BUDGET**

ADMINISTRATION	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance

Program Objectives (services provided)

- ▶ Continue developing multi-year Financial Plans for the General Fund, Street Fund, and Building Fund. (*Council Goal #2: Maintain the City's long-term financial stability*).
- ▶ Review the administration department's information systems to eliminate duplication and ineffective, non-beneficial procedures.
- ▶ Continue to participate in the Government Finance Officers Association's Certificate of Achievement for Excellence in Financial Reporting (CAFR) and Distinguished Budget Presentation Award Programs.
- ▶ Continue to monitor our debt management, administration and debt service coverage.
- ▶ Continue to refine the City's cost allocation plan that distributes overhead costs to the operating departments.
- ▶ Assist the City Engineer with the City's Capital Facilities Plan especially regarding Street, Water, Sewer, and Storm Water System Development Charges.

Workload Measures	2009-2010	2010-2011	2011-2012	2012-2013
Receive GFOA's Distinguished Budget Presentation Award	Achieved	Achieved	Achieved	Objective
Receive GFOA's CAFR Award	Achieved	Achieved	Achieved	Objective
City's Taxable Assessed Valuation	\$972,280,554	\$934,059,190	\$859,168,463	\$868,632,069

Performance Outcomes

The City's budget received a national award that demonstrates the commitment to provide our citizens a budget document serving as an operations guide and as a financial plan.

Program Trends, Needs and Performance

The Administration Department will continue to enhance the financial reporting to the operating departments and monthly monitoring of revenue streams that are susceptible to the current economic downturn. All the department heads meet regularly with the City Administrator to communicate their concerns regarding their departments and to oversee their budgets. These meetings have been a high priority as department heads strive to control their spending through this economic time.

Program Goal

To ensure that supplies, services and equipment are acquired at the lowest possible cost comparable with the quality required, to award contracts in the best interest of the City based on quality, to ensure legal and contractual compliance on all contract and purchases, and to continue the purchase order system currently implemented throughout the City. (*Council Goal #2: Use City resources efficiently to ensure long-term financial stability; #4: Provide responsive, cost effective service to the community*).

Program Objective (services provided)

(All objectives relate closely to Council Goal #2)

- ▶ To process all Accounts Payable and purchase order transactions in a timely manner.
- ▶ To ensure that bids/requests for purchase orders are obtained for all goods and services that exceed \$100.00.
- ▶ To process all Accounts Payable and purchase order requests within one week from date of receipt.
- ▶ Maintain listing of all purchase orders, surplus property, and supervise disposal of surplus items.
- ▶ Monitor use of open purchase orders for compliance and necessity.

Performance Outcomes

The program places formal bids and purchase orders with the City's purchasing policies and with the assurance that the best price was obtained through market place competition.

Program Trends, Needs and Performance

Ensure purchase orders are processed for all purchases over \$100. Follow up with the purchase order vendors to ensure the City was billed correctly and received the best merchandise at the lowest price possible.

Sustainability Efforts

Ensure Department Heads are issuing the required purchase orders for their budgets prior to arriving at a store to purchase merchandise for the City.

Program Goal

To ensure internal control and financial integrity of the City's accounting and budgetary system and to provide quality and innovative financial service by being good stewards of public funds and effectively serving citizens, City Council and City departments.
(Council Goal #2: Use City resources efficiently to ensure long-term financial stability).

Program Objective (service provided)

- ▶ Provide financial services and reports to the Council, Mayor and other departments.
- ▶ Monitor and analyze revenue sources to ensure timely collection and effective use of cash flow.
- ▶ Invest cash resources within guidelines of the City's investment policy.
- ▶ Ensure proper accounting treatment and compliance with regulations for all grants secured by the City.
- ▶ Continue to provide accounting services in a cost-effective and efficient manner by evaluating daily operations and activities. *(Council Goal #4: Provide responsive cost-effective service to the community).*
- ▶ Continue to provide Finance personnel with training and equipment to provide excellent customer service. *(Council Goal #7: Provide and support a highly qualified and motivated City workforce).*

Performance Outcomes

The Certificate of Achievement for Excellence in Financial Reporting (CAFR) and the unqualified audit opinion demonstrates the City's effective financial management especially since fiscal year 2008-2009 was the first year the City received this prestigious award.

The City's current bond rating of AA+ from Standard and Poor's in August 2008 was the first time the City had to utilize a bond rating system when approved for the Aquatics Center Bond. This bond rating of AA+ is available to the City for future use if needed.

The City's investment portfolio which includes the Public Treasurer's Investment Fund (PTIF) has seen a slow decline in the percentages yielded to the City due to the economic downturn the City has experienced. The City has also seen a decrease in our cash position the last two years due to the economy and the decrease in consumers spending. The City is optimistic that the economy is starting to show signs of improvement and hopes the City's cash position will be back up to where it once was three years ago.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Trends, Needs and Performance

The Administration Department will continue to evaluate all finance functions to streamline daily operations and activities and eliminate any duplicity that may exist. We will continue improving customer service through training, empowering staff, and improved technology. The City is excited for what the new fiscal year will bring.

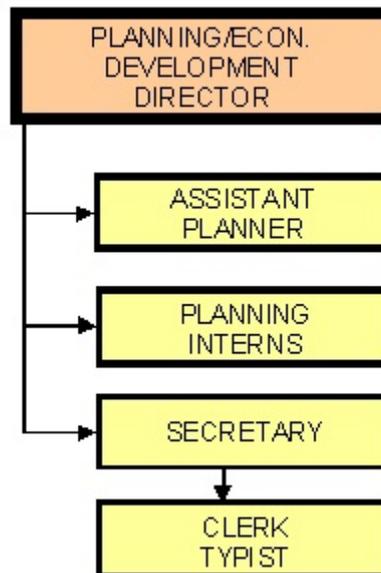

The Library program continues to be very popular. The City does not offer its residents a library, and has made arrangements with Pleasant Grove City and Orem City to have Lindon City residents buy a non-resident pass at either of these two libraries, and the City will reimburse the resident 75% of the cost of the library pass. This offer is good only once per fiscal year, and is only available once per household.

Sustainability Efforts

For the past few years, the City has offered its residents the ability to pay their bills online through the City's online web program. This offers convenience to the customer so they don't have to come directly to the office to pay their bills. The City has not yet implemented an electronic way to keep track of time cards. Currently employees hand write their time down, and the payroll clerk hand enters everything. In order to move away from hand entered forms, which can be the cause of errors, the City would like to move towards an electronic system of scanning time cards in, and be approved electronically. Lindon City is still probably two to five years away from implementing a system like this.

**LINDON CITY
2012-2013 APPROVED BUDGET**

PLANNING AND ZONING DEPARTMENT

Personnel Table

Personnel	2009-10	2010-11	2011-12	2012-13

Assistant Planner	1	1	1	1
Planning Intern	0	0	0	0
Secretary	1	1	1	1
Clerk/Typist	1	1	1	1
Total	<u>4</u>	<u>4</u>	<u>4</u>	<u>4</u>

Vision

To plan and guide development in conformance with the long range goals found within the Lindon City General Plan, while also effectively and efficiently serving the immediate planning, permitting, and economic development needs of the present. *(Council Goal #4: Provide responsive, cost-effective service to the community; #5: Assure a safe and healthy community).*

Description

This department performs a variety of professional and administrative duties related to planning, zoning, Building permit review and economic development activities within the City. This department is responsible for planning, organizing, coordinating and advising

**LINDON CITY
2012-2013 APPROVED BUDGET**

the Planning Commission and City Council in citywide planning and zoning issues as well as coordinating activities related to attraction and expansion of commercial and industrial companies. The Planning Director oversees the development of and compliance to the City's General Plan and ensures that Lindon City Code remains in compliance with State and Federal requirements.

PLANNING & ECONOMIC DEVELOPMENT	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$213,797	\$257,108	\$261,610	\$270,910	3.55%
Operations	\$16,420	\$16,443	\$22,420	\$25,500	13.74%
Capital	\$0	\$0	\$0	\$0	0.00%
Total Expenses	\$230,216	\$273,550	\$284,030	\$296,410	4.36%

Program Goal

To conduct a thorough review of land use applications and building permits for compliance with applicable regulations within acceptable time frames. *(Council Goal #4: Provide responsive, cost-effective service to the community. #5: Assure a safe and healthy community).*

Program Objective (services provided)

Building Permit Review: Provide quality plan reviews of residential and commercial building permit applications in a timely manner to ensure compliance with local zoning and ordinance requirements.

Land Use Application Review: Provide quality reviews of land use applications (subdivisions, conditional use permits, site plans, etc.) in a timely manner to ensure compliance with local zoning and ordinance requirements.

Land Use Ordinance updates: Prepare ordinance updates as necessary to keep the city in conformance with current policies and practices, including conformance with State and Federal guidelines. Updates will be presented to the Planning Commission and City Council for approval.

Program Outcomes

It is our goal that building permit review by the Planning Department are conducted within a 7-working day turnaround time. Applicants should be notified of incomplete information and/or corrections within the 7-day time frame.

It is our goal that Land Use Application reviews are conducted within a 30-working day turnaround time. Applicants should be notified of incomplete information and/or corrections within the 30-day time frame.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Trends, Needs and Performance

With the nation's current economic crisis, new single family home construction and commercial permit activity has declined significantly. Although a continuation of the slow economy is forecasted into FY 2012-2013, some economists suggest a turn-around is slowly happening. The Planning Department has used this time during the economic slow-down for long-range planning and updates to the General Plan and city ordinances as needed.

Sustainability Efforts

The department is continuing to make efforts towards a greater electronic presence – with more information available through the city web site and by also allowing electronic submitting of application information through emails. The department is therefore, saving paper, increasing efficiency, and saving customers from having to make trips to City Hall.

GOVERNMENT BUILDINGS

GOVERNMENT BUILDINGS	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$0	\$0	\$0	\$0	0.00%
Operations	\$96,960	\$90,643	\$119,200	\$114,200	-4.19%
Capital	<u>\$421,350</u>	<u>\$588,811</u>	<u>\$44,200</u>	<u>\$50,500</u>	<u>14.25%</u>
Total Expenses	<u><u>\$518,310</u></u>	<u><u>\$679,454</u></u>	<u><u>\$163,400</u></u>	<u><u>\$164,700</u></u>	<u><u>0.80%</u></u>

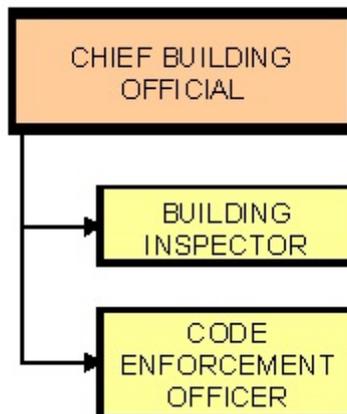

This division called Government Buildings located in the General Fund is separate from the Protective Inspections Department that is also referred to as the Building Department. The Government Buildings Division has no personnel expenditures, as the City uses this section to record the operating and capital expenditures for the City Buildings in this section. Therefore, the city personnel thought it appropriate to list this section separately from the other departments within the General Fund.

The city made their last payment on the Red Church across the street from the City Center of \$275,000. This building was renovated in order to house our Community Center, Senior Center and our Parks and Recreation Department. This new facility, which opened Summer 2011, has various activities for children and adults of all ages.

Operational expenses for the Citywide buildings are things such as maintenance contracts for cleaning the buildings – janitorial services, utilities for the buildings, insurance for the buildings, operating supplies and maintenance for when things need to be repaired and other miscellaneous items needed for the city buildings.

**LINDON CITY
2012-2013 APPROVED BUDGET**

PROTECTIVE INSPECTIONS (BUILDING) DEPARTMENT

Personnel Table

Personnel	2008-09	2009-10	2010-11	2011-12
Chief Building Official	1	1	1	1
Building Inspector	0.5	0.5	0.5	0.5
Code Enforcement Officer	0.5	0.5	0.5	0.5
Total	<u>2</u>	<u>2</u>	<u>2</u>	<u>2</u>

Vision

To ensure safe buildings by providing thorough and efficient building inspections and to promote community safety and beautification through code enforcement.

Description

The Building Department performs routine inspections to ensure all building activities are done in compliance with codes adopted by Lindon City and in conformance with all other applicable ordinances and zoning requirements. This department issues building permits, maintains records and provides reports regarding building activities. The code enforcement officer works with residents and businesses in Lindon to improve safety, quality of life and pride in the community through compliance to Lindon City Code. The Building Inspector and Code Enforcement Officer positions have been filled by one full time employee since the Building Inspector retired in 2008. The table below shows Personnel, Operations, and Capital Expenditures for both Building and the Protective Inspections Departments.

**LINDON CITY
2012-2013 APPROVED BUDGET**

PROTECTIVE INSPECTIONS	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$223,778	\$197,055	\$198,920	\$205,140	3.13%
Operations	\$14,795	\$15,288	\$22,600	\$24,000	6.19%
Capital	\$0	\$0	\$0	\$0	0.00%
Total Expenses	\$238,573	\$212,343	\$221,520	\$229,140	3.44%

Program Goal

To provide building, plumbing, and electrical inspections within acceptable time frames established by the development community for construction regulated by the State-adopted specialty codes, thereby assisting in keeping construction projects proceeding with a minimum of delays due to required inspections. To provide high quality, accurate inspections to afford users and occupants of buildings and structures with safe and hazard-free use. To provide resources to maintain inspection levels that promote quality and accurate inspections, thereby ensuring safer buildings and structures. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability; #4: Provide responsive, cost-effective service to the community; #5: Assure a safe and compliant community; #7: Provide and support a highly-qualified and motivated City work force).*

Program Objective (services provided)

- ▶ Perform high quality, accurate inspections of building, plumbing, mechanical, electrical, and life safety projects for compliance with the codes adopted by the State of Utah.
- ▶ Provide inspection service within acceptable time frames established by the development community and State statutes.
- ▶ Provide the resources for training and cross-training to maintain inspector certifications, perform a more varied inspection service, keep abreast of current developments in the construction trades, partner with the development community to provide high quality, timely, and accurate inspections, thereby assisting in keeping construction projects proceeding with a minimum of delays.

Performance Outcomes

Resources are provided to conduct 100 percent of the inspections requested to provide the users and occupant of buildings and structures with the potential of safe and hazard-free use.

Conduct 100 percent of requested inspections within 24 hours to reduce the costs of construction delays and customer inconvenience due to required inspections.

LINDON CITY
2012-2013 APPROVED BUDGET

Staff training is provided so that staff can perform multiple inspections to better use the City's personnel resources and provide optimum service to our customers.

Program Trends, Needs and Performance

In the years prior to fiscal year 2006-2007, construction inspection activity was consistently at a high level; however, beginning with fiscal year 2006-2007, small declines in development were experienced with a sharp decline in fiscal year 2008-2009 as the full brunt of the housing slump hit Utah. These declines caused adjustments (reductions) to inspection staffing in November of 2008 that kept the City from filling a vacant position when a building inspector retired. Even with the decline in the housing market, the City is anticipating the economy will improve beginning early 2013.

Sustainability Efforts

The State of Utah is working with the publishers to place the codes adopted by the State of Utah on electronic discs (CDs). When these become available, a further reduction in paper generation could include purchasing the State Building Codes on CDs instead of in book form.

Program Goal

To ensure that construction of buildings are safe for use and occupancy from structural collapse, unsanitary conditions, electrical hazards, premature failure, and substandard construction through reasonable enforcement of the codes adopted by the State of Utah and coordination with other city and government agencies. To ensure plan review and inspection services are provided in a timely manner, thereby minimizing construction delays due to mandated services provided by this division. (*Council Goal #4: Provide responsive, cost-effective service to the community; #5: Assure a safe and healthy community; #6: Manage growth and respond to change consistent with maintaining a livable, full-service city*).

Program Objective (services provided)

Building Inspection Program: To effectively administer available resources to ensure compliance with City and codes adopted by the State of Utah through building, mechanical, plumbing, electrical, and fire and life safety inspections. To provide inspection services within acceptable time frames established by the development community.

Plan Review Program: To effectively administer available resources to ensure compliance with City and State codes through review of building, mechanical, plumbing, electrical, and life safety plans. To conduct plan reviews within acceptable time frames established by the development community and applicable State rules.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Miscellaneous Services: To coordinate the operation of the computer permit tracking system. To verify the applicability of State and regional regulations. To ensure compliance with regional regulations enacted to promote consistency in the administration and application of the codes adopted by the State of Utah. To ensure building permits and certificates of occupancy adhere to applicable laws and ordinances.

<u>Workload Measures</u>	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Residential Permits Issued				
# of New Residential Permits	20	28	25	20
Other Residential	94	98	83	70
Commercial Permits Issued				
New Commercial Permits	5	3	1	1
Other Commercial	53	46	36	30
Total Inspections	1,162	1,073	932	800

Performance Outcomes

To consistently provide building, plumbing, mechanical, electrical, and life safety services so that: (1) inspections occur within 24 hours from the date they are requested; and (2) plan reviews are conducted within a time frame established by the development community, thereby reducing construction delays.

Program Trends, Needs and Performance

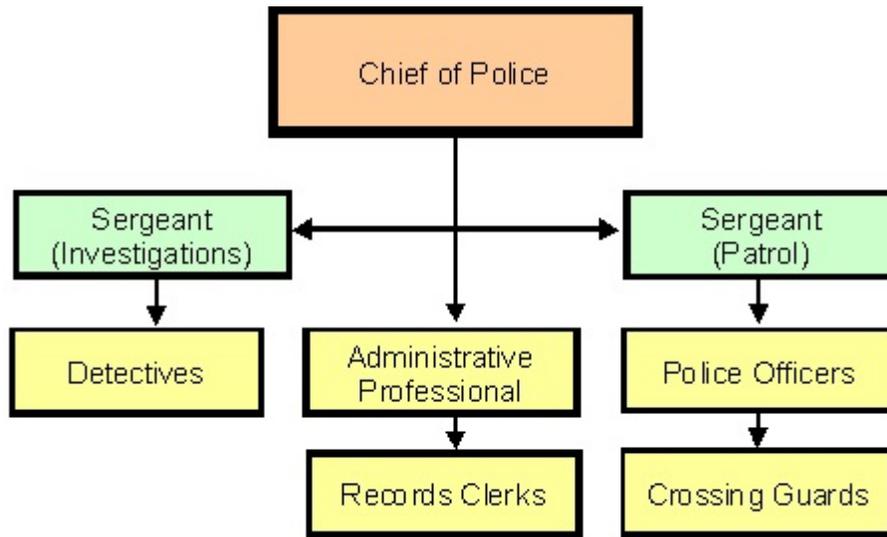

The nation's housing market slump hit Utah in fiscal year 2008-2009 with new single-family home permit activity in the City dropping significantly. Economic forecasts for the housing market in fiscal year 2012-2013 are mixed with some suggesting a turn-around will not occur until the end of 2012 and others forecasting a recovery beginning in 2013. Considering the varying forecasts, a conservative estimate of 20 new home permits is proposed for fiscal year 2012-2013.

