

# Lindon Heritage Trail CONSTRUCTION BEGINS MARCH 25

**Project Schedule** - Construction of phase II of the Lindon Heritage Trail is scheduled to begin **March 25, 2013**. This section of the new trail is anticipated to be complete and ready for use by mid-summer 2013, depending on weather conditions.

**Construction** - Crews will install a 10' wide asphalt multi-use trail along Lindon Hollow Ditch, the west side of the railroad tracks, the south side of 200 South, and the east side of 800 West (see map on reverse). Work is scheduled to occur Monday through Friday between 7:00 a.m. and 9:00 p.m.

If you have any questions or concerns about the project or would like to receive email updates, please contact the Public Information Team.

## **Construction Impacts**

- Lane shifting may occur while work is underway. One lane in each direction will remain open at all times.
- Residents and businesses may experience intermittent driveway access disruptions. The team will coordinate directly with those impacted.
- While the trail is being constructed, alternate pedestrian routes will be provided along 800 West.