Sustainability Efforts

The Protective Inspections (Building) Department shares a full time secretary and a part time clerk typist with the Planning and Zoning Department. They help with customer building permits, customer service, and general office duties. The City has opted not to fill the position vacated by our retiring Building Inspector since November 2008, and is waiting until the economy improves before considering additional personnel in this Department.

**LINDON CITY
2012-2013 APPROVED BUDGET**

PUBLIC SAFETY

Personnel Table

Personnel	2009-10	2010-11	2011-12	2012-13
Chief of Police	1	1	1	1
Sergeants	2	2	2	2
Detectives	1	1	1	1

Vision

Lindon City is a safe, beautiful City with a cohesive community environment, traditional country values, and infinite opportunity. We are a family-friendly community of strong moral character, solid values and a caring spirit. The Lindon City Police Department is committed to the delivery of police services which will enhance the quality of life enjoyed by our residents through the professional, ethical and honorable application of policing services which are sensitive to the needs of the community, involving collaborative partnerships and teamwork to overcome all challenges.

Public Safety is our purpose. It is why we are here. We commit to provide competent, dependable and efficient service to our citizens by knowing our jobs, our community and by adhering at all times to our core values:

Lindon City Police Department Core Values

P.R.I.D.E.

Professionalism

We strive for professionalism in all things that we do. We wish to meet or exceed the expectations of the citizens whom we serve and of our own goals at every turn. We know that by doing so, we engage the community as advocates for our goals. Advocates do more than live in a community. They take ownership for and work to change the community challenges that we face every day.

Respect

We respect and value the dignity and worth of all persons and recognize that diversity enriches our community. We hold reverence for the law, the processes of government and for the rights of all citizens.

Integrity

We are committed to uphold our positions of trust by maintaining ethical standards and demonstrated practices and policies forged by consideration of strong moral values. We acknowledge and accept that our individual conduct at all times must be beyond reproach.

Duty

We pledge to fulfill our mission by being accountable to our community, our department and to each other. We faithfully and without bias honor our obligations to the community. We are knowledgeable and proficient in the performance of our duties and we accept and uphold the public trust, which has been given us.

Excellence

We strive for excellence through the effective, innovative and efficient use of all available resources, which promotes teamwork and provides for the empowerment of employees and citizens at all levels.

“Everything begins with Professionalism and ends with Excellence”

**LINDON CITY
2012-2013 APPROVED BUDGET**

Description

The mission of the Lindon City Police Department is to safeguard life and property, preserve the peace, prevent and detect crime, enforce the law and defend the rights of all citizens. We are committed to working in partnership with the community to identify and resolve issues that we encounter which impact public safety and threaten our treasured quality of life. The department philosophy and work processes will reflect modern law enforcement concepts and technology, involving every member of the department in our effort to continually improve all areas of administration and operations. Quality leadership at all levels will exemplify the department's commitment to a strong work ethic, while valuing diversity, promoting effective learning and maintaining a flexible, proactive response capability.

This department also manages the Fire and Emergency Medical Services (EMS) contracted with Orem City.

Traffic School

Lindon City offers a Traffic School Program which gives drivers who qualify for Traffic School the option to complete an educational program so that the violation does not appear on their driving records. Traffic School has a goal of driving improvements and safer streets for Lindon City.

Youth Court

Beginning December 9, 2009, Lindon City started offering Youth Court to individuals under the age of 18 and still in high school that get caught committing a crime in Lindon. Youth Court cases will be heard by a panel of three judges who are not tasked with proclaiming guilt or innocence. All offenders must accept responsibility and enter a guilty plea to be eligible for their case to be disposed of through the Youth Court process. The Judges will review cases before the court and will then hear a statement of facts of the allegations against the defendants during the court hearing. Judges may then listen to explanations or mitigating/aggravating circumstances as explained by the defendant or even the victim of the case. Judges will then decide on an appropriate sentence, prescribe requirements of disposition, order restitution or impose other conditions of disposition for each case. State law requires each case to be completed within 180 days.

Youth Court personnel will meet and train regularly with the Advisors and will attend a yearly state wide convention to assure Youth Court uniformity, quality operation and to provide a further enriching experience for the youth wishing to participate in this part of the justice system.

LINDON CITY
2012-2013 APPROVED BUDGET

“Night Out Against Crime”

The Lindon City Police Department participates each year in an event designed to protect our citizens and community from becoming victims of crime. This event is called the ‘National Night Out Against Crime’. It is held during the first week of August each year.

The purpose of this event is to involve us all as a community in making a statement that as a united community, we will work together to identify issues that affect our public safety. On that night, block parties and community events are held with City Officials and Officers from the police and fire services in the designated city neighborhoods to meet with citizens and discuss what concerns they have about safety and crime prevention in their neighborhood. Following the neighboring gatherings citizens join the Officers in “Flashlight Walks” throughout the city as together we demonstrate our love for this community and our dedication to protecting it.

We are very lucky in Lindon and in all of Utah County that we don’t experience as much crime as occurs in many other places, even other places in Utah. We do, however, have bad things happening here and crime affects us all every day whether we realize it or not. As long as we deal with people, our community will experience a lot of these things. Citizens must be trained to be to be vigilant in their neighborhoods and to partner with their neighbors, community leaders and public safety professionals to reduce or eliminate threats to the great way of life we all enjoy in Lindon. Sometimes it’s as easy as making a phone call or leaving a porch light on.

“9-11 Drill Down for Safety”

The Lindon City Police Department, as part of our on-going community preparedness effort participates each year in the “9-11 Drill Down for Safety”. This is a community wide preparedness drill held in conjunction with the Federal Emergency Management Agency and the Safe America Foundation. Lindon City received national recognition for the 2009 drill, with 78% of all Lindon residents participating as we tested our citywide communications capabilities. The Community concept that was presented in our 2009 drill has now been presented nationally as an example of what a small city can accomplish in seminars in Washington DC, Philadelphia and Chicago. For our efforts in 2009, Lindon City received a cash award which has been used to purchase and install HAM Radio equipment and capability in the City’s Emergency Operations Center.

The Drill is held very near to September 11th each year, in recognition of that tragic day. The community drill begins at 6:00 p.m. All Lindon schools and businesses participate earlier in the day in school safety or business evacuation and continuity drills.

**LINDON CITY
2012-2013 APPROVED BUDGET**

POLICE SERVICES AND ANIMAL CONTROL	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$1,615,326	\$1,641,448	\$1,656,200	\$1,750,720	5.71%
Operations	\$372,285	\$434,008	\$452,656	\$470,527	3.95%
Capital	\$35,731	\$416,601	\$0	\$0	0.00%
Total Expenses	\$2,023,342	\$2,492,057	\$2,108,856	\$2,221,247	5.33%

Program Goal

To oversee the activities of the department and make decisions regarding department policies, programs, personnel, and budget; to evaluate the structure of the department, reorganizing as appropriate, to better meet the needs of the department and community; to promote a team environment to insure the highest of standards in the use of resources, working conditions, customer service, strategic planning, budget preparation

Program Objectives (services provided)

Review and evaluate department resource allocation to maximize efficiency and ensure resources are being utilized in a cost-effective manner. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability).*

Continue to network and foster partnerships with our law enforcement agencies for purposes of identifying and targeting crime patterns and criminal activity, and developing interagency programs of mutual interest that best address community needs and allow for the sharing of costs.

Maintain accreditation certification in accordance with the department's commitment to professional excellence and quality customer service. *(Council Goal #4: Provide responsive, cost-effective service to the community).*

Establish, maintain, and distribute policies, procedures, and orders consistent with effective management practice and accreditation standards. *(Council Goal #4: Provide responsive, cost-effective service to the community).*

Continue to develop new objectives and strategies to address trends in crime and meet emerging community needs within Lindon City. *(Council Goal #5: Assure a safe and healthy community).*

Represent and speak for the department and City in the public and private sectors, at local, state, and national professional meetings, government and City Council meetings, as well as community events.

**LINDON CITY
2012-2013 APPROVED BUDGET**

See out additional sources of funding, via grants and partnerships with other governmental agencies and private-sector entities to bolster available resources and enhance the department's capabilities. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability).*

Continue to review and evaluate police services to ensure the highest level of customer service is being provided. *(Council Goal #5: Assure a safe and healthy community).*

Continue to document and investigate all citizen generated conduct/performance complaints and concerns regarding department procedure, as well as employee-related accidents and injuries, providing training and taking corrective action as appropriate to reduce repetitive incidents within a reasonable amount of time. *(Council Goal #5: Assure a safe and healthy community).*

Develop the department's annual budget requests. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability).*

Continue to encourage the Youth Court program to help underage individuals the opportunity to be good law abiding citizens. *(Council Goal #5: Assure a safe and healthy community).*

Manage the department's fiscal process consistent with effective finance policies and practices. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability).*

Monitor and review all department projects.

Promote effective internal communication through meetings, in-house publications, and correspondence.

Communicate pertinent department information and statistics to citizens through the publication of an annual report, via the internet, and through person-to-person contact.

The department continues to closely review and respond to all correspondence received, utilizing feedback from citizens to improve and/or enhance police services.

Program Trends, Needs and Performance

The Police Department continues to review and evaluate police services and the organizational structure to ensure the highest level of customer service is provided, and that current and future challenges of our growing community are met.

International events resulting in elevated national alerts and/or acts of terrorism will continue to have an impact on policing at all levels. The Police Department will continue to review the policing strategy, work with regional partners, and make modifications as

**LINDON CITY
2012-2013 APPROVED BUDGET**

necessary to best protect and serve the community. Department protocol is in place to allow for a measured police response in the event of threat alerts and/or incidents of terrorism. Although at times a more traditional form of policing is required, the department will continue its commitment to a community-based policing and problem solving philosophy.

Workload Measures	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Total training hours given	3,529	3,990	4,000	4,000
Case numbers issued	4,815	4,816	4,800	4,800
Calls received	4,697	9,153	5,000	5,000
Total traffic citations issued	1,695	1,891	1,800	1,800
Alarm permits processed	15	23	20	20
Total traffic stops	3,952	2,765	3,000	3,000
DUI arrests	58	27	30	30
Total number of accidents	295	338	300	300
Youth Court Attendees	24	38	45	45

Performance Outcomes

The Police Department requires the police officers to maintain their state-mandated police certifications. This mandatory training enhances their police-related skills and decision-making abilities necessary for the professional delivery of our services.

The Records Clerks continue to provide support to the rest of the Police Department through clerical services such as processing reports and citations. These clerks are focused on providing exceptional service to customers and on improving efficiency, such as one day offering an electronic report distribution. The Records Clerks continue to be successful in serving customer needs and in maintaining their objective of processing reports, citations, and documents effectively.

Program Trends, Needs and Performance

The police department values a diverse workforce and as such continually tries to recruit reservists. Reserves play an integral role in many police/community functions and substantially augment the department's manpower.

The Police Department will continue to process and issue residential burglar alarm permits. Permit forms provide details as to the business/residence for customer service and officer safety purposes. The department remains committed to reducing the volume of false alarms, and staff continues to provide customers with personalized assistance and educational materials to reduce false alarm occurrences. The department will continue to review the effectiveness of the alarm ordinance in 2012-2013 to ensure police resources are maximized to their fullest extent.

Program Goal

To continue our commitment to PRIDE through enhancement of police services, and providing a safe and livable community by enforcing laws, utilizing and coordinating patrol and investigative resources to reduce the opportunity for criminal activity. To lessen the fear of crime and combat criminal activity by working in partnership with citizens, businesses, and other agencies to increase public awareness and confidence, and identify and resolve issues of concern to the community by employing strategic planning and problem solving policing methods. To provide safe and effective movement of traffic within the City through the implementation of aggressive traffic enforcement and community education.

Program Objectives (services provided)

The Police Department will continue to identify and utilize internal and external resources to achieve proactive problem solving responses that will resolve community and neighborhood issues. *(Council Goals #4: Provide responsive, cost effective service to the community; #7: Provide and support a highly qualified and motivated City work force).*

Aggressively enforce laws pertaining to intoxicated drivers and to continue emphasis on routine patrol recognition of impaired driver in conjunction with focused selective enforcement missions. *(Council Goal #5: Assure a safe and healthy community).*

The Police Department will continue to prioritize target areas for enforcement purposes utilizing community input and statistical analysis. In addition to educating the public on traffic safety concerns and focusing on dangerous driving behaviors, the unit's priorities include: signal light enforcement, occupant safety and school zone enforcement, child safety seat education, and traffic concerns brought forth by citizens and neighborhood association committees. *(Council Goal #5: Assure a safe and healthy community).*

Continue to utilize the Lindon City Youth Court process as an enforcement alternative for juvenile offenders. *(Council Goal #4: Provide responsive, cost effective service to the community).*

Continue to ensure that criminal cases, with investigative leads, are assigned to patrol officers for follow-up investigation and then completed to a disposition. *(Council Goal #4: Provide responsive, cost effective service to the community).*

Performance Outcomes

The Police Department continues its initiative in support of the state's sex offender registration program whereby sex offenders residing throughout Lindon City were contacted to verify reported registration information. The initiative provides police with

LINDON CITY
2012-2013 APPROVED BUDGET

valuable intelligence information useful in investigations and results in warrants being issued on convicted sex offenders out of compliance with state regulations.

The transportation, distribution, and abuse of Methamphetamine are expected to continue to contribute to property crimes, including identity theft and fraud. Educational strategies to raise the awareness of citizens and businesses provide the department with the tools necessary to address this national problem.

Program Goal

To sustain and enhance our partnership with our community, utilizing community-based policing and problem solving to address the fear of crime, and affect those livability issues that are of concern to our citizens.

Program Objectives (services provided)

Continue to facilitate problem solving efforts in specific geographical areas of the City. *(City Council Goal #1: Preserve and enhance our sense of community).*

Maintain our commitment of police personnel as mentors and instructors in the schools to provide resources for safety and security. *(Council Goal #5: Assure a safe and healthy community).*

Continue to train and work with personnel at all levels in problem solving and resource identification. *(Council Goal #7: Provide and support a highly qualified and motivated City workforce).*

Sustain our commitment to offering training and materials to citizens on how to deter crime and keep the City a safe and livable place in which to live and work. *(Council Goal #6: Manage growth and respond to change consistent with maintaining a livable, full-service City).*

Reach out to the business community by sharing information on safety, security, fraud, identity theft, and crime prevention. *(Council Goal #1: Preserve and enhance our sense of community).*

The department will maintain and support its neighborhood resource centers, and will continue to look for opportunities to establish satellite offices and community outreach centers throughout the City for purposes of officer accessibility and visibility. *(Council Goal #4: Provide responsive, cost effective service to the community).*

Continue to partner with the Alpine School District to provide safe school environments free of drugs, harassment, and school violence via the department's school resource officer. *(Council Goal #5: Assure a safe and healthy community).*

**LINDON CITY
2012-2013 APPROVED BUDGET**

Disseminate information to the community via meetings, training session, and public appearances on the philosophy and strategies of community-based policing and problem solving and how it defines the roles of both the police and citizens in community safety. (*Council Goal #1: Preserve and enhance our sense of community*).

Performance Outcomes

The Police Department continued its commitment to the community-based policing and problem solving philosophy by working toward their core values, which are: PRIDE (Professionalism, Respect, Integrity, Duty, and Excellence). Their motto is “Everything begins with Professionalism and ends with Excellence.” In keeping to this strategy, the Police Department has come up with a strategic plan for specific goals and objectives to accomplish on a year to year basis. Patrol officers regularly attend Neighborhood meetings to foster a means of interactive exchange of information that is of benefit to citizens and police.

The department continues to benefit from police volunteers who donate their time, knowledge, and skills to assist with department programs when necessary. The department has three volunteer police officers that can help patrol, write tickets, help detectives, and any other various assignments given to them. Making effective use of the talents and resources available within our community is prudent, and increases understanding and trust between police and community members.

The police department continues to value the amount of time officers spend with citizens in proactively addressing issues of community concern. This keeps Lindon safe from criminals, and free from crime.

Program Trends, Needs and Performance

With an emphasis on identity theft and fraud prevention, the police department gives out to Lindon citizens a brochure on how to protect yourself against identity theft. The department will continue to be actively involved in providing prevention information to the community, including reaching out to the business community by providing business owners and managers with crime prevention materials on how to protect their businesses from fraud and identity theft. Information will also be distributed on an ongoing basis through our various department newsletters, the City newsletter, and the City’s website.

Program Goal

To reduce driving speeds in the City’s neighborhoods, school zones, and on major streets through public awareness and driver behavior modification.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Objectives (services provided)

The department will patrol neighborhoods, school zones, and major streets in an effort to increase public awareness and encourage reducing speeds in these areas in accordance with the direction of the Mayor and City Council (*Council Goal #5: Assure a safe and healthy community*)

The Police Department develops and selects enforcement areas with the use of statistical analysis and community input. The criteria for selecting areas to patrol include: history of excessive speeding, risk for accidents, history of citizen complaints, special circumstances like construction zones, and use by emergency vehicles.

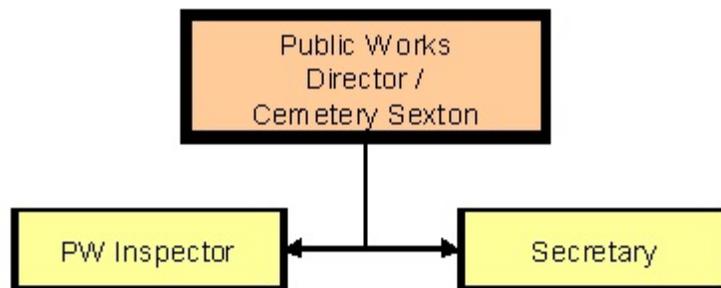

Performance Outcomes

July 1, 2012 will begin the fifth year of Lindon City's police department. Before that time, the City contracted with Pleasant Grove City for law enforcement. Since the inception of the police department, the residents have slowed down and know that speeding will not be tolerated, especially in school zones. However, Lindon City police officers are more concerned with educating the residents – and will issue citations at their own discretion.

Program Trends, Needs and Performance

The Police Department remains committed to reducing speeds in the City's neighborhoods, school zones, and on major streets, as directed by the City Council. The department will continue to help foster a safer community through the ongoing commitment to patrol problem areas of the City. This allows the department to focus on the major streets that cause problems to residents and others, and ultimately promotes safety throughout all of Lindon.

PUBLIC WORKS ADMINISTRATION

**LINDON CITY
2012-2013 APPROVED BUDGET**

Personnel Table

Personnel	2008-09	2009-10	2010-11	2011-12
PW Director & Sexton	1	1	1	1
PW Inspector	1	1	1	1
Secretary	1	1	1	1
Total	<u>3</u>	<u>3</u>	<u>3</u>	<u>3</u>

Vision

Maintain and ensure the long term integrity of the City's infrastructure in an integrated fashion that supports Department program goals, and the City Council goals. Develop effective partnerships with other departments, other local jurisdictions and community groups to deliver high quality services that are responsive to needs in the most efficient and cost effective way.

Description

The Public Works Administration Department is responsible for determining and coordinating major departmental policies and planning long term programs for the Streets, Water, Sewer, and Storm Water Divisions. The Public Works Director also acts as Lindon's Sexton for the Cemetery.

The Public Works activities counted for in the General Fund are Streets and Cemetery because they rely on sales and property taxes to operate. The salaries and benefits for the Public Works administrative staff are accounted for in this unit of the General Fund. Other personnel are appropriately assigned to their respective divisions and funds.

PUBLIC WORK ADMINISTRATION	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$391,753	\$288,876	\$300,695	\$308,265	2.52%
Operations	-\$605	\$3,998	\$8,650	\$10,650	23.12%
Capital	\$0	\$0	\$0	\$0	0.00%
Total Expenses	<u>\$391,148</u>	<u>\$292,874</u>	<u>\$309,345</u>	<u>\$318,915</u>	<u>3.09%</u>

Program Goal

Deliver high quality services that preserve and enhance the value of the City's facilities and infrastructure. Maintain a standard of service delivery that is consistently superior and fully responsive to a request or a need for service. Provide services efficiently at the least possible cost.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Objective (services provided)

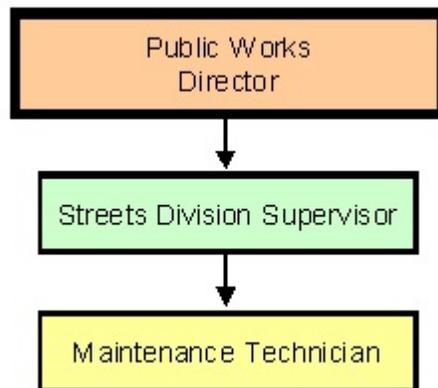

Administer the staff in the City's operations, and help the City's Engineer by providing timely and clear direction and support. Ensure that the staff is properly trained and equipped to competently and efficiently complete assigned duties.

Provide excellent customer service by returning phone calls and acting on a service requests as quickly as possible.

Performance Outcomes

Public Works staff continues to provide expanded services as needs have been identified. Projects needing completed are placed on a priority list, and budgeted for accordingly each fiscal year. Due to the downward economy, most of the projects associated with the Public Works have come to a halt unless it is absolutely necessary. If a project is necessary, the City Engineer will meet with the respective department heads and division supervisors to determine the best course of action for the project.

STREETS DIVISION

Personnel Table

Personnel	2008-09	2009-10	2010-11	2011-12

**LINDON CITY
2012-2013 APPROVED BUDGET**

Vision

Provide streets and roads that are maintained to a high standard, free of hazards, pavement failures and other defects. Use a pavement rating system to identify streets and roads in need of rehabilitation at an appropriate point to minimize costs and to maximize pavement life.

Description

Lindon has over 50 miles of streets and roadways connecting the City. Lindon City crews are responsible for City sidewalks and trails, snow removal, maintenance of City streets, traffic sign management, and other duties relating to their firm commitment to Public and Road Safety.

STREETS & HIGHWAYS	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$102,048	\$107,370	\$178,500	\$183,470	2.78%
Operations	\$412,986	\$526,272	\$533,400	\$612,300	14.79%
Capital	-\$900	\$6,001	\$25,000	\$344,332	1277.33%
Total Expenses	\$514,135	\$639,643	\$736,900	\$1,140,102	54.72%

Budget Highlights

The expenses depicted above include the Road Fund costs. Improvements to the transportation system are funded in accordance with City Council direction and priority responding to growth, safety, pedestrian, and trail issues. Projects include street extensions and widening, trail improvements, safety improvements, speed table installations and curb extensions. Lindon citizens and the traveling public benefit from these projects that improve safety and circulation, reduce delay, and enhance pedestrian safety.

Program Goal

Complete repairs including complete reconstruction efforts to provide safe and well maintained streets and roads. Complete other street related projects as assigned to improve the safety and appearance of intersections, sidewalks and trail paths. Construct accessible ramps to achieve full accessibility throughout the City.

Program Objective

The Streets Division enhances public safety through the preservation of the City's streets, sidewalks, sidewalk ramps, pedestrian pathways and bridges. Maintenance is accomplished through pavement surface patching, sealing pavement cracks to prevent water infiltration, and replacing deteriorated sections of City-owned sidewalks. Major

**LINDON CITY
2012-2013 APPROVED BUDGET**

resurfacing projects such as asphalt overlays are prioritized through a project list. Most street reconstruction and new surface overlay work is completed by private contractors through the bidding process. Bridge inspections and repairs are completed as required by law.

Performance Outcomes

Improved coordination of resources has resulted in additional in-house project opportunities at reduced costs to the taxpayers. Coordinating overlay projects helps with traffic flow and improved customer service at all levels.

Program Trends, Needs and Performance

The City has appropriated \$200,000 constructing roadway to connect two parts of Center Street, \$119,332 for the purchase of equipment and vehicles, \$100,000 for overlay and chip seal maintenance and maintains and annual allocation of \$10,000 for the installation of ADA ramps which allows easy access to residents.

Program Goal

Install and maintain a current and high quality signage system for the City's streets and roads that satisfies all requirements for regulatory and informational signs.

Performance Measures	2009-2010	2010-2011	2011-2012	2012-2013
# of address signs requiring annual maintenance	305	305	305	305
# of regulatory signs requiring annual maintenance	562	562	562	562

Performance Outcomes

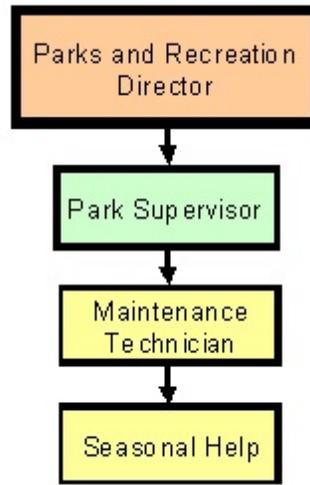

Maintain a accurate and visible inventory of street signs.

Programs Trends, Needs and Performance

Traffic signs and markings are necessary for the City residents and visitors alike, and therefore, the Streets Division will monitor the street signs and markings to ensure they comply with City code.

**LINDON CITY
2012-2013 APPROVED BUDGET**

PARKS DIVISION

Personnel Table

Personnel	2009-10	2010-11	2011-12	2012-13

Total	<u>4</u>	<u>4</u>	<u>4</u>	<u>4</u>

Vision

To develop and maintain a quality system of parks, trails and open space in order to provide excellent recreational facilities, inviting community gathering places and aesthetically pleasing open space for residents and visitors of all ages.

Description

The Parks Division is responsible for 112 acres of park land. City Center, Pioneer, Creekside, Pheasant Brook and Hollow Parks have restrooms, playground facilities and at least one pavilion. The City Center Park also features baseball fields and a horse arena and is the home of the Veteran’s Memorial Hall. Pioneer Park also has a soccer field, a walking path and a historic replica of the Harris Pioneer home. There are five other parks planned or currently under construction. The Parks Division oversees the grounds keeping, most of which is performed by a contractor.

**LINDON CITY
2012-2013 APPROVED BUDGET**

PARKS	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$177,473	\$178,613	\$192,000	\$177,010	-7.81%
Operations	\$244,530	\$255,652	\$297,215	\$298,300	0.37%
Capital	\$76,189	\$17,925	\$0	\$100,000	0.00%
Total Expenses	\$498,192	\$452,190	\$489,215	\$575,310	17.60%

Program Goal

Provide quality opportunities for public appreciation and enjoyment of Lindon City's deep heritage through the preservation of parks and trails.

Program Objectives

Strive to balance the interests of recreationists, visitors to historic sites, landowners, and the general public and keep up with the needs of our current and new trail systems and park resources so everyone may enjoy Lindon City's heritage. *(Council Goal #5: Assure a safe and healthy community).*

Ensure cleanliness at the Parks, help others understand the rules, and let people have fun in the open space provided to the residents. *(Council Goal #3: Continue to plan for, improve and maintain the City's infrastructure).*

Fairly enforce all regulations and maintain public safety at all City owned property, including parks and trails when necessary. *(Council Goal #1: Preserve and enhance our sense of community).*

Performance Measures	2009-2010	2010-2011	2011-2012	2012-2013
Miles of trails	7.25	7.25	10.25	10.25
Acreage of parks	111	112	112	113
Number of playgrounds	8	8	8	8
Number of pavilions	8	8	8	8
Number of baseball/soccer fields	6	6	6	6

Performance Outcomes

The Parks staff continues to be vigilant and mindful of the condition of the parks and pavilions so citizens can enjoy them when rented.

The Parks staff continues to take pride in the open space provided by the City to the residents by ensuring the trails are free of snow and debris.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Trends, Needs and Performance

As part of the Murdock Canal piping project, Utah County developed a trailhead in Lindon City. Lindon View Trailhead Park is about one acre. Lindon City will make 10 annual payments of \$10,000 for the property. Utah County will construct a restroom facility with an adjoining covered picnic table which it will then give to the City.

The City contracts with an outside agency, Elite Grounds, to perform ground maintenance in the City's parks and open space. The Parks staff is responsible for fixing broken sprinkler lines, trimming of shrubbery, planting flowers and trees, and snow and debris removal on parks and trails. The Parks staff is also responsible for garbage removal in park pavilions, and setting up tables and chairs for various events.

CEMETERY DIVISION

Vision

The mission of the Cemetery Department is to provide compassionate, courteous, and professional service to bereaved families and to strive to maintain a tranquil, well-maintained environment.

Description

The Cemetery activity does not warrant designated personnel. The Director of Public Works acts as the Sexton and supervises cemetery operations. As the Cemetery Sexton, he is responsible for delegating tasks for grounds upkeep, grave digging, and grave site maintenance.

The Cemetery will now feature a new Veteran's Memorial due to funding the City received from a generous citizen. This Memorial will stand as a tribute to those who sacrificed their lives for freedom and country, as well as those honorable citizens buried in the Lindon Cemetery.

CEMETERY	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance
Personnel	\$0	\$0	\$0	\$0	0.00%
Operations	\$6,427	\$17,188	\$13,900	\$14,400	3.60%
Capital	\$0	\$130,275	\$0	\$0	0.00%
Total Expenses	<u>\$6,427</u>	<u>\$147,463</u>	<u>\$13,900</u>	<u>\$14,400</u>	<u>3.60%</u>

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Goal

To preserve all artifacts, records, monuments, headstones and grave markers for the benefit of all visitors and future generations.

Strive to create a photographic record of all headstones, monuments, and grave markers.

Create a damaged grave marker inventory and continue to designate stones for repair and restoration.

Complete an electronic storage of records for easier access and preservation of paper records for people who have loved ones buried there.

<u>Performance Measures</u>	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Interments	21	25	18	20
Headstone repairs	0	0	0	0

Performance Outcomes

Grave digging, site maintenance and grounds upkeep is of utmost importance to the Cemetery Sexton. The Cemetery Sexton ensures timeliness digging of graves for funerals, quick burials after the grave side service, and in maintaining accurate records for future use.

Program Trends, Needs and Performance

The Cemetery Division is run by the Public Works Department of the City. The Cemetery is kept beautiful for all residents to enjoy when visiting graves or having a funeral. The Cemetery Sexton strives to evaluate the effects of certain trees and other plants on gravestones and enclosures which hamper marker visibility and schedule their removal or trimming.

The next pages contain a detail of the General Fund budget.

Other Governmental Funds Section

This section of the 2012-2013 Budget presents information on the Other Governmental Funds that Lindon City utilizes. Lindon City has a Special Revenue Fund, Capital Projects Funds, and a Debt Service Fund.

Special Revenue Fund.	106
Lindon's Special Revenue Fund is the Redevelopment Agency (RDA) Fund. This Fund is divided up into three project areas, or districts, that receive property tax increments: the State Street District, the West Side District, and District 3.	
Capital Project Funds.	108
Lindon City has two Capital Project Funds, the Parks Capital Improvement Projects (CIP) Fund and the Special Improvement District (SID) Fund.	
Debt Service Fund.	110
The Debt Service Fund is used for the accumulation of resources for the payment of current debt liabilities for the General, Road, Redevelopment Agency and Special Improvement Districts Funds.	

**LINDON CITY
2012-2013 APPROVED BUDGET**

OTHER GOVERNMENTAL FUNDS

SPECIAL REVENUE FUND

This fund type is used to account for the proceeds of specific revenue sources, other than trusts or major capital projects that are legally restricted to expenditures for specified purposes. Lindon City only has one fund classified as a Special Revenue Fund.

Redevelopment Agency (RDA) Fund

Lindon City has three project areas, or districts, that receive property tax increments. We refer to these districts as the State Street District, the West Side District and District 3. The revenue is restricted to improvements within the corresponding district. The State Street District is setting aside funds for the purchase of property for a Public Safety Building. The State Street District has tax participation agreements which will end in September 2012. The West Side District ceased receiving tax increment 2010 and the remaining fund balance for that district is appropriated to projects in the 2012-2013 fiscal year. District 3 makes the debt service payments for the 1999 bond which was used to install infrastructure in the area.

CAPITAL PROJECT FUNDS

Funds classified as a Capital Project Fund are used to account for financial resources appropriated for the acquisition or construction of major capital resources, other than those accounted for in Enterprise Funds. Lindon City has two funds in this classification.

Parks Capital Improvement Program (CIP) Funds

This fund is used for the purchase and development of City parks. Revenues come through park impact fees, general fund transfers and outside funding on an “as needed” basis.

Special Improvement District (SID) Fund

This fund accounts for payments made by property owners in the only SID in the City .
The funds are then appropriated for debt service payments on the bond which was used
to make special improvements in behalf of the property owners in that district.

DEBT SERVICE FUND

This fund is used for the accumulation of resources for the payment of current debt liabilities for the General, Road, Redevelopment Agency and Special Improvement Districts Funds. Debt liabilities for Enterprise Funds are paid out of those funds.

Enterprise Funds Section

This section of the 2012-2013 Budget presents information regarding the Water Fund, the Sewer Fund, the Solid Waste Collection Fund, the Storm Water Drainage Fund, and the new Recreation Fund.

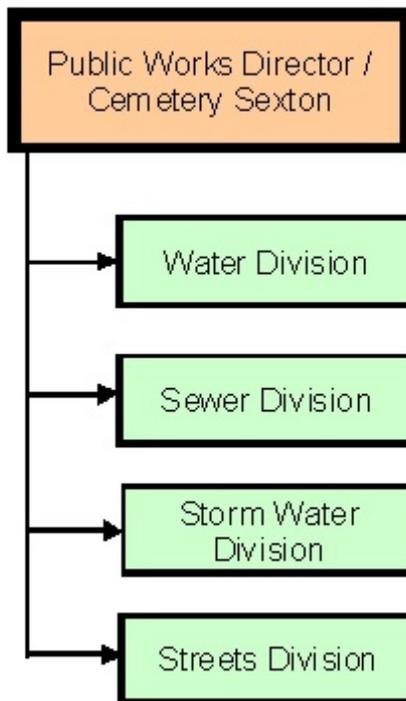

Water Fund.	113
This information provides details on the Water Funds revenues and expenditures, as well as their expected goals and objectives they plan on accomplishing this year.	
Sewer Fund.....	120
This section is in charge of the sewage collection system within the City, and the installation, maintenance and upgrades of its sewer lines.	
Solid Waste Collection Fund.	126
The Solid Waste Collection Fund is for the collection and payment of the fees associated with the garbage and recycling collection services.	
Storm Water Drainage Fund.....	127
This section provides details on the Storm Water Drainage System Fund and the utility fees paid by system users. It also discusses the impact fees paid by development.	
Recreation Fund.....	133
The Recreation Fund accounts for the Aquatics Center, Community Center and recreation programs operated by Lindon City.	
Telecommunication Fund.	139
The Telecommunication Fund is for the collection and payment of the fees associated with Lindon customers accessing Utah Infrastructure Agency (UIA) fiber-optic lines.	

**LINDON CITY
2012-2013 APPROVED BUDGET**

ENTERPRISE FUNDS

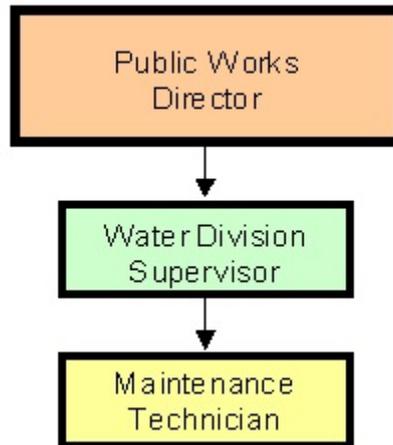

Enterprise Funds are used to account for activities that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges. Lindon City has Enterprise Funds for Water, Sewer, Solid Waste Collection, Storm Water Drainage, Recreation and Telecommunications.

The City recently added the Telecommunications Fund to track customer activity with the Utah Infrastructure Agency (UIA) which would be billed through the City. If Lindon residents desire access to UIA's fiber-optic network in order to subscribe to cable, internet or telephone services through third party vendors, then Lindon City would bill and collect from customers and then remit the payment to UIA.

**LINDON CITY
2012-2013 APPROVED BUDGET**

WATER FUND

Personnel Table

Personnel	2009-10	2010-11	2011-12	2012-13
Water Supervisor	1	1	1	1
Maintenance Technician	1	1	1	1
Total	<u>2</u>	<u>2</u>	<u>2</u>	<u>2</u>

The main revenue sources for the Water Fund are utility fees for the culinary and the secondary water systems and culinary water impact fees paid by development. This fund also handles the liability and debt service payments for the bonds issued in 2005, for the portion of the Sales Tax bond proceeds used to install water utility lines along 700 North, in 2006, for culinary water line installation and improvements, and in 2010, for the citywide water meter replacement project. The Water Fund is administered by the Water Division of the Public Works Department.

Vision

To ensure adequate and safe supplies of potable and irrigation water at sufficient working pressures by protecting, maintaining, and expanding the City's water system.

Description

The Water Division is responsible for maintaining, improving and expanding of both the culinary and secondary water services.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Culinary water is the potable water used within a home or business. Lindon's culinary water originates from springs east of the City and wells located throughout the City and are consistently monitored for quality and safety. This system is metered with the meters read in odd months with the exception of January. Bills are sent with the usage estimated in unmetered months. In 2010-2011, the water meters were changed out throughout the whole city to electronically read meters. This enables personnel to read meters every month and bill for actual water usage.

Secondary water is the untreated water used in sprinklers or other irrigation systems. This system is billed monthly year-round, although it is not metered and is only available from April to October. Lindon reservoirs are supplied mainly from the North Union Canal which is operated by the North Union Irrigation Company.

Both culinary and secondary water is disbursed via gravity where possible and pumped where necessary. The water systems are comprised of water lines, wells, reservoirs, and pumps located throughout the City.

WATER	2009-10 <u>Actual</u>	2010-11 <u>Actual</u>	2011-12 <u>Budget</u>	2012-13 <u>Budget</u>	Percent Variance

Operations	\$1,617,229	\$1,427,224	\$1,104,004	\$1,098,771	-0.47%
Capital	\$0	\$650,816	\$250,570	\$283,570	13.17%
Total Expenses	<u>\$1,851,721</u>	<u>\$2,333,468</u>	<u>\$1,536,264</u>	<u>\$1,569,111</u>	<u>2.14%</u>

Capital Improvements

Capital improvements will increase in the 2012-2013 fiscal year by 13.17% from the previous year. One project is the relocation of about 30 culinary water connections from an old 4" line to a newer 8" line which is already in the ground. This project is on 200 East, from Center Street to 200 South and on 400 West, from 200 South to 600 South.

Another project in the Water Fund is the Murdock Utility Relocation. The Provo River Water Users Association has been enclosing their canal and relocating City utility lines. The City is reimbursing the costs over a three year period with the final payment being made in the 2014 fiscal year.

Program Goal

To maintain the financial stability for the operation and maintenance of City's water system by providing citizens with timely and accurate utility bills and the subsequent collection and deposit of these charges. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability; #4: Provide responsive, cost-effective service to the community).*

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Objective (services provided)

- ▶ Coordinate meter reading and generate a timely bill to customers for water usage, water meter and water line service.
- ▶ Post payments of water charges to the appropriate customer account(s).
- ▶ Provide citizens with outstanding customer service for the following functions:
 - Information regarding their water account(s)
 - Establishing and closing customer accounts
 - Assistance with payment arrangements, delinquent charges, leak adjustments, scheduling turn-on and discontinuance of water services
- ▶ Update and maintain customer records.
- ▶ Implement City Code with respect to water service regulations.
- ▶ Perform prudent and timely collection practices to maintain a low delinquency and non-payment rate.
- ▶ Perform a monthly reconciliation between customer accounts and the general ledger.

<u>Workload Measures</u>	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Average daily consumption (thousands of gallons)	1,131	1,140	1,605	1,500
Number of culinary water accounts	2,795	2,748	2,775	2,775

Performance Outcomes

The program continues to meet the increasing demand for utility billing services with existing resources.

The program's low percentage in account write offs, for the most part, is due to the fact that water service is discontinued for non-payment of an active account. However, due to the current local and national economic conditions, we are experiencing a rise in uncollectible accounts.

Program Trends, Needs and Performance

Currently Lindon City offers the citizens the opportunity to pay their bill electronically or coming in directly to the office to pay. The electronic billing option means that customers can have their bill automatically deducted from their account every month and not have to worry about their bill being late. The City also sends out the monthly bills electronically to those who sign up in advance, and the convenience fee is waived if they pay online.

The City has been offering the option of electronic billing for the last three years, and the citizens love it. The bills then get downloaded to the Utility Billing system, and then come directly out of the customer's bank account as an automatic withdrawal through

**LINDON CITY
2012-2013 APPROVED BUDGET**

an electronic ACH transaction. This same process applies to those using a credit card, debit card or electronic check.

The City Engineer recommends an annual increase in the water rates based on the CPI (Consumer Price Index) to keep up with inflation. The City uses the April CPI of every year to budget for the next fiscal year's increases, if any. The April 2012 CPI was 2.3%, and the water rates were adjusted accordingly for the 2012-2013 fiscal year. Rates are also adjusted based on the cost to pump water to certain zones in the City.

Lindon City's utility bills consists of water usage charges monitored by a meter attached to the house, secondary water fees, sewer usage fees, garbage and recycling fees, and a storm water drainage fee. The City Engineer evaluates the Water, Sewer, and Storm Drainage fees on a yearly basis, and recommends to the City Council whether or not an increase is needed.

Sustainability Efforts

Lindon City has maintained a great rapport with the customers by utilizing our electronic billing system and offering our customers the option of utility bills on-line as an e-bill rather than a paper bill that is mailed to them. This service helps promote the environment in many ways by saving statement stock, envelopes, customer check stock, toner and printer impacts, postage and handling, as well as, gas costs in the delivery of the bill and payment.

Program Goal

To provide potable water of distinguished quality, quantity, and pressure for residential and commercial consumption, and fire protection at a reasonable cost through routine maintenance of our water infrastructure, and by promoting cooperative relationships and agreements with other public agencies.

Program Objective (services provided)

During 2010-11 fiscal year, over 2000 water meters were changed out. The new water meters can be read electronically via a radio system. The objective of this program is to improve billing accuracy and timeliness and reduce personnel expenses.

<u>Workload Measures</u>	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Water meter replacements	10	2,191	10	10
Water leak repairs	20	28	25	25
Total fire hydrants	631	631	631	631

Fire hydrant maintenance is a high priority to provide fire protection for our citizens' safety. The Public Works employees are constantly inspecting the fire hydrants to ensure preventative maintenance is performed to keep them in proper operation.

Performance Outcomes

Leak detection in the Water Distribution System is an important measure of the system's integrity and reliability. Consequently, leak identification and repair is a priority activity. The leak detection program identifies water leakages for repair, and reduces unaccounted water loss.

Replacement of old malfunctioning water meters is very important to accurately measure water consumed by customers and to maintain the Water Fund's revenue stream and reduce unaccounted water loss.

Services and Trends

Valve exercising (opening and closing) and maintenance is another critical maintenance function. This function makes sure valves can be closed in the event of a main break or other interruptions in flow. Also, a section of water main can be isolated for repair or to perform preventative maintenance. A comprehensive program of inspection, exercise, and maintenance of valves on a regular basis helps avoid potentially serious problems when the need to operate a valve arises.

**LINDON CITY
2012-2013 APPROVED BUDGET**

SEWER FUND

The main revenue sources for the Sewer Fund are utility fees paid by system users and impact fees paid by development. The City Engineer recommended that the City Council increase the Sewer rates by 12% to help meet debt service requirements for the 2011 Sewer Revenue Bond (\$3,000,000) which was used to upgrade the sewer system along Geneva Road near the Orem City border. An additional rate increase of 15% was recommended for FY2014. The City Council preferred using fund equity reserves and spreading the rate increases over the next few years, rather than implementing one enormous rate increase.

Sewer usage is not metered. Instead, it is estimated based on the average winter water usage (November - March). The Sewer Fund is administered by the Sewer Division of the Public Works Department.

Personnel Table

Personnel	2009-10	2010-11	2011-12	2012-13
Sewer Supervisor	1	1	1	1
Maintenance Technician	0	0	0.5	.5
Total	<u>1</u>	<u>1</u>	<u>1.5</u>	<u>1.5</u>

Vision

Provide a wastewater collection system that functions reliably, that is routinely subject to preventative maintenance inspections and repairs and repairs and that satisfies all of the requirements of the Clean Water Act and City Municipal Code. Provide assistance and recommendations to residents and property owners that experience problems in private wastewater collection and piping systems.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Description

In 1974-78, Lindon City elected to install a sewage collection system, thereby eliminating septic tank systems. All City sewer lines run to Orem City's Water Reclamation Facility and are engineered and maintained to accommodate present and future growth of Lindon. Lindon City is responsible for the installation, maintenance and upgrades of its sewer lines.

SEWER	2009-10 <u>Actual</u>	2010-11 <u>Actual</u>	2011-12 <u>Budget</u>	2012-13 <u>Budget</u>	Percent <u>Variance</u>

Operations	\$872,754	\$4,467,133	\$813,196	\$1,180,594	45.18%
Capital	\$173,132	\$1,893,152	\$1,153,610	\$228,610	-80.18%
Total Expenses	<u>\$1,151,757</u>	<u>\$6,452,842</u>	<u>\$2,088,066</u>	<u>\$1,535,374</u>	<u>-26.47%</u>

Capital Improvements

Funds have been allocated in 2012-2013 to complete the Geneva Road sewer upgrade project. This expansion will accommodate current and future growth. Additional funds have been allocated to pay Lindon's portion of Orem City's Water Reclamation Facility expansion project.

Another project in the Sewer Fund is the Murdock Utility Relocation. The Provo River Water Users Association has been enclosing their irrigation canal and relocating City utility lines. The City is reimbursing the costs over a three year period with the final payment being made in the 2014 fiscal year.

Program Goal

To maintain the financial stability for the operation and maintenance of City's sewer system by providing citizens with timely and accurate utility bills and the subsequent collection and deposit of these charges. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability; #4: Provide responsive, cost-effective service to the community).*

Program Objective (services provided)

- ▶ Generate a timely bill to customers for sewer usage and service. Post payments of sewer charges to the appropriate customer account(s).
- ▶ Provide citizens with outstanding customer service for the following functions:
 - Information regarding their sewer account(s).
 - Establishing and closing customer accounts.
 - Assistance with payment arrangements, delinquent charges, and scheduling a discontinuance of sewer services, when applicable.

**LINDON CITY
2012-2013 APPROVED BUDGET**

- ▶ Update and maintain customer records.
- ▶ Implement City code with respect to sewer service regulations.
- ▶ Perform prudent and timely collection practices to maintain a low delinquency and non-payment rate.
- ▶ Perform a monthly reconciliation between customer accounts and the general ledger.
- ▶ Review winter water consumption reports on an annual basis to ensure proper billing of sewer usage.

Workload Measures	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Number of sewer accounts	2,686	2,642	2,685	2,700
Sewer line miles inspected	4	1	5	5

Performance Outcomes

The program continues to meet the increasing demand for utility billing services with existing resources. Due to the current local and national economic conditions, we are experiencing a rise in uncollectible accounts.

Program Trends, Needs and Performance

The City utilizes an electronic billing option for our residents and offers the ability to pay their utility bills online. Offering customers the ability to pay online with either a credit card or withdrawal from their bank account helps provide excellent customer service and is a great benefit for our customer base.

Program Goal

- ▶ Provide a wastewater collection system that provides a safe and reliable conveyance mechanism for wastewater materials.
- ▶ Prevent wastewater system blockages by routinely inspecting known problem areas of the lines and by actively managing a program to eliminate the discharge of fats, oils and greases into the City's wastewater system.
- ▶ Avoid overage surcharges from Orem City, by monitoring and reducing storm water infiltration into the sewer system.

Key maintenance activities include cleaning the sanitary sewer collection system with high velocity water pressure, video scanning the trunk lines with self-propelled closed circuit cameras, removing roots through chemical treatment, assisting citizens with specific problems and, tracking and maintaining data on a computer management system for future use by citizens, contractors and other City departments.

SEWER INVENTORY SUMMARY				
	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Miles of sewer lines	56	56	56	56
Number of manholes	1,443	1,443	1,443	1,443
Number of clean-outs	2,642	2,642	2,642	2,642

Performance Measures

<u>Program Objective/Measures</u>	<u>2009-10</u>	<u>2010-11</u>	<u>2011-12</u>	<u>2012-13</u>
Perform annual inspections and maintenance to ensure system reliability and to satisfy regulatory requirements.	Achieved	Achieved	Goal	Goal
Routine line cleaning: clean & remove debris from the sanitary sewer system every 3 years.	Achieved	Achieved	Goal	Goal
Non-routine line cleaning: lines that have recorded problems (roots, flat grade, under capacity) require more frequent cleaning	Achieved	Achieved	Goal	Goal

Performance Outcomes

The City cleans the entire sanitary sewer system within its boundaries a minimum of every three years and conducts video inspections of the system every seven years. Annual cleaning of 20,000 feet of sewer lines and video inspection of 5,000 feet of sewer lines each year are necessary to satisfy the required inspections. In addition to annual cleaning and scanning efforts, problem lines are cleaned more frequently. Lines with root problems are chemically treated or roots are cut to reduce the potential for blockages in the sanitary sewer system. The Sewer Division also cleans and inspects newly installed pipe systems associated with new development and capital improvement projects to assure proper construction and installation procedures were used.

Programs Trends, Needs and Performance

As the lines and structures in the sanitary sewer system age, more routine maintenance and repair are necessary to reduce ground and surface water infiltration, maintain proper gravity flow in the sewer system, and eliminate leaking from joints and damaged pipe. Routine repairs such as specific pipe and joint replacement, root removal, manhole rehabilitation and sealing continue to be performed by the Sewer Division employees.

SOLID WASTE COLLECTION FUND

The Solid Waste Collection Fund is for the collection and payment of the fees associated with the garbage and recycling collection services. Since Lindon City contracts these services with Allied Waste Management, there are not any personnel or capital expenses associated with this fund.

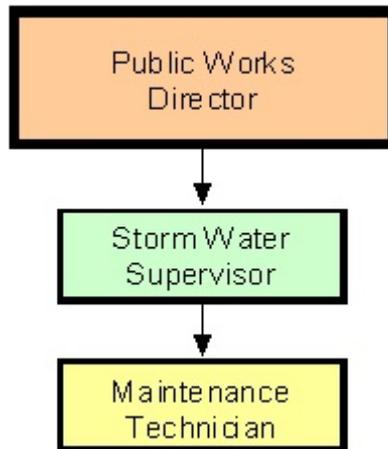

In 2009-2010, the City Council opted to start paying the landfill directly. This means that the City receives two separate bills for the garbage pick up. The City receives one from Allied Waste for their services, and from the landfill for the dumping of the waste directly.

STORM WATER DRAINAGE SYSTEM FUND

The main revenue sources for the Storm Water Drainage System Fund are utility fees paid by system users and impact fees paid by development as well as transfers from the General Fund on an “as needed” basis. This fund also handles the liability and debt service payments for the portion of the 2005 Sales Tax bond proceeds used to install storm water drainage lines along 700 North. This fund is administered by the Storm Water Division of the Public Works Department.

Personnel Table

Personnel	2008-09	2009-10	2010-11	2011-12
Storm Water Supervisor	1	1	1	1
Maintenance Technician	1	1	1	1.5
Total	<u>2</u>	<u>2</u>	<u>2</u>	<u>2.5</u>

Vision

Establish and maintain a surface and storm water collection system that captures and detains runoff to reduce street and stream flooding. To minimize downstream pollution and provide a safe conveyance of storm water through the City in order to minimize damage to persons and property from flooding caused by rainstorms and snowmelt.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Description

The Storm Drainage Division maintains and improves drainage ditches as well as maintaining, improving and installing the increasing number of drainage pipes that comprise the City's storm water drainage system. Lindon City prohibits depositing certain materials on sidewalks and roadways. The City is working with the Environmental Protection Agency to keep water ways clean.

The City Engineer recommends increasing the Storm Water utility fee annually, based on the Consumer Price Index (CPI). The City uses the April CPI of every year to budget for the next fiscal year's increases, if any. The April 2011 CPI was 3.2%, and the water rates were adjusted accordingly for the 2011-2012 fiscal year.

STORM WATER DRAINAGE	2009-10 <u>Actual</u>	2010-11 <u>Actual</u>	2011-12 <u>Budget</u>	2012-13 <u>Budget</u>	Percent Variance

Operations	\$925,729	\$529,587	\$302,900	\$286,659	-5.36%
Capital	\$14,196	\$157,379	\$50,375	\$513,755	919.86%
Total Expenses	<u>\$1,040,256</u>	<u>\$817,586</u>	<u>\$504,575</u>	<u>\$962,114</u>	<u>90.68%</u>

Program Goal

To maintain the financial stability for the operation and maintenance of the City's storm drain system by providing citizens with timely and accurate utility bills and the subsequent collection and deposit of these charges. *(Council Goal #2: Use City resources efficiently to ensure long-term financial stability; #4: Provide responsive, cost-efficient service to the community).*

Program Objective (services provided)

- ▶ Generate a timely bill to customers for storm drain service and post payments of storm drain charges to the appropriate customer accounts.
- ▶ Provide the citizens with outstanding customer service for the following functions:
 - Information regarding their storm drain accounts.
 - Establishing and closing customer accounts.
 - Assistance with payment arrangements and delinquent charges.
- ▶ Update and maintain customer records.
- ▶ Implement City Code with respect to storm drain service regulations.
- ▶ Perform a monthly reconciliation between customer accounts and the general ledger.

Performance Measures	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>

**LINDON CITY
2012-2013 APPROVED BUDGET**

Performance Outcomes

The program continues to meet the increasing demand for utility billing services with existing resources. Due to the current local and national economic conditions, we are experiencing a rise in uncollectible accounts.

Program Trends, Needs and Performance

The City offers its residents the option of electronic bill pay and e-checks taken through the internet to pay their utility bill. This gives our customers the ability to receive a paperless bill and make on-line payments. Since the City has offered our customers the ability to pay online with a credit card or withdrawal from their bank account, the City has received numerous compliments on the improved and more customer friendly system. This service allows customers the convenience of paying their bill when, where and how they want.

Sustainability Efforts

By implementing the option of electronic bill pay, the City has decreased expenses and its environmental impact by decreasing paper output, postage and handing expenses and collection expenses.

Program Goal

Maintain a high performing storm and surface water collection system through regular street sweeping, periodic cleaning of storm lines and catch basins, and cost effective pond and creek enhancement projects.

Performance Measurers	<u>2009-2010</u>	<u>2010-2011</u>	<u>2011-2012</u>	<u>2012-2013</u>
Street sweeping hours	166	186	200	200
Street sweeping miles	136	183	175	175
Fall leaf bags picked up	4,267	2,992	3,000	3,000
Manholes and inlet cleaning	70	70	70	70

Performance Outcomes

Street sweeping stabilizes the cost of sediment removal from the underground storm system. This helps to remove more trash, dirt and sedimentary material that contain heavy metals and hydrocarbons, reducing the amounts that enter the Storm Drainage System. The City has a goal to sweep the curbs and gutters at least two times annually. The City will clean sumped catch basins at least once every four years to meet performance and regulatory obligations. Storm sewer line cleaning removes sediments, prevents blockages, and allows inspection of structures and lines through routine

**LINDON CITY
2012-2013 APPROVED BUDGET**

maintenance. New additions to the storm system are inspected before final acceptance to assure proper construction.

Program Trends, Needs and Performance

The major project in the Storm Water fund is called the Lindon Hollow Creek relocation project. The City purchased the wetlands area, where the storm water runs through before it hits the lake on the west side of the City in 2009-2010 fiscal year. The City is now planning on relocating the meandering ditch to the north in fiscal year 2012-2013 in hopes of decreasing sediment in the storm water that empties into Utah Lake.

Another project in the Storm Water Fund is the Murdock Utility Relocation. The Provo River Water Users Association has been enclosing their irrigation canal and relocating City utility lines. The City is reimbursing the costs over a three year period with the final payment being made in the 2014 fiscal year.

Vision

To provide recreational sports leagues that emphasize inclusion, sportsmanship, education and skill development at the lowest possible cost while still meeting a high level of organization and consistency. The Aquatics Center was built to provide

**LINDON CITY
2012-2013 APPROVED BUDGET**

swimming lessons and a fun atmosphere while learning valuable life skills in and out of the water. We will accomplish all these things by focusing on the quality, rather than the quantity, of the programs offered by Lindon City. The Community Center started with programs for Seniors and has expanded to include programs for the whole community.

Description

The Recreation Department is managed by a full time Parks and Recreation Director with a seasonal support staff. Lindon offers basketball in the fall, soccer in the spring, and Tee-ball, Coach Pitch and Machine Pitch baseball programs in the summer. These are noncompetitive, recreational leagues which focus on building skills, self-esteem and a sense of fair play.

The Aquatics Facility offers lessons for swimming, flow rider, swim team and junior lifeguards. Lessons are scheduled in the mornings and then open swim hours begin afterward. The facility has a flow rider and 5 separate pools, including a competition pool, a lazy river and a zero point entry pool. The facility is very family friendly.

The City purchased and renovated a former church building in the 2010-2011 fiscal year. This building is now serving as a Senior Center and a Community Center for all citizens in Lindon.

As the programming at the Community Center continues to expand, it became necessary for the City to add another part time Program Director. One Program Director facilitates Senior programs while the other director facilitates community programs.

RECREATION FUND	2009-10 Actual	2010-11 Actual	2011-12 Budget	2012-13 Budget	Percent Variance

Program Goal

To aid and enhance the quality of life for Lindon City's families by providing recreational programs, facilities and services that meet the needs of the community within a safe and positive learning environment.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Program Objective (services provided)

- ▶ Evaluate and train employees on recreation programs that are offered to Lindon youth.
- ▶ Create new programs to provide multiple recreational opportunities for Lindon Seniors and youth.
- ▶ Allow for a safe and family oriented environment in all recreational areas within Lindon City.
- ▶ Meet the needs of the youth, adults, and families by offering a variety of recreational programs that encourage fitness and promote healthy lifestyles.
- ▶ Develop and implement educational programs in regard to health, fitness, and recreation that promote education and self awareness of the benefits of health and fitness activities.

Performance Measures	2009-2010	2010-2011	2011-2012	2012-2013
Number of recreation programs	3	3	3	3
Participants in recreation programs	1,692	1,668	1,066	1,500

Performance Outcomes

The Parks and Recreation Director are in the process of adding additional programs for the new Community Center coming online in August 2011. The Community Center will host the Senior Center, a basketball court, an exercise and weight training area, and additional recreational programs not currently offered.

Program Trends, Needs and Performance

The City is very excited about the addition of our new Community Center. Personnel will consider the residents' preferences and the City's physical and financial capabilities when evaluating and implementing new community programs.

TELECOMMUNICATIONS FUND

The Telecommunication Fund was just recently added to track customer activity with the Utah Infrastructure Agency (UIA) which would be billed through Lindon City. If Lindon residents desire access to UIA's fiber-optic network in order to subscribe to cable, internet or telephone services through third party vendors, then Lindon City would bill and collect from customers and then remit the payment to UIA.

Financial Policies Section

This section of the 2012-2013 Budget presents the Financial Policies to which the City adheres. This section discusses the goals that every city government should strive for, the benefits from written policies, and the City's basis of accounting currently used today.

Goals of City Government.	142
Talks about the goals every City should set.	
Benefits from Written Policies.	143
The benefits of written policies will permit city leaders to view their present approach to financial management from an overall, long-range point.	
Basis of Accounting.	145
The City uses the modified accrual basis of accounting for financial reporting and budgeting purposes. This section talks about Revenue and Taxation, Budgeting and Operations, Capital Planning, Long-term City Debt and Public Borrowing, Cash Management and Investment Policies, and Accounting and Financial Reporting Policies.	

FINANCIAL POLICIES

INTRODUCTION

These policies were originally adopted by the Council in FY 1995-1996 and are updated annually as necessary. They are included here for informational purposes.

BASIC PURPOSE OF CITY GOVERNMENT

The basic purpose of city government is to render the specific services the citizens and taxpayers want at a price they can afford and are willing to pay. The “price” constitutes the sum total of the taxes, fees and charges imposed on the public by the governing body of the city. Under Utah law, cities have only those powers expressly granted to them by the State legislature. All authorized areas of service are therefore specified in the statutes.

In the rendition of authorized services, the basic role of our governing bodies, stated as simply as possible, is to “collect dollars” and “spend dollars.” Their desired goal is to collect the dollars equitably from the proper segments of the public and spend them for basic services that perform the greatest good for the greatest number of our citizens. Ninety-five percent of the collective effort of city officials today is on the side of spending these dollars. That is where the true work of governing is largely centered.

HOW SHOULD WE GOVERN?

Out of a large body of tested and proven experience, in business, education, and nonprofit organizations generally, as well as in governmental units, it has been amply demonstrated that success in managing or governing comes from:

1. Adopting basic goals and objectives.
2. Adopting policies to guide day-to-day activities, assuring achievement of such goals and objectives.
3. Adopting success-proven procedure by which services can be performed most efficiently and at the lowest possible cost.

BASIC GOALS OF CITY GOVERNMENT

The following concepts represent five desirable basic goals that should underlie the operating policies of every city desiring a sound plan for financing its services to the public. These goals should not change from one administration to another. If the principles are sound they should serve as unalterable guides to every city administration, even though its officials will change from time to time.

LINDON CITY
2012-2013 APPROVED BUDGET

1. Local government, under whatever form it may operate; exists only to serve the needs of its citizens. Since these needs are continuing, the basic policies guiding each administration should be a continuing character, based on both long range and current considerations. Therefore, sound long-range planning is believed to be an important foundation of good government.
2. Local government should be responsible to the needs of its citizens; it should also be accountable to the citizen taxpayers who meet the costs thereof; since the services are provided for them and are paid for by them. Responsiveness and accountability each is of equal importance to the citizens in every community.
3. Economy and efficiency in government are attainable goals. The basic services that local government must provide should not and need not cost more than the same services provided by private business or industry. In fact, with government being exempt from taxes, an advantage not enjoyed by private business, the cost of its services should be less.
4. Each generation of taxpayers should pay its own fair share of the long-range cost of local government. The long-range cost of city government should be kept at a minimum, consistent with the level of services desired by its citizens and within the framework of their ability to sustain that level; that is, their ability to pay their way.
5. Every city government should establish the goal of maintaining at all times a sound financial condition in each significant fund of the city.

MAJOR BENEFITS FROM ESTABLISHING WRITTEN FINANCIAL POLICIES

In the field of municipal management, it has been repeatedly demonstrated that enormous benefits will flow from the establishment and continued utilization of written financial policies. One of the most important benefits is that such policies will permit city leaders to view their present approach to financial management from an overall, long-range vantage point. In most communities, policies in one form or another may already exist in budgets, in capital improvement plans, in grant applications, in Council resolutions, and in administrative practices. When financial policies are scattered among these kinds of documents, they are not formalized, or are developed on a case-by-case basis, and it is likely that decisions will be made without consideration of other current policy directives, past policy decisions, or future policy alternatives. This kind of policy making can easily lead to:

1. Conflicting policies: The City Council may be making decisions that are in conflict with each other.

LINDON CITY
2012-2013 APPROVED BUDGET

2. Inconsistent policies: The City Council may be making certain decisions and following certain policies on one issue, then reversing them on a similar issue.
3. Incomplete policies: The City Council may not be making any policy or reaching any decision on some aspect of financial management.

Having a formal set of written financial policies can measurably assist the City council and the City Administrator to see where these conflicts, inconsistencies, and gaps are in the present approach to financial policy. It can also help the Council and Administrator develop similar expectations regarding both administrative and legislative financial decision making.

Other major benefits from establishing written financial policies include:

1. Having publicly adopted policy statements contributes greatly to the credibility of and public confidence in the governmental organization. To the credit rating industry and prospective investor, such statements show a city's commitment to sound financial management and fiscal integrity.
2. Having established policy can save time and energy for both the Council and Administrator. Once certain decisions are made at the policy level, the policy aspects of individual issues need not be discussed each time a decision has to be made.
3. Continuing reference to adopted financial policies directs the attention of the administration and council members to the city's total financial condition rather than single issue areas. Moreover, this process requires the administration to link day-to-day operations with long-range financial planning.

Adoption of long-range plans will minimize reliance on short-run solutions to problems that otherwise offer no alternatives. This process will also make council members more aware of the importance of their policy making role in maintaining a sound financial condition of the city.

4. Establishing financial policies will improve the city's fiscal stability. It will encourage the administration and council to view all financial matters in a long-range perspective, to plan expenditures and to tentatively set tax rates for a two to three-year period, and thus avoid otherwise unforeseen financial crises.
5. Finally, having explicit policies contributes to continuity in handling the city's financial affairs. The Administrator and membership of the Council may change over time, but sound policies will always be in existence to guide whoever holds these positions.

LINDON CITY
2012-2013 APPROVED BUDGET

The following is a series of statements of both general and specific financial policies considered appropriate for application to the major areas of administration in the City of Lindon.

BASIS OF ACCOUNTING

General Policies

1. The modified accrual basis of accounting is used for budget and financial reporting by all governmental funds and agency funds. Under the modified accrual basis of accounting, certain revenues are recognized when susceptible to accrual by being both measurable and available.
 - a. "Measurable" means the amount of the transaction can be determined.
 - b. "Available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period.
 - c. Expenditures are generally recorded when the related fund liability is incurred.
2. The accrual basis of accounting is utilized for budget and financial reporting by all proprietary fund types. Under this method, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred.

Specific Policies

1. The revenues in the governmental and agency funds that are susceptible to accrual are:
 - a. Property taxes
 - b. Sales and other taxes collected by the State on behalf of the City.
 - c. Franchise taxes
 - d. Grants relative to recorded costs
 - e. Interest revenue
 - f. Charges for services.
2. Pursuant to Governmental Accounting Standards Board (GASB) Statement No. 34, which became effective for fiscal years beginning after June 15, 2000, assets from property taxes and other imposed non-exchange transactions should be recognized in the period in which there is an enforceable claim on the assets or when the assets are first received, whichever comes first.
3. Fines and permit revenues in the governmental and agency funds are not susceptible to accrual because generally they are not measurable until payments are received.

REVENUE AND TAXATION

General Policies

1. The burden of financing city government should, with reasonable deviation, be financed in accordance with the basic principle of “benefits received.”

As a general principle, the broad group of basic services rendered to the general public, such as police and fire protection, streets and parks should be financed from revenues imposed on the broad general public, as through property taxes and sales taxes, franchise taxes or other broad based taxes.

Special services rendered to special groups of citizens (whether individual or business groups) should be financed by special fees or assessments. Examples are:

- a. Special improvements to private property, paid for by abutting property owners;
 - b. Regulatory license fees and permits imposed on individual businesses; and
 - c. Planning and permit fees imposed for planning and zoning services rendered for benefit of real estate developers and individual home builders.
 - d. Impact fees imposed upon new development to pay for the new growth’s share of impact upon the city.
5. A city should seek to maintain stable tax rates for taxes imposed on the broad general public. As a general rule, growth in population and new businesses should produce revenue increases approximately equal to the added cost of existing services required therefore.

As a guiding principle, therefore, the rate of property taxes or sales or franchise taxes should not be increased unless inflation has clearly forced operation costs upward faster than property and sales tax growth or new services are commenced that clearly serve the broad general public. As a long-range planning policy, the city will attempt to stabilize its revenue sources by:

- a. Seeking where necessary legislative support for increases in the present rate of local option sales taxes.
- b. Seeking and developing additional growth-type taxes.
- c. Attempting to expand and diversify the city’s tax base with commercial and industrial development.
- d. Annually establish an appropriate property tax levy to meet city needs, consistent with the objective of avoiding significant fluctuations in the levy from year to year.

**LINDON CITY
2012-2013 APPROVED BUDGET**

6. Where a new service is commenced that serves only a substantial segment of the broad general public and an increase in total revenue proves justified as a result, equity is served if a revenue source is selected that is closely related to such new service, i.e., a source selected on a basis of "benefits received."

Specific Policies

1. The city will estimate its annual revenues in all budgeted funds by an objective, analytical process; conservative estimates will be utilized in all adopted budgets.
2. The city will maintain a forward moving projection of revenues for a three-year period in its principal operating funds. Each existing and potential revenue source will be reexamined annually.
3. The city will utilize one-time or special purpose revenues (such as program grants and federal revenue sharing) for capital expenditures or for specific expenditures required by the terms of the grant, and not to subsidize recurring personnel and operation and maintenance cost, except where application of this policy would result in increasing project and/or operation costs.
4. Special fees, assessments, or user-type charges imposed to assist in financing activities in the city's general fund, which benefit special segments of the broad general public, shall be established at a level closely related to the cost of providing the relevant services.

Each year the city will recalculate the full costs of activities supported by such types or fees or charges to identify the impact of inflation and other cost increases; such fees or charges will be adjusted to compensate for related cost increases.

5. The city will set fees and user charges for each enterprise activity, such as water, sewer, sanitation services, or each internal service operation, such as fleet maintenance and purchasing and warehousing, at a level that fully supports the total direct and indirect cost of each type of activity. Indirect costs shall include the cost of annual depreciation of capital assets.
6. The city will set fees for other user activities, such as recreational services, at a self-sustaining level where possible.
7. The city shall actively seek all available grant funding for operating or capital purposed in any fund.

**LINDON CITY
2012-2013 APPROVED BUDGET**

BUDGETING AND OPERATIONS

General Policies

1. All budgets shall be balanced each year, in accordance with the requirements of Utah law. A balanced budget is a financial plan of operation in which revenues equal expenditures for the fiscal year. Expenditures must be kept within appropriations, and revenues shall be estimated conservatively so as to avoid unexpected deficits.
2. Long-range budget planning is both desirable and essential for avoiding deficits. Budgets in major operating funds preferably should be tentatively prepared on a moving two to three-year basis to assure that critical problems can be foreseen and solutions planned before emergencies arise.
3. A reasonable surplus for restricted use, as provided by law, shall be permitted to accumulate in the city's general fund for the following purposes:
 - a. To provide sufficient working capital to avoid borrowing on tax anticipation notes;
 - b. As a cushion or reserve if ever needed to absorb emergencies, such as a fire, flood or earthquake; or
 - c. To cover any unanticipated deficit, resulting from a shortfall in actual revenues in a given budget year. Emergency spending must be approved in advance by the City Council.
4. Planning of annual operating budgets shall be continually refined by seeking constantly to relate budget appropriations more closely to actual economic "need." The need shall be determined on the basis of work to be accomplished and services to be performed in the community.

For the purpose of more clearly determining the true needs of operating departments, the service standards of each department shall be defined. These standards may be altered as operating needs of the departments change, but significant modifications shall be approved by the governing body.

Budget appropriations shall be established on a conservative basis; it is a truism that all governmental units function more efficiently under conservative operating budgets than where funds in excess of economic needs are made available.

5. The budget is the single most important means of setting spending policy in the city. It constitutes approval of operating programs and provides the resources to finance those programs.

**LINDON CITY
2012-2013 APPROVED BUDGET**

6. The City Council hereby commits itself to a policy of non-opening of budgets of its various funds, except in rare circumstances, during the fiscal year. Amending budgets provide a comparison between original estimates and actual operating results. Minor adjustments in budget line-items are permitted by the Uniform Fiscal Procedures Act for Utah Cities. However, the city Administrator may, at his option, control spending at the budget line-item level.

Careful preparation of the budget of each fund provides the best defense against opening and amending of them during the year. All new and existing programs should be clearly identified and carefully costed. True economic "need" should govern the amount to be appropriated for any one line-item or a total program.

7. Once the budgets are adopted by the council, the city budgets are the responsibility of the Finance Director. Monthly financial summaries will keep the Council informed of operating trends and developing problems. Under this approach, the necessity to amend the budget of any fund during the year should be rare.

Specific Policies

1. The budget of each fund shall be prepared on the basis of determining true "economic need." The Finance Director is encouraged to continue the preparation of annual budgets in an environment of mutual cooperation and consultation with the appropriate departments and divisions.
2. Budgets for all governmental type funds shall be prepared, adopted, executed, and controlled in the manner prescribed in the Uniform Fiscal Procedures Act for Utah Cities.

Operating and capital budgets shall be prepared for all enterprise and internal service type funds of the city, and controlled as specifically prescribed in the Uniform Fiscal Procedures Act for Utah Cities and the Accounting Manual for Utah Cities, as promulgated by the Office of the Utah State Auditor.

3. The operating budget of the general fund shall provide for adequate maintenance and replacement of equipment in use in the various city departments within that fund.
4. The budgets of all city funds in which personnel are directly employed shall provide for adequate funding of employee salaries and benefits.
5. The city will maintain an effective risk management program to minimize losses as well as annual premiums for insurance coverage.

LINDON CITY
2012-2013 APPROVED BUDGET

6. Each year the Finance Director shall cause revenue and expenditure projections in the city's principal operating funds to be updated for at least the two succeeding years. Projections will include estimated operating costs of future capital improvements that are included in the budget of the capital improvements fund or in the capital section of the budgets of the respective enterprise funds.
7. With exception of the capital improvements fund, the city will pay for all current expenditures with current revenues in each budgeted fund. Budgetary procedures will be avoided that balance current expenditures at the expense of meeting future years expenses, such as postponing expenditures of a current year or attempting to accrue revenues belonging to succeeding years.
8. The city will maintain an effective budgetary control system to help it adhere to the adopted budget of each fund. This includes a centralized purchasing system and effective accounting control over all appropriations for departmental programs and activities.
9. The city will maintain an ongoing system of interim reporting on operations of the various city funds, in which comparisons will be made of actual revenues and expenditures (expenses) with budgeted amounts.

Budget Amendments

10. The following budgetary funds require a public hearing and City Council resolution to increase the total appropriation of the fund:
 - .. General Fund
 - .. Road Fund
 - .. Debt Service Fund
11. The following proprietary funds only require a City Council resolution to increase total appropriations for the fund:
 - .. Water Fund
 - .. Sewer Fund
 - .. Waste Collection Fund
12. Final amendments to the current year budget of all funds shall be adopted by the City Council by the last day of the fiscal year.

LINDON CITY
2012-2013 APPROVED BUDGET

CAPITAL PLANNING

General Policies

1. Planning for city capital improvement needs and means of financing shall be on a long-range basis; short-range planning shall be on a five-year basis and needs beyond that on a six to ten-year program.
2. As a general rule, capital improvements shall be financed as follows:
 - a. For the departments financed from the general fund, all departmental equipment will normally be paid for from current appropriations within that fund; major capital improvements for general governmental purposes, consisting of land, buildings, and improvements other than buildings, regardless of size, will be financed through the annual budget of the city's capital improvements fund, to the extent available funds and current priorities will permit; major capital improvements which cannot be financed from annual appropriations within the capital improvements fund, or which cannot be delayed until the required funds are accumulated within such fund, may be financed by federal grants, by issuance of general obligation bonds, revenue bonds (where permissible), or by a combination of any of these methods.
 - b. For departments financed from utility or enterprise funds, such as for water and sewer systems, all capital acquisitions and improvements, including land, buildings, improvements other than buildings, and machinery and equipment should be paid from resources provided by capital contributions and net income of each such fund, with provision for acquisition of such improvements being made annually in the budgets of such funds. However, with respect to major capital improvements that cannot be financed from annual earnings within these funds, either midterm borrowing on an inter-fund loan fund basis or long-term borrowing by issuance of revenue or general obligation bonds should be utilized.

Specific Policies

1. Whenever possible, the city will make all major capital improvements in accordance with a formally adopted multi-year capital improvements program. The program will be updated annually including future capital expenditures necessitated by growth in population, changing patterns in real estate development, or changes in economic base.
2. It shall be the policy of the city that where new construction is involved, in new subdivisions or otherwise, the improvements must be fully completed. These items include:

LINDON CITY
2012-2013 APPROVED BUDGET

- a. Sewer lines
 - b. Water lines
 - c. Storm water systems
 - d. Underground drainage systems
 - e. Gas lines
 - f. Electrical underground lines
 - g. Telephone underground lines
 - h. Cable TV underground lines
 - i. Sidewalks
 - j. Curbs and gutters
 - k. A full finished street, with enough road base and asphalt depth to last at least 10 years. A construction standard to achieve this useful life shall be determined, adopted and closely observed.
3. The city will adopt an annual capital improvements program based on the multi-year capital improvements plan. Annual capital budgets in the appropriate funds will be adopted in implementation of the annually adopted capital improvements program.
 4. The city will coordinate development of the capital improvements program with development of the operating budgets. Future operating costs associated with new capital improvements will be projected and included in operating budget forecasts.
 5. The city will maintain all of its infrastructure assets at a level adequate to protect its capital investments and to minimize future maintenance and replacement costs.
 6. The city will maintain an ongoing projection of its equipment replacement and maintenance needs for the next several years and will update the projection each year from replacements integrated with annual budgets of related funds.
 7. The city will identify the estimated costs and potential funding sources for each capital project proposal before it is submitted to the Council for approval.
 8. It shall be the policy of the city to utilize the least costly financing method for all new capital projects. Normally, the financing options will consist of:
 - a. Issuance of bonds for all projects.
 - b. State or federal grants alone or with matching grants.
 - c. Pay as you go financing on a current basis with locally generated revenues.
 - d. Advance accumulation of resources for pay as you go financing.
 - e. Combination of two or more methods in (a) through (d).

**LINDON CITY
2012-2013 APPROVED BUDGET**

Generally, choice of options for financing major capital projects shall be in the following sequence:

- a. "Pay as you go," with accumulation of reserves, accompanied by state or federal grants from time to time.
 - b. Combination of two or more of the methods listed in (a) through (d) above.
 - c. Bonding only.
4. It shall be the policy of the city that basic improvements in new subdivisions and industrial parks be financed up front by the sub-dividers or developers. Such basic improvements should include sewer lines, water lines, storm water systems, sidewalks, curbs and gutters, and completed streets to meet construction standards of the city. In the case of new subdivisions, impact fees to help finance new capital facilities, such as new parks and recreation facilities will also be included.
5. With respect to enterprise type activities of the city, particularly in the water and sewer funds, the basic financing policies of the city, where possible, shall be as follows:
- a. The rate structure should be set at a level that will furnish cash from billings sufficient to:
 - i. Meet all operating expenses, including depreciation.
 - ii. Pay interest on any bonds outstanding, whether revenue or general obligation bonds.
 - iii. Pay principal installments on bonds outstanding.
 - iv. Cover the cost of major replacements to the plant and system.
 - b. For expansion of the water distribution and sewer collection systems, financing should be provided by developers and by individual property owners through impact fees as isolated connections to the systems are made.

LONG-TERM CITY DEBT AND PUBLIC BORROWING

General Policies

1. Public borrowing by issuance of general obligation bonds to finance acquisition of major capital improvements for general governmental purposes, presently needed but not obtainable from current budgets of the capital improvements fund, is justifiable and in the public interest.

LINDON CITY
2012-2013 APPROVED BUDGET

2. Borrowing to finance acquisitions of or major additions to utility plants and systems or property and equipment in other enterprise funds is likewise justifiable and in the public interest. Generally, revenue bonds will be used in financing such acquisitions. However, where savings from lower interest cost are substantial, use of general obligation bonds is desirable, provided the environment is conducive to passage of a general obligation bond and the legal debt margin for general bonding purposes is not impaired by issuance of such bonds.
3. Borrowing by issuance of special assessment bonds to finance improvements in legally organized special improvement districts is considered a financially sound proactive policy. Where compatible with the investment policies of the city, or where there are compelling reasons to restrict the rates charged property owners on unpaid special assessments receivable, it may be desirable to finance such improvements by use of inter-fund loans at lower than bond rates from eligible funds of the city.

In the case of special service districts, this proactive policy should include the right to make permissible increases in service charges to cover increased service costs.

4. Borrowing on tax anticipation notes to finance current operating expenses of the city's general fund is not desirable. In lieu thereof, an appropriate amount of surplus will be accumulated in the general fund to provide cash to cover the normal excess of expenditures over revenues from the beginning of the fiscal year to late December, when a substantial portion of the property taxes for the calendar year are collected and sales taxes for the second quarter of the fiscal year have been remitted to the city. The surplus accumulated shall be the maximum allowed under the related provisions of the Uniform Fiscal Procedures Act for Utah Cities.
5. To reduce the long-range cost of city government and the annual burden of interest on bonded indebtedness, it shall be the policy of the city to retire all bond issues as rapidly as possible. Various methods are available:
 - a. Accelerated amortization programs;
 - b. Exercise of call provision in bond indentures;
 - c. Repurchase of outstanding bonds in the open market;
 - d. Accumulation of invested reserves; or
 - e. Any combination of the above methods, consistent with the investment and taxation policies of the city.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Specific Policies

1. The city will confine long-term borrowing to capital improvements or projects that cannot be financed from current revenues and/or accumulated reserves.
2. The maturity date for any debt will not exceed the reasonable expected useful life of the improvement being financed.
3. It shall be the policy of the city generally to limit the average maturity of general obligation bonds to a term not to exceed 20 years.
4. It shall be the policy of the city to reserve twenty-five percent (25%) of the general obligation debt limit for emergency purposes.
5. The city shall encourage and maintain good relations with financial and bond rating agencies, and will follow a policy of full and open disclosure in every financial report and bond prospectus.

CASH MANAGEMENT AND INVESTMENT POLICIES

General Policies

1. It shall be the policy of the city to invest its idle cash from all sources in temporary investments and to maximize its interest earnings thereon.
2. Under normal conditions, it shall be the policy of the city to restrict its temporary investments to certificates of deposit, repurchase agreements, or other forms of investment offered by local banks and savings and loan associations, in order to leave its invested monies in the local economy.
3. Long-term investments required under revenue bond indentures shall be made only in the particular securities or other investment mediums authorized in the related indenture or other authorizing document.

Specific Policies

1. It shall be the policy of the city to schedule its collection of receipts, deposit of funds, and disbursement of monies so as to ensure maximum availability of cash for temporary investment purposes.
2. It shall be the policy of the city to pool its cash from all city funds to maximize temporary investment yields.

A fair and equitable system of allocation of interest earned shall be followed in order to distribute the income on the basis of funds provided for investment.

**LINDON CITY
2012-2013 APPROVED BUDGET**

3. The city's accounting system shall provide information at regular intervals concerning cash in hand, investments held, and equity in temporary investments by individual funds.
4. It shall be the policy of the city to contract with an individual commercial bank, as a result of competitive bids, to serve as the city's principal depository for a specified interval of time. The city shall, however, reserve the right to place its idle funds in time certificates of deposit or repurchase agreements with any bank or savings and loan association, based on the highest interest rates available for the specific time periods required by the city.

ACCOUNTING AND FINANCIAL REPORTING POLICIES

General Policies

1. The policy of the city shall be to maintain accounting records and to prepare financial statements therefore in conformity with generally accepted accounting principles (GAAP), as promulgated from time to time by authoritative bodies in the United States.
2. No changes in the basic accounting system or additions or deletions of individual accounts in the various funds may be made without the approval of the City Administrator or his/her delegate.
3. Except as otherwise provided herein, it shall be the policy of the city to require each enterprise fund to operate on a fully self-sustaining basis, including its fair share or the costs of general administrative services provided by the city's general fund.

Conversely, products sold or services provided to other city funds by an individual enterprise fund shall be compensated for at a fair and reasonable rate to be determined by the City Council.

It shall be the policy of the city to maintain an equitable system for allocation of administrative charges for services rendered by any fund to other funds during each fiscal year. The system used must be objective in purpose and the formula followed based on factual and reliable data for each respective year.

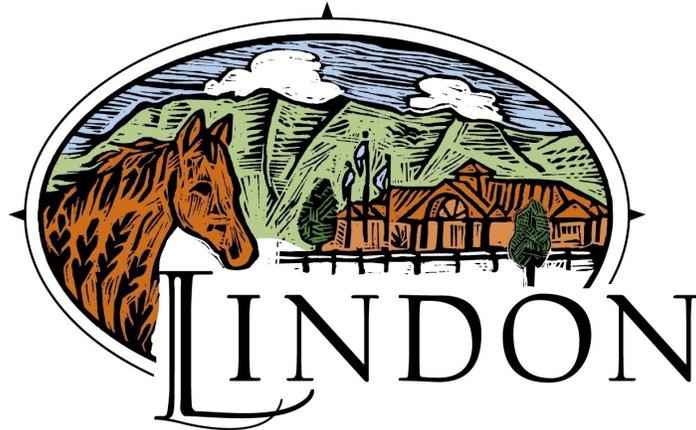

4. Where deemed appropriate, it shall be the policy of the city to impose on individual enterprise funds an annual "payment in lieu of taxes." The computation of the amount imposed must be objective in purpose and based on factual data related to the "fair values" of taxable type assets in the related fund.

LINDON CITY
2012-2013 APPROVED BUDGET

5. The policy of the city shall be to prepare appropriate monthly and quarterly financial reports reflecting the operations of individual funds for internal use of management personnel.
6. The city will cause to have performed each fiscal year an independent audit of the city's financial statements. A copy of the auditors' report shall be filed with the Office of the State Auditor and made available to the public.
7. The city will adhere to a policy of full and open public disclosure of all financial activity. Copies of financial documents and reports will be made available to all interested parties and to the general public.

Compensation Programs Section

This section of the 2012-2013 Budget presents information regarding Elected and Appointed Officials Compensation Programs and Employee Compensation Programs.

Elected and Appointed Officials Compensation Program.	160
This section discusses Workers Compensation, indemnification, monthly salary, cost of living allowance, and expenses such as mileage reimbursement and meal reimbursement.	
Employee Compensation Program.	162
This section discusses overtime, weekends and on-call, and call-out employees. It talks about administrative leave, severance pay, reimbursement for travel, meal reimbursement, uniform allowance, workers compensation, career development, employee retirement system, medical and life insurance, holidays, vacation, bereavement leave, jury duty, employee salary ranges, cost of living, salary advancement and merit increases.	

ELECTED AND APPOINTED OFFICIALS COMPENSATION PROGRAM

This document contains the total compensation program, salaries and benefits, for elected and appointed officials, except City Administrator, Recorder, Finance Director, and Treasurer which are included in the Employee Compensation Program, and supersedes all previous policies and procedures affecting compensation except for special programs adopted by the City Council.

WORKERS COMPENSATION

Elected and appointed officials injured during the performance of their duties are covered by Workers Compensation as provided by State Law and described in the Policies and Procedures Manual.

INDEMNIFICATION

Subject to the requirements of federal, state, local law or city policy, Lindon City shall indemnify all elected and appointed officials for any claim for alleged personal legal liability arising out of any act or omission by elected or appointed officials during the performance of their duties, within the scope of their employment, or under color of authority. Lindon City shall also pay the costs of defending any such claim.

The elected or appointed official shall be responsible to comply with all legal requirements concerning notice to Lindon City, cooperation in the defense of the claim, as well as all other requirements. Failure of the official to meet all such requirements may result in the city's refusal to defend or indemnify the official.

MONTHLY SALARY

Mayor	\$990.10
Council Liaison to Planning Commission	\$682.41
Council Member	\$582.41
Planning Commissioner	\$100.00

COST OF LIVING ALLOWANCE

Cost of Living increases may be considered each year when it is determined from an appropriate index that such an increase is warranted, and after considering the impact of such an increase on the City's budget.

SOCIAL SECURITY

Lindon City contributes to the Social Security program, as administered by the Federal Government.

**LINDON CITY
2012-2013 APPROVED BUDGET**

MEDICAL AND LIFE INSURANCE

Elected officials have the option to apply their monthly stipend to the cost of health insurance benefits and pay any remaining premium balance out of pocket to participate in the group health insurance plan, as allowed by the city's health insurance carrier.

Elected officials holding office as of April 15, 2011 may receive their monthly stipend AND benefit allowance as described in the Policies and Procedures Manual until the end of their current term. Council members will be responsible to pay the amount of their selected medical, dental and supplemental insurance premiums in excess of the benefit allowance through payroll deductions. Any unused portion of the benefit allowance will be forfeited.

EXPENSES

Elected and appointed officials shall be reimbursed for expenses incurred while performing official assigned duties.

Mileage Reimbursement

Elected and appointed officials shall be reimbursed for actual miles they drive their personal vehicles on city business both within and outside of the city. The reimbursement rate shall be the standard I.R.S. mileage rate.

Meal Reimbursement

Meals will be reimbursed at the following rates.

	<u>In-State Travel</u>	<u>Out-of-State Travel</u>
Breakfast	\$ 9.00	\$10.00
Lunch	11.00	14.00
Dinner	16.00	21.00
Whole Day	36.00	45.00

However, by action of the Council, these rates may be adjusted periodically to conform to the Utah State Travel Guidelines.

EMPLOYEE COMPENSATION PROGRAM

This document contains the total compensation program, salaries and benefits, for Management and Classified employees and supersedes all previous policies and procedures affecting compensation except for special programs adopted by the City Council.

OVERTIME

The standard work week begins at 12:01 Saturday morning and ends at midnight the following Friday. From time to time employees may be required to work overtime. Overtime work shall occur only in emergency situations. The practice of overtime work shall be kept at an absolute minimum. All overtime work must have prior approval of the Department Head. For classified employees (non-exempt employees as defined by Fair Labor Standards Act (FLSA) guideline), any time worked over forty (40) hours in one week will be considered overtime. Time worked does include holidays observed by the city, but does not include vacation, sick or compensatory time used or a Personal Holiday taken. Overtime will be paid on a time and one-half basis and may be in the form of compensatory time off or monetary compensation. The decision whether to give comp time or regular pay will be at the discretion of the city. Nothing in this or any other city policy shall be construed to give an expectation or right to continued or future overtime hours.

The maximum accumulation of comp time will be set by FLSA guidelines. An employee who has accrued the maximum number of compensatory hours shall be paid regular overtime compensation for any additional overtime hours of work. The city may require an employee to use accumulated comp time. Payment for unused comp time shall be made in the event of separation from service for any reason.

Exempt employees (as defined by FLSA guidelines) required to work beyond the regular work period shall be compensated in accordance with the Administrative Leave section.

WEEKENDS

Non-exempt employees that are required to work on weekend or holidays will be paid for the time worked on a time and one-half basis in either comp time or pay regardless of the number of hours worked during the regular work week.

ON-CALL

The normal business hours of the Public Works Department are 7:00 am to 3:30 pm, Monday through Friday except designated holidays. The Public Works Director will provide 24 hour coverage by a public works employee who will receive and respond to all calls after-hours.

**LINDON CITY
2012-2013 APPROVED BUDGET**

One qualified and trained public works employee will be assigned to be on-call for a seven day period. The Public Works Director will determine if the employee is qualified. The (on-call) coverage will commence at 3:30 pm on Friday and will continue until 7:00 am the following Friday. The assigned employee will be provided with a vehicle, beeper, and cellular phone. To accommodate being available to receive all calls, the employee will be allowed to use the vehicle for personal use, provided the employee always carry the beeper and phone when using the vehicle. While on-call, the employee will not be allowed to travel beyond the boundaries of Orem on the south and Lehi on the north. The person assigned to be on-call will receive \$50 per week. Compensation will be paid the first pay period in each quarter for all on-call periods that have been completed in the previous quarter.

CALL-OUT

Non-exempt employees who are required to return to work shall receive a minimum of one hour at the overtime rate. Hours worked in excess of the one hour shall be paid at the overtime rate. The employee has the option to receive pay or compensatory time for the first two hours. Time worked in excess of two hours will be paid in comp time. All call-out hours will be paid on a time and one-half basis regardless of the number of hours worked during the regular work week. All situations requiring overtime pay will be monitored by the Public Works Director.

ADMINISTRATIVE LEAVE

Exempt employees who, as part of their *normal* duties, spend more than forty (40) hours a week in work assignments are eligible to receive Administrative Leave. This leave is not accruable nor is it vacation.

SEVERANCE PAY

When a full-time employee is separated from city employment due to a reduction in force through no fault of the employee, and when such separation requires immediate action preventing a two-week notice, the employee shall be paid two weeks severance pay in lieu of the two-week notice.

REIMBURSEMENT FOR TRAVEL

All travel for which reimbursement will be requested must be approved by either the City Administrator or the Mayor and be within the confines of the budget. Reasonable travel expenses on duly authorized trips on city business to attend conventions, conferences, and meetings will be reimbursed by the city. The mileage reimbursement rate shall be the standard I.R.S. rate.

LINDON CITY
2012-2013 APPROVED BUDGET

Meal Reimbursement

Meals will be reimbursed at the following rates.

	<u>In-State Travel</u>	<u>Out-of-State Travel</u>
Breakfast	\$ 9.00	\$10.00
Lunch	11.00	14.00
Dinner	16.00	21.00
Whole Day	36.00	45.00

However, by action of the Council, these rates may be adjusted periodically to conform to the Utah State Travel Guidelines. All other expenses will be considered for reimbursement under the guidelines listed in the Policies and Procedures Manual.

UNIFORM ALLOWANCE

Public Works and Protective Inspection employees required to perform manual labor in their own clothes on a regular basis will be given an annual reimbursement allowance of \$75.00 to purchase two pairs of jeans or other work clothing items. Reimbursements will be made from receipts turned in to the Public Works Director or Chief Building Official.

WORKERS COMPENSATION

Employees injured during the performance of their duties are covered by Workers Compensation as provided by State Law and described in the Policies and Procedures Manual.

CAREER DEVELOPMENT

Employees are encouraged to take advantage of education and training benefits to improve their job skills and to qualify for transfers and promotions. These benefits are limited to training and education which is relevant to the employee's current position or "reasonable" transfer and promotion opportunities. "Reasonable" is defined as attaining the minimum qualifications for promotion or transfer with no more than two years of additional education or training. These benefits will be available to all employees on a first-come first-serve basis, subject to the availability of budgeted funds.

Requests for education and training may be initiated by either the employee or the Department Head. Reference to training received should be made on the Performance Evaluation forms. Final decisions on requests for education and training will be made by the City Administrator and appropriate department Council person.

**LINDON CITY
2012-2013 APPROVED BUDGET**

Differential Pay for Professional Certifications Program

Lindon City will recognize and reward employees who improve their skills, knowledge and proficiency through additional training and certifications, beyond the basic requirements of their positions, which contribute directly to the ability of an employee to provide a broader range of service to the community or to provide a current service at a reduced cost. Differential pay is determined as outlined in the Policies and Procedures Manual.

Tuition Reimbursement Program

Employees may qualify for up to a 75% reimbursement of tuition, fees, books and other approved expenses for higher education as detailed in the Policies and Procedures Manual.

SOCIAL SECURITY

Lindon City contributes to the Social Security program, as administered by the Federal Government.

EMPLOYEE RETIREMENT SYSTEM

All employees of the city who work thirty (30) hours or more per week and receive benefits, such as health insurance or paid holiday, sick or vacation time, are required to participate in Utah Retirement Systems. Utah Retirement Systems sets the rate of contribution for the retirement plan. The city has opted to contribute 4.5% of each employee's gross wages into the employee's choice of a 401(k) or 457 plan without requiring the employees to contribute.

MEDICAL AND LIFE INSURANCE

The city shall provide medical, dental and life insurance for regular employees who work thirty (30) hours or more per week and their dependents. The City shall provide each employee a description of the selected insurance plan(s). Benefitted employees shall receive a benefit allowance as described in the Policies and Procedures Manual. Employees will be responsible to pay the amount of their selected medical, dental and supplemental insurance premiums in excess of the benefit allowance through payroll deductions. Any unused portion of the benefit allowance will go through the employee's paychecks and into their choice of a 401(k) or 457 account.

**LINDON CITY
2012-2013 APPROVED BUDGET**

HOLIDAYS

The following days have been designated by the city to be paid holidays:

- New Year's Day - January 1st
- Martin Luther King Jr. Day - 3rd Monday in January
- President's Day - 3rd Monday in February
- Memorial Day - Last Monday in May
- Independence Day - July 4th
- Pioneer Day - July 24th
- Labor Day - 1st Monday in September
- Thanksgiving Day - 4th Thursday in November
- Day after Thanksgiving
- Christmas Day - December 25th
- Day before or Day after Christmas as selected by Council
- Personal Holiday

Regular employees will receive holiday pay for the number of hours they are normally scheduled. Any employee who is required to work on a paid holiday will be given compensatory time off for the holiday worked. When a holiday falls on a Saturday, it shall be observed on the preceding work day. When it falls on a Sunday, it shall be observed on the following work day.

VACATION

Employees shall earn vacation time as follows:

	<u>Years of Service</u>	<u>Hours Earned Annually</u>
Exempt Employees	N/A	160
Non-Exempt Employees	<1	40
	1-9	80
	10-19	120
	20+	160

Vacation will be earned and credited each pay period at the applicable rate.

SICK LEAVE

Each regular full-time employee earns 96 hours (12 days) of sick leave each year and is credited each pay period at the applicable rate. Regular employees who are not full-time, but work more than 30 hours per week will earn sick leave on a pro rata basis. Sick leave will not accrue for an employee while on leave without pay except for an on-

LINDON CITY
2012-2013 APPROVED BUDGET

the-job injury. Sick leave may not be taken until earned. Sick leave shall be used as described in the Policies and Procedures Manual.

Buy Back Option

Each November all employees with more than 500 hours of accumulated sick leave can opt to have the city buy back half of the unused sick leave from the previous twelve month period or trade it for equal vacation time.

Sick Leave Pay-out for Retiring Employees

Upon retiring from city employment, an employee will be paid for 50% of their unused accumulated sick leave. Sick leave will not be paid out upon termination for any reason other than retirement.

BEREAVEMENT LEAVE

Leave with pay may be granted to employees to attend the funeral of a member of his/her immediate family. Such leave shall not be charged against accrued vacation or sick leave. The amount of time granted for funeral leave will be governed by the individual circumstances and at the discretion of the City Administrator, but is not to exceed three (3) days.

“Immediate Family” shall be defined as wife, husband, children, parents, grandchildren, mother-in-law, father-in-law, brother-in-law, sister-in-law, grandparents, brothers, or sisters of the employee.

JURY DUTY

An employee who, in obedience to a subpoena or direction by proper authority, appears as a witness or juror for the Federal Government, the State of Utah, or a political subdivision thereof, shall be entitled to the difference between his/her regular compensation and the compensation or fees received (in excess of traveling expenses) as a witness or juror. Time absent by reason of subpoena in private litigation or by some party other than the Federal Government or political subdivision thereof, to testify not in an official capacity, but as an individual, shall be taken as leave without pay or vacation leave at the discretion of the employee.

COST OF LIVING

Cost of Living increases may be considered each year when it is determined from an appropriate index that such an increase is warranted, and after considering the impact of such an increase on the City's budget.

**LINDON CITY
2012-2013 APPROVED BUDGET**

SALARY ADVANCEMENT

Increases based on the meritorious or superior performance of job duties as indicated by a performance evaluation are available upon approval of the City Administrator and the approval of the Governing Body. A “Salary Advancement” is separate from a “Merit Increase.”

MERIT INCREASE

Employees may qualify for a merit increase as described in the Policies and Procedures Manual.

EMPLOYEE SALARY RANGE

Employee positions are classified on ranges as listed below. The table with pay ranges and steps follows. Step increases are awarded when merited and as the City budget allows.

RAD (Resist Aggression Defensively) Kids Class	\$5.00 per participant
If class is held outside of school program	
RAD (Resist Aggression Defensively) Women's Class	\$15.00 per participant
Sex Offender Registration	\$20.00
Special Event Permit	
▪ Minimum Rate, 1 - 50 Participants	\$10.00
▪ 51-250 Participants	\$25.00
▪ 251-500 Participants	\$100.00
▪ Over 500 Participants	\$250.00
▪ Community or Charitable Event	Fee May be Waived
Youth Court Attendance	\$30.00

PUBLIC WORKS

Hydrant Water Usage	
▪ Hydrant Meter Refundable Deposit	\$975.00
▪ Per Day	\$5.00 + applicable water rates
▪ Per Week	\$25.00 + applicable water rates
Material Testing Fee	Actual cost or based on Engineer estimate
Road Cut Permit (Refundable bond)	\$1,000.00
Swimming Pool Fill Up	\$500.00 + cost of water
Includes hydrant meter rental. The cost of water is calculated using the applicable culinary water rates as detailed under "Utilities" heading.	
Water Pipe Flushing	Actual cost as determined by City Engineer

RECREATION

Basketball	\$40.00
Baseball	\$30.00
Spring Soccer	\$30.00

**LINDON CITY
2012-2013 APPROVED BUDGET**

Late Fee	\$5.00
Cancellation Fee	\$5.00

RENTALS

City Center (Residents Only)

▪ Refundable Deposit	\$200.00
▪ City Council Room	
• Evening, Monday-Friday	\$60.00
• Partial Day, Saturday	\$75.00
• Full Day, Saturday	\$150.00
• Music Recitals, partial day	\$25.00
▪ Conference Room	
• Partial Day	\$30.00
• Full Day	\$60.00
▪ Volunteer & Not-for-profit Groups	At Cost, Min. \$25.00
▪ Cancellation Fee	\$5.00

Signed agreement, deposit and payment due at time of reservation. Reservations are not accepted for Sundays and during business hours. Requests for reservations for holidays will be decided on a case by case basis.

Community Center

- Deposit 50% of total rental cost
- Hourly Rates

Availability of rental of the Community Center is limited to after 5:00 pm Monday through Saturday. Saturday morning reservations are restricted to availability. Special circumstances such as early set up and late take down will be considered on an individual basis. Rental is not available on Sundays and holidays.

Area	Resident	Non-profit	Details
Classroom	\$20/hr	\$10/hr	Rooms are available Mon-Sat 9am - 10pm
Gymnasium	\$40/hr	\$20/hr	Mon-Sat, 5pm-10pm; Saturday morning subject to availability

For the Fiscal Year Beginning

July 1, 2011

Linda C. Danson Jeffrey R. Egan

President

Executive Director

GLOSSARY

A

ACCOUNTING PERIOD A period of time for which financial records are prepared, e.g. a month, quarter, or fiscal year.

ACCOUNTING SYSTEM The total set of records and procedures which are used to record, classify, and report information on the financial status and operations of an entity.

ACCRUAL BASIS The method of accounting under which revenues are recorded when they are earned, whether or not cash is received at the time, and expenditures are recorded when goods and services are received, whether cash disbursements are made at the time or not.

AGENCY FUND A fund which is used to account for assets held by a governmental unit in a trustee capacity or as an agency for individuals, private organizations, other governmental units, and/or other funds.

ALLOT To divide an appropriation into amounts which may be encumbered or expended during an allotment period.

AMORTIZATION The process of decreasing, or accounting for, a lump sum amount to different time periods, particularly for loans and other forms of finance, including related interest or other finance charges.

ASSESSED VALUATION A valuation set upon real estate or other property by a government body for the basis of levying taxes.

AUDIT A systematic examination of resource utilization concluding in a written report. It is a test of management's internal accounting controls and is intended to: ascertain whether financial statements fairly present financial positions and results of operations; test whether transactions have been legally performed; identify areas for possible improvements in accounting practices and procedures; ascertain whether transactions have been recorded accurately and consistently; and, ascertain the stewardship of officials responsible for government resources.

B

BALANCED BUDGET A financial plan of operation in which revenues equal expenditures for the fiscal year. A balanced budget is required of municipalities by the State of Utah.

LINDON CITY
2012-2013 APPROVED BUDGET

BALANCE SHEET A statement presenting the financial position of an entity by disclosing the value of its assets, liabilities and equities at a specified date.

BASIS OF BUDGETING Basis of budgeting refers to the method used for recognizing revenues and expenditures in the budget. The City uses the modified accrual basis of accounting for budgetary purposes, which is in compliance with Generally Accepted Accounting Principles.

BOND A written promise to pay (debt) a specified sum of money (called principal or face value) at a specified future date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (interest rate).

BUDGET A plan of financial operation embodying an estimate of proposed means of financing them. Used without a modifier, the term usually indicates a financial plan for a single fiscal year. The term “budget” is used in two senses in practice. Sometimes it designates the financial plan presented to the appropriating body for adoption and sometimes it designates the plan finally approved by that body. It is usually necessary to specify whether the budget under consideration is preliminary and tentative or whether it has been approved by the appropriating body.

BUDGET CALENDAR The schedule of key dates or milestones which a government follows in the preparation and adoption of the budget.

BUDGET DOCUMENT The official written statement prepared by the budget office and supporting staff which presents the proposed budget to the legislative body.

BUDGET MESSAGE A general discussion of the proposed budget presented in writing as a part of or supplement to the budget document. The budget message explains principal budget issues against the background of financial experience in recent years and presents recommendations made by the Chief Executive.

BUDGET RETREAT A meeting scheduled for the Mayor and Council with Administration to discuss important issues to be addressed in the budget. The place of the meeting is at a location away from City Hall and usually is at least a half day event.

BUDGETING (APPROPRIATION) The city prepares its budget in conformity with practices prescribed or permitted by the applicable statutes of the State of Utah.

C

CAPITAL ASSETS Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets. Lindon City considers an asset as a capital assets if the value is \$5,000 or more and the useful life is 5 years or more.

**LINDON CITY
2012-2013 APPROVED BUDGET**

CAPITAL BUDGET A plan of proposed capital expenditures and the means of financing them. The capital budget is usually enacted a part of the complete annual budget which includes both operating and capital outlays. The capital budget should be based on a capital improvement program (CIP).

CAPITAL EXPENDITURES Expenditures for the acquisition, construction, or improvement of capital assets as determined by the asset's value and useful life.

CAPITAL IMPROVEMENT PROGRAM (CIP) A plan for capital expenditures to be incurred each year over a fixed period of several future years setting forth each expenditure.

CAPITAL PROJECT Any improvement or acquisition of major facilities with a useful life of at least five years such as roads, bridges, buildings, or land.

CAPITAL PROJECTS FUND A governmental fund used to account for financial resources to be used for the acquisition or construction of major capital facilities (other than those financed by Proprietary or Trust Funds).

CASH BASIS The method of accounting where revenues and expenditures are recognized as cash is received and disbursed.

CASH FLOW BUDGET A projection of the cash receipts and disbursements anticipated during a given time period. Typically, this projection covers a year and is broken down into separate projections for each month, week and/or day during the year.

CERTIFIED TAX RATE (CTR) A tax rate that will provide the same ad valorem property tax revenue for each taxing entity as was levied for the prior year by the entity, plus new growth, less the amount of increase to locally assessed real property taxable values resulting from factoring reappraisal, or any other adjustments.

CONSUMER PRICE INDEX (CPI) A time series measure of the price level of consumer goods and services published by the U.S. Bureau of Labor Statistics.

COST OF LIVING ALLOWANCE (COLA) A salary adjustment which helps maintain employee's purchasing power. Lindon City's is based on the annual change to the Consumer Price Index.

D

DEBT SERVICE Payment of interest and repayment of principal to holders of a government's debt instruments.

LINDON CITY
2012-2013 APPROVED BUDGET

DEBT SERVICE FUND A governmental fund used to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

DEMAND A type of measurement category. Demand represents the external factors that demonstrate the needs for the service(s) or program(s), i.e., population, service area, complaints, and waiting lists.

DEPARTMENT A major unit of organization in the City comprised of subunits called Divisions.

DEPRECIATION A decrease or loss in value, as because of age, wear, or market conditions. Used in accounting as an allowance made for a loss in the value of property.

DIVISION A sub-unit of a Department organization.

E

EFFECTIVENESS A category of measurement sometimes referred to as quality indicators. Effectiveness examines the degree to which services are responsive to the needs and desires of the customers (both external and internal). These measures tell how well the job is being performed, how well the intent is being fulfilled. Effectiveness encompasses both quality and quantity. Demand and the response to demand are often linked in these measures. These are the most difficult measures to collect and use, because the organization must develop a method of retrieving the information from outside those served.

EFFICIENCY A category of measurement sometimes called productivity. This is often measured in terms of unit costs over time. Sometimes timeliness of responses or reduction in previous delays is used to indicate efficiency. Efficiency refers to the ratio of the quantity of service (tons, gallons, hospital care days, etc.) to the cost in dollars or labor, required to produce the service. An efficiency measure can be either an output or input ratio (e.g., the number of trees trimmed per crew per day) or an input/output ratio (e.g., the dollar cost per permit application).

ENCUMBRANCE Includes obligations in the form of purchase orders, contracts, or other commitments. They cease to be encumbrances when paid, canceled, or when the actual liability is established.

ENCUMBRANCE RE-BUDGETS The balance of unliquidated purchase commitments brought forward from the previous fiscal year.

LINDON CITY
2012-2013 APPROVED BUDGET

ENDING FUND BALANCE Funds carried over at the end of the fiscal year. Within a fund, the revenue on hand at the beginning of the fiscal year, plus revenues received during the year, less expenses equals ending fund balance.

ENTERPRISE FUND A proprietary fund used to account for operations (a) that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

EXPENDITURES Decreases in net financial resources. Expenditures include current operating expenses which require the current or future use of net current assets, debt service, and capital outlays.

F

FEES Charges for specific services.

FINANCIAL POLICY A government's directive with respect to revenues, spending, reserves, and debt management as these relate to government services, programs and capital investment. Financial policy provides an agreed upon set of principles for the planning and programming of government budgets and its funding.

FISCAL PERIOD Any period at the end of which a governmental unit determines its financial condition and the results of its operations and closes its books. NOTE: This is usually a year, though not necessarily a calendar year. Lindon's fiscal year (FY) runs from July 1 to June 30.

FIVE-YEAR FINANCIAL PLAN An estimation of revenues and expenses required by the City to operate for the next five-year period.

FIXED ASSETS Assets of long-term character that are intended to continue to be held or used, such as land, buildings, machinery, furniture, and other equipment.

FORECAST A prediction of a future outcome based on known and unknown factors.

FRINGE BENEFITS Contributions made by a government to meet commitments or obligations for employee-related expenses. Included is the government's share of costs for social security and the various pension, medical, and life insurance plans.

FULL-COST ACCOUNTING A branch of managerial accounting concerned with accumulating both direct and indirect costs for financial reporting and decision making

LINDON CITY
2012-2013 APPROVED BUDGET

purposes. By using this accounting technique, the City is able to assess the true cost of providing a service and its associated benefits.

FULL-TIME EQUIVALENT (FTE) One position funded for a full year. For example, a permanent employee funded and paid for 40 hours/week and 52 weeks/year or 2 employees each funded and paid for 20 hours/week and 52 weeks/year would be equal to one full-time equivalent.

FUND An independent fiscal and accounting entity with a self-balancing set of accounts recording cash and/or other resources together with all related liabilities, obligations, reserves, and equities which are segregated for the purpose of carrying on specific activities or attaining certain objectives.

FUND BALANCE (EQUITY) The excess of an entity's assets over its liabilities. A negative fund balance is sometimes called a deficit.

FUND POSITIONS A term referring to the number of authorized positions for which funding is included in a given fiscal year's budget.

G

GAAP ADJUSTMENTS Differences arising from the use of a basis of accounting for budgetary purposes that differs from the basis of accounting applicable when reporting on operations in conformity with Generally Accepted Accounting Principles (GAAP). For example, depreciation and amortization in Enterprise Funds are not considered expenses on the budget basis of accounting, but are considered expenses on the GAAP basis.

GENERAL ACCEPTED ACCOUNTING PRINCIPLES (GAAP) Uniform minimum standards of, and guidelines to, financial accounting and reporting. They govern the form and content of the basic financial statements of an entity. GAAP encompass the rules, conventions, and procedures necessary to define accepted accounting practice at a particular time. They include not only broad guidelines of general application, but also detailed practices and procedures. The primary authoritative statement on the application of GAAP to state and local governments is the National Council on Governmental Accounting's Statement #1. Every government should prepare and publish financial statements in conformity with GAAP. The objectives of governmental GAAP financial reports are different from, and much broader than, the objective of business enterprise GAAP financial reports. NOTE: Although this is a generally accepted definition, it comes from the accounting organization and does not necessarily reflect the best standard. As an example of the problems these standards create under certain conditions, GAAP defines the purchase of some capital equipment as an "investment," but the training of human resources to run that equipment is called an "expense."

LINDON CITY
2012-2013 APPROVED BUDGET

GENERAL FUND A fund that accounts for all financial resources necessary to carry out basic governmental activities of the City that are not accounted for in another fund. The General Fund supports essential City services such as police and fire protection, street maintenance, libraries, and parks and open space maintenance. Revenues to support the General Fund are derived from sources such as property tax, sales tax, franchise fees and service fees.

GENERAL LONG-TERM DEBT Represents any un-matured debt not considered to be a fund liability.

GENERAL OBLIGATION BOND (G.O. BONDS) A municipal backed by the credit and taxing power of the issuing jurisdiction rather than the revenue from a given project. General obligation bonds are issued with belief that a municipality will be able to repay its debt obligation through taxation or revenue from projects. No assets are used as collateral.

GENERAL PLAN The General Plan is a long-range planning document that provides the City a framework for action and the direction in which to focus that action. General Plan Elements are areas in which the City has elected to administer and manage the delivery of services to its community.

GENERAL PLAN GOAL A long-term condition or end result that the City will work toward. Broad goals are set to maintain or affect community conditions. Each goal expresses a general and immeasurable value and is tracked by at least one indicator.

GENERAL PURPOSE FINANCIAL STATEMENTS (GPFS) Those basic financial statements which comprise the minimum acceptable fair presentation in conformity with GAAP. As such, they constitute the minimum acceptable scope of independent annual GAAP audits. Under 1968 GAFFB, the GPFS included financial statements for each individual fund and account group maintained by a government. In Statement 1, the NCGA redefined governmental GPFS to consist of financial statements for each of the eight fund types in use and for both account groups presented in separate adjacent columns on the financial reporting pyramids five Combined Statements Overview.

GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB) An organization whose mission it is to establish and improve standards of state and local governmental accounting and financial reporting that will result in useful information for users of financial reports and guide and educate the public, including issuers, auditors, and users of those financial reports. In establishing its standards, the GASB exercises its judgment only after research, due process, and careful deliberation. GASB standards are officially recognized as authoritative by the American Institute of Certified Public Accountants and by many laws and regulations that apply to state and local governments.

LINDON CITY
2012-2013 APPROVED BUDGET

GOVERNMENTAL FUND A fund through which most governmental functions typically are recorded and financed and include the General, Special, Revenue, Capital Projects, and Debt Service Funds.

GOALS A statement of broad direction, purpose or intent based on the needs of the community. A goal is general and timeless.

GRANT A contribution of assets (usually cash) by one governmental unit or other organization to another. Typically, these contributions are made to local governments from the state and federal governments. Grants are usually made for specific purposes.

I

IMPACT FEES A type of charge for services imposed on new construction in order to support specific new demands on a given service, e.g., transportation, schools, parks and fire protection.

IMPROVEMENT DISTRICTS Consists of property owners desiring improvements to their property. Bonds are issued to finance these improvements, which are repaid by assessments on affected property. Improvement District debt is paid for by a compulsory levy (special assessment) made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

INFRASTRUCTURE A set of interconnected structural elements under the jurisdiction of a municipal government or other local government. Municipal infrastructure typically includes transportation; water, sewer, and storm water drainage systems; and buildings, park and other improvements used to provide services to the local residents and economy.

IN-LIEU PROPERTY TAX Charges to the enterprise funds, which compensates the general fund for the property tax that would have been paid if the utilities were for-profit companies.

INTERFUND TRANSFER Amounts transferred from one fund to another.

INTERNAL SERVICE FUND A proprietary fund used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit, or to other governmental units, on a cost reimbursement basis.

L

LEGISLATIVE ISSUES Major policy decisions made by the City Council such as General Plan Sub-Elements, ordinances, and resolutions requiring study that need to be scheduled on Council's calendar.

M

MANDATE A requirement imposed by a legal act of the federal, state, or local government.

MEASURE A term referring to any one of four different types of measure: a count, a ratio, a percentage, and a dollar amount. Before developing any measure, it is necessary to identify something that can be counted. In order to identify what is to be counted, the event being assessed must be determined, i.e., days spent in the hospital, certificates of occupancy issues, gallons of water treated, etc.

MILL A monetary measure equating to 0.001 of a dollar. When referring to the AD VALOREM TAX, it means that a 1-mill tax is one dollar of tax on \$1,000 of taxable value.

MISSION Defines the primary purpose of the City and is intended to guide all organizational decisions, policies, and activities (internal and external) on a daily basis.

MILL LEVY A levy assessed on property value for collection of tax revenues (also known as "tax rate").

MILEAGE RATE The rate per one thousand dollars of taxable property value which, when multiplied by the taxable value, yields the tax billing for a given parcel.

MINIMUM SERVICE LEVEL (MSL) A term which defines the base outputs which are either legally mandated and/or considered to be the most important set of outputs of an organization. The minimum service level corresponds directly to the purpose or mission of the organization. MSL is the effort, expressed in terms of service and cost, below which it is not realistic or feasible to operate.

MODIFIED ACCRUAL BASIS The modified accrual basis of accounting is a mixture of both cash and accrual basis concepts. All funds are accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. Sales taxes are recognized when in

LINDON CITY
2012-2013 APPROVED BUDGET

the hands of intermediary collecting agencies. All other intergovernmental revenues are recorded as revenue when received.

Property tax revenues are recognized in the fiscal year for which they are levied. Licenses and permits, charges for services, fines and forfeitures, and other revenues are recorded as revenue when received in cash. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. However, an exception to this general rule would include principal and interest on general long-term debt which is recognized when due.

N

NET ASSETS A term used to describe the difference between assets and liabilities to show total fund equity of the fund.

NET INCOME Proprietary fund excess of operating transfers-in over operating expenses, non-operating expenses, and operating transfers-out.

NON-AD VALOREM ASSESSMENT A fee levied on certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit those properties. The value of the property is not considered when calculating a NON-AD VALOREM ASSESSMENT. Instead, the cost of the facility or the service is allocated proportionately to the benefitted properties in a defined area. It is sometimes referred to as a SPECIAL ASSESSMENT. Generally, this is collected by the Tax Collector's Office on the annual consolidated tax bill like AD VALOREM TAXES.

O

OBJECTIVE A statement specifying achievements to be attained within a prescribed time frame. An objective is exchanged/superseded by another objective at the expiration of the time frame. An objective is directly connected to how the resources of an organization will be used. An objective statement begins with an action verb and includes the quantified statement of the results expected as an outcome of the action.

OPERATING BUDGET Plans of current expenditures and the proposed means of financing them. The annual operating budget (or, in the case of some state governments, the biennial operating budget) is the primary means by which most of the financing acquisition, spending, and service delivery activities of a government are controlled. The use of annual operating budgets is usually required by law. Even where not required by law; however, annual operating budgets are essential to sound financial management and should be adopted by every government. See BUDGET.

OPERATING REVENUE Funds that the government receives as income to pay for ongoing operations. It includes such items as taxes, fees from specific services,

LINDON CITY
2012-2013 APPROVED BUDGET

interest earnings, and grant revenues. Operating revenues are used to pay for day-to-day services.

ORDINANCE A formal legislative enactment by the governing board of a municipality. If it is not in conflict with any higher form of law, such as a state statute or constitutional provision, it has the full force and effect of law within the boundaries of the municipality to which it applies.

OUTCOME MANAGEMENT A refinement of the Performance Management concept, Outcome Management is structured to place the focus on the end product, not the process. It is defined by high level, core outcomes that determine the service delivery components.

OUTSTANDING DEBT The balance due at any given time resulting from the borrowing of money or from the purchase of goods and services.

P

PAY-AS-YOU-GO FINANCING Pay-as-you-go financing of improvement projects from current revenues. Such revenues may come from general taxation, fees, charges for services, special funds, or special assessments.

PERFORMANCE BUDGET A budget wherein expenditures are based primarily upon measurable performance of activities.

PERFORMANCE INDICATOR A performance indicator is a measurement designed by a reasoning process to determine whether or not a service objective has been met. It measures the effectiveness of achieving the objective or how well the objective has been accomplished.

PERFORMANCE MEASURE Data collected to determine how effective or efficient a program is in achieving its objectives.

PERSONAL SERVICES Include the salaries and wages paid to employees plus the City's contribution for fringe benefits such as retirement, social security, health, and workers' compensation insurance.

PROGRAM A group of related activities performed by one or more organizational units for the purpose of accomplishing a function for which the City is responsible. A program differs from a division from the standpoint that cost centers from different departments may make up a program while cost centers from the same department to make up a division.

LINDON CITY
2012-2013 APPROVED BUDGET

PROGRAM BUDGET A budget, which allocated money to the functions or activities of a government rather than to specific items of cost or to specific departments.

PROJECT COSTS All of the costs associated with a project. These costs include prior year actual expenditures, current year budgeted expenditures and future year planned expenditures.

PROPERTY TAX Based according to value of property and is used as the source of monies to pay general obligation debt (secondary property tax) and to support the general fund (primary property tax).

PROPRIETARY FUND A fund used to account for a government's ongoing organizations and activities which are similar to those often found in the private sector and include Enterprise and Internal Service Funds.

R

RDA See Redevelopment Agency

REBUDGET Carryover. Represents encumbered and committed funds carried forward to the next fiscal year budget.

REDEVELOPMENT AGENCY (RDA) An agency of the City created to administer and account for community redevelopment and economic development project areas, which are financed by incremental taxes collected on the properties in the development. The taxes can also be used to pay back debt created from improving the infrastructure for the project area.

REFUNDING BOND A procedure whereby an issuer refinances an outstanding bond issue by issuing new bonds. There are generally two major reasons for refunding: (1) to reduce the issuer's interest costs or (2) to remove a burdensome or restrictive covenant imposed by the terms of the bonds being refinanced. The proceeds of the new bonds are either deposited into escrow to pay the debt service on the outstanding obligations when due, or they are used to immediately retire the outstanding obligations. The new obligations are referred to as the refunding bonds and the outstanding obligations being refinanced are referred to as the refunded bonds or the prior issue.

REPLACEMENT SCHEDULE A schedule used to document information for vehicles and equipment currently used in operations. The information includes description of assets, year of purchase, useful life, amount of original purchase, year to be replaced, and estimated future cost of replacement.

LINDON CITY
2012-2013 APPROVED BUDGET

RESERVE FOR INVESTMENT FAIR MARKET VALUE CHANGE The increase or decrease in the unrealized value of the investments held by any sub-fund. While the change in the fair market value of any investment is reflected as revenue (like interest) in the budget, it is important to note that until such time that the investments are sold, this revenue is unrealized and therefore there is no cash to support this revenue. As such, as part of the annual re-appropriation process, entries reserving the inception-to-date "Investment Fair Value Change" are recorded at the sub-fund level. If the Investment Fair Value Change represents a positive gain, the unrealized revenue will result in a higher fund balance, but since there is no cash it is important that this portion of fund balance be included in a restricted reserve to prevent it from being "spent" or appropriated.

RESERVE An account which records a portion of the fund balance which must be segregated for some future use and which is, therefore, not available for further appropriation or expenditure.

RESIDUAL EQUITY A transfer of net assets to another fund when separating a function or service from a combined function or service.

RESTRICTED REVENUES Funds collected for limited or specific expenditure purposes. These funds are earmarked for specific purpose by requirements within the resource origin, such as: regulations found in bond covenants; grant contracts; local ordinances; donations for a specific purpose; state statute; and federal law or administrative guidelines.

REVENUE The term designates an increase to a fund's assets which does increase a liability (e.g., proceeds from a loan); does represent a repayment of an expenditure already made; does represent a repayment a repayment of an expenditure already made; does represent a cancellation of certain liabilities; and does represent an increase in contributed capital.

REVENUE BONDS Bonds payable from a specific source of revenue, which do not pledge the full faith, and credit of the issuer. Revenue bonds are payable from identified sources of revenue and do not affect the property tax rate. Pledged revenues may be derived from operation of the financed project, grants, excise, or other specified non-property tax.

RETAINED EARNINGS Accumulation of net income closed to the balance sheet at the end of the fiscal year. Also known as net assets and used only in the enterprise funds.

ROLLED-BACK RATE The mileage rate which, when applied to the total amount of taxable value of property (excluding new construction), produces the same amount of tax dollars as the previous year. Calculation of the "rolled-back rate" is governed by Utah Statutes.

S

SELF INSURANCE The retention by an entity of a risk of loss arising out of the ownership of property or from some other cause instead of transferring that risk through the purchase of an insurance policy.

SERVICE LEVELS Describes the present services provided by a City department and/or division within the department.

SPECIAL ASSESSMENT Another name for NON-AD VALOREM ASSESSMENT.

SID See Special Improvement District

SPECIAL IMPROVEMENT DISTRICT A special district created to make improvements, typically to infrastructure, in a given area. Property owners agree among themselves to pay into the district, in return for services which they also agree on. These payments, or assessments, can also be used to pay back debt created from improving the infrastructure for the district.

SPECIAL REVENUE FUND A governmental fund used to account for the proceeds of specific revenue sources (other than expendable trusts or for major capital projects) that are legally restricted to expenditures for specified purposes.

STAKEHOLDER Refers to anyone affected by or who has a stake in government. This term stakeholder includes, but is not limited to: citizens, customers, elected officials, management, employees, and their representatives (whether unions or other agents) businesses, vendors, other governments, and the media.

STATISTICAL SIGNIFICANCE The numbers have been “crunched” by specific equations and formulas to indicate what chance the suggested relationship between factors happened just because of random chance, or luck, versus whether the suggested relationship could not have occurred by chance and is due to an objective “cause,” or reason. If a relationship is determined to be statistically significant, it is not due to luck.

SUB-ELEMENT Each element of the City’s General Plan has a sub-element or series of sub-elements which make up the goals or standards desired for the future of the community. These sub-elements provide the avenue for which long-range policy making of the General Plan is developed and ultimately implemented.

SUB-ELEMENT GOAL Sub-element goals are established to further define policy areas. It is a statement describing a general community condition the City wants to achieve or maintain through its operating programs, projects, or cooperation with other entities.

T

TASK A task is a specific activity that departmental personnel perform to accomplish the results of a service objective. It is the basic cost center of the performance budget. All resources are budgeted and expended through a task or activity.

TAXABLE VALUE The assessed value of property minus any authorized exemptions (i.e., agricultural, homestead exemption). This value is used to determine the amount of ad valorem tax to be levied. The TAXABLE VALUE is calculated by the Property Appraiser's Office in compliance with State Law.

TAX ANTICIPATION NOTES Notes issued in anticipation of taxes which are usually retired from taxes collected.

TAX INCREMENT FINANCING The collection of the incremental tax increase from economic development of a project area where debt has been issued as part of a Redevelopment Agency.

TAX RATE The amount of tax levied for each \$100 of assessed valuation.

TAX RATE LIMIT The maximum legal rate at which a municipality may levy a tax. The limit may apply to taxes raised for a particular purpose or for general purposes.

TAXES Compulsory charges levied by a government for the purpose of financing services performed for the common benefit. This term does not include specific charges made against particular persons or property for current or permanent benefits such as special assessments. Neither does the term include charges for services rendered such as sewer services.

TENTATIVE BUDGET A preliminary budget created for review of Mayor and Council in the first meeting in May of each year. It is to be available for public inspection 10 days before the final adoption of the budget.

TRANSFERS A term referring to monies moved from one budgetary fund or sub-fund to another. Because of legal or other restrictions, monies collected in one fund may need to be expended in other funds. A transfer is accomplished through Transfers-In (a source of funds) for the recipient fund and an equal Transfer-Out (a use of funds) for the donor fund. When this movement occurs between different funds, it is known as an Inter-fund Transfer. When it occurs between the restricted and unrestricted portions of the same fund, it is known as an Intra-fund Transfer.

TREND ANALYSIS Examines changes over time, which provides useful management information such as the City's current financial situation and its future financial capacity to sustain service levels.

**LINDON CITY
2012-2013 APPROVED BUDGET**

TRUST FUNDS Established to administer resources received and held by the City as the trustee or agent for others. Use of these funds facilitates the discharge of responsibility placed upon the City by virtue of law or other similar authority.

TRUTH IN TAXATION PROCESS The process established by the State (see Utah Code Ann 59-2-918 and 59-2-919) of notifying the public and holding a public meeting to discuss a proposed tax rate increase before the final rate is adopted.

U

UDOT An acronym for the Utah Department of Transportation.

UNRESERVED FUND BALANCE The portion of a fund's balance that is not restricted for a specific purpose and is available for general appropriation.

UNRESTRICTED REVENUES A term referring to those revenues that can be used for any lawful expenditures supporting a wide variety of functions, or objectives

USER FEES Charges for specific governmental services. These fees cover the cost of providing that service to the user (e.g., building permits, animal licenses, park fees).

W

WORKLOAD A category of measurement. Workload data provides a comparison of how output corresponds to the demand (e.g., people served, transactions processed in certain geographical locations, complaints addressed).

Z

ZERO-BASE BUDGETING (ZBB) A method of detailed budget analysis and justification that combines elements of management by objectives and program evaluation. It is a vehicle to link management and planning to the budget process. ZBB starts with an examination of an agency's basic programs and services by the lowest management level, and continues up the organization as funding packages are prioritized at each level in accordance with available resources and desired outcomes. ZBB is a tool for objectively directing the allocation of funds among activities and programs. Its basis is the consideration of the efficiency and effectiveness of activities and programs.
